WHEREAS, plastic debris and in particular expanded polystyrene foam ("EPS") is a distinctive litter concern because it is lightweight, floats, and readily travels from land to inland waterways and out to the ocean where it breaks down into small pieces to be mistaken for food by birds and other marine wildlife; and

WHEREAS, EPS disposable food service ware comprises a majority of EPS litter observed in storm drains; and

WHEREAS, the proposed phase-out of EPS disposable food service ware would require food vendors to use alternative disposable food service ware that should result in a reduction of EPS litter, reduce the risk of harm to aquatic wildlife, and improve water quality in the San José creeks and the Southern San Francisco Bay; and

WHEREAS, on August 27, 2013, prior to taking action on the Ordinance, the City Council reviewed, considered and adopted by separate Council resolution, the proposed Negative Declaration analyzing the regional environmental impacts of the Ordinance to phase-out of EPS disposable food service ware (File NO. PP13-043);

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SAN JOSE:

SECTION 1. Chapter 9.10 of Title 9 of the San Jose Municipal Code is hereby amended by adding a new Part, to be numbered, entitled and to read as follows:
Part 17

9.10.3100 Definitions

The definitions set forth in this Section shall govern the application and interpretation of this Part.

A. Disposable food service ware does not include straws, utensils, drink lids, or ice chests.

B. "Food vendor" means any establishment located in the City of San José that sells or otherwise provides prepared food for consumption on or off its premises, and includes, but is not limited to, any shop, sales outlet, restaurant, bar, pub, coffee shop, cafeteria, caterer, convenience store, liquor store, grocery store, supermarket, delicatessen, mobile food truck, vehicle or cart, or roadside stand. A "food vendor" does not include a food service provider that is associated with either a nonprofit organization with Section 501(c)(3) status under the Internal Revenue Code or a public agency sponsored program.

C. "National food vendor" means a food vendor that is a chain of franchised or corporate owned establishments located in more than one state.

D. "Polystyrene foam" means a thermoplastic petrochemical material made from a styrene monomer and expanded or blown using a gaseous agent (expanded polystyrene) including, but not limited to, fusion of polymer spheres (expandable bead polystyrene), injection molding, form molding, and extrusion-blow molding (extruded foam polystyrene). "Polystyrene foam" is commonly made into
disposable food service ware products. "Polystyrene foam" does not include clear or solid polystyrene (oriented polystyrene).

E. "Prepared food" means food or beverages that are packaged, cooked, chopped, sliced, mixed, brewed, frozen, squeezed or otherwise prepared on the premises. "Prepared food" does not include (1) any raw, uncooked meat products or fruits or vegetables unless it can be consumed without further preparation; or (2) prepackaged food that is delivered to the food vendor wholly encased, contained or packaged in a container or wrapper, and sold or otherwise provided by the food vendor in the same container or packaging.

B. The national food vendor or food vendor must demonstrate that no reasonably feasible alternative exists to a specific and necessary polystyrene foam disposable food service ware to qualify for a "unique packaging hardship" exemption.
C. The national food vendor or food vendor must demonstrate both of the following to qualify for a “financial hardship” exemption: (1) a gross income under $300,000 on their annual income tax filing for the most recent tax year, and (2) with respect to each specific and necessary polystyrene foam disposable food service ware, that there is no feasible alternative that would cost the same or less than the polystyrene foam disposable food service ware.

D. The national food vendor or food vendor may submit a written application for an exemption on a form provided by the Department of Environmental Services. The Director of Environmental Services or designee (“Director”) may require the applicant to submit additional information or documentation to make a determination regarding the exemption request. A request for exemption shall be reviewed on a case by case basis, and may be granted in whole or in part, with or without conditions, for a period of up to twelve (12) months. The national food vendor or food vendor must apply for a new exemption period no later than sixty (60) days prior to the expiration of the then current exemption period to preserve a continuous exemption status.
