POA #15

5/7/13

Sgt. Robb,

Unfortunately, the time has come for me to say goodbye to SJPD. Today is my last day and I'll be starting a new chapter with Colma PD this Sunday. The choice to leave wasn't an easy one, but one I found necessary for the financial stability of my family.

I will always be thankful for the training and experience I received here, but wanted to thank you specifically for your supervision and guidance while I was in SAU. The knowledge I gained there alone helped me grow as an officer more than anything. I'm definitely a better beat cop because of you.

A perk with Colma is that I will always have every other Saturday off and I'd love to bump into you guys on the beach again and buy you a beer at the brewery.

Thank you again for everything and I hope that we will be able to keep in touch.
