CANDIDATE’S STATEMENT OF QUALIFICATIONS

Occupation: Writer
Education and Qualifications: PhD

San Jose is too expensive and unaffordable. People are moving away. This must stop.

I believe that City Leadership should have worked on generating solid revenue for its budget; and assisting residents, financially and in uplifting life standards, rather than just using authority to force them to pay incredibly high dues. Seeing this, I could not ignore it but instead find a way to fix it.

My Leadership focuses on helping residents stay in San Jose with less financial burdens; providing them with their fair share of benefits arising from the City’s growth; rewarding long-term renters with property ownerships through the City’s easy qualifying mortgages; revising outdated codes to allow additional parking and living spaces without fees and permits; lowering rent by developing new housing; building San Jose SkyMall and CornerAd Program to produce solid revenue for its budget; offering assistance to well deserved homeless people; redesigning traffic flow to reduce traffic congestion and air pollution.

I am asking for your vote and would be honored by your vote.

Together, in the next four years, our mutual cooperation and engagement will accomplish incredible works to transform San Jose into a good, comfortable, safe City for generations to come.

By resolving political battles, we’re making progress bringing San José together to realize a safer, stronger, and more affordable future.

We’re adding more than 200 police officers to our patrols after settling disputes over pension reform—while saving taxpayers $42 million annually. We’re building thousands of affordable homes. We’re confronting homelessness with tiny homes, motel conversions, and other solutions that have housed more than 1,000 homeless veterans.

We’re bridging the opportunity gap for low-income students by launching after-school programs and coding classes, expanding library hours citywide, providing jobs for 2,000 at-risk teens, making college affordable for 800 students, and lifting the minimum wage regionally.

We’re beautifying San José with free residential junk pickup service, expanded weekly neighborhood cleanups, a new smartphone app to report graffiti and blight, and boosting cleaning of Caltrans-maintained freeways. We’re combatting gridlock by bringing BART and electrified Caltrain to San José, and doubling funding to repair streets.

Continuing this progress requires moving beyond the political fighting of the past. Help San José move forward at SamLiccardo.com.

Who am I
Born and raised by a poor, single parent mother, who died believing that we could do anything. Hello, I am Tyrone Wade. I remember Rosa Parks, Martin Luther King, Malcolm X, and the Kennedy's. And there was Vietnam, Nixon, Reagan and the Kent State massacre.

I have worked for and in local government and the police department. I was a Marriage Family and Crisis Counselor and ran a homeless shelter. Those events and times have helped develop my life and beliefs.

Today, however, I am concerned that the rights and protections my parents fought for, were maimed and died for are being rolled back. I am disturbed that this city still forces people to live on the streets and does not have affordable housing, that education is failing and creating generations of endless debt.

I have the skills, life experience and history. Together, we can do better. My Mayoral platform provides us with hope, opportunity and a pathway to shared success and prosperity. For the what, where, when, how and why Continue to https://www.twstatement.xyz

It is my honor to be your San Jose District 1 City Councilman. We've accomplished a great deal during my first term and I look forward to continuing to engage the community to attain our common goals.

I will continue to focus on housing, transportation, safety, and quality of life. Over the past 3 years our accomplishments include strong support for all affordable housing projects, increased funding for repavement of our major streets, leadership in moving I-280/Winchester Interchange and Stevens Creek Blvd. Corridor traffic studies forward, played a role in pension reform and restoration of police department staffing and applied innovative solutions to improve safety and the quality of life for D1 residents. We implemented neighborhood and community programs including parking programs, and a robust community engagement process. We also acquired a new park in a park deficient district.

Four years ago I asked for your vote as our City was rebuilding after years of budget deficits and staffing shortages. Much work remains to be done, but I hope to continue my service as your advocate at City Hall to address our struggles and guide San José into a prosperous and sustainable future.

It is clear that addressing homelessness and creating more affordable housing are of highest priority for our community. As your Councilmember, I have led our district in approving and building more affordable and supportive housing than anywhere else in the County. And as new projects enhance our downtown and skyline, I am determined to also ensure projects that provide good paying jobs, and stable, safe and affordable housing for everyone in San José.

District 3 is the epicenter of incredible change for San José and your next representative will play a vital role in its management and direction. I am more committed to public service today than ever before and I am intent on advocating for sustainable and equitable growth for our District and our City.

Once again I respectfully ask for your support to continue to serve as your San José City Councilmember. Thank you. www.RaulPeralez.com

Together, we’ve made extraordinary progress for the people of San Jose — and now it’s more critical than ever that we continue our momentum. We’ve built a brighter future for our youth - creating jobs and education, restoring public library hours, expanding youth center recreation services, and restoring the community focus of our Police Department.

We’ve implemented groundbreaking programs such as Viva Parks to activate open spaces and provide positive, healthy activities for children, worked with businesses to attract more career pathways, improved transportation, tackled affordable housing, and hosted successful National Nights Out to increase community unity.

We’ve reduced blight and expanded neighborhood clean-ups. We’ve increased the minimum wage and domestic violence prevention efforts. We’ve stood strong against those who would divide us — celebrating diversity, defending DREAMers and protecting hardworking immigrant families who contribute greatly to San Jose’s growing prosperity.

As your City Councilmember, I’m honored to have support from hundreds of local leaders including Mayor Liccardo, Supervisors Chavez and Cortese, Assemblymember Kalra, LiUNA Local 270, South Bay Labor Council, and Police and Firefighters. I love this community. I love representing you on our Council. And I would be honored to have your vote for re-election.

I came to America with my family to seek a better life. Thanks to hard work and opportunity, I have been blessed to graduate from college, work for the City of San Jose, start my own business and twice win election to the East Side Union High School Board. But many of our friends and neighbors have not had those opportunities. As a community volunteer for over 30 years, I have worked to bring our community together and to make improvements in the lives of the less fortunate.

I am honored to have the endorsement of all my colleagues: Manual Herrera, Pattie Cortese, Frank Biehl and Lan Nguyen. Together we have led the effort to improve the education of our students, raised money to support our homeless students and create more after school opportunities to keep our children away from drugs and gangs.

As your next councilmember, I will focus on increasing police patrols, improve Housing availability, help local businesses create more jobs, and make sure our community resources are well maintained and benefit the whole community.

With your help and your vote, we can bring the community together and keep San Jose moving forward. www.vanle2018.com

San Jose is one of the richest cities in the nation, and yet we still have people without a place to sleep at night. San Jose is a progressive and liberal city, yet two low-income senior citizen bloggers in their 90s are taken to court for $11 million dollars over free speech. I am running for City Council to defend our values and to ensure all residents are served with integrity, honesty, and dignity.

The issues we face are many. From homelessness to housing crisis, to public safety, crimes, trash, litters, illegal dumping, and many more. Whatever affects our city, I pledge, as Council, to devote all of my energy to ensure the residents of District 7 will have a clean, safe, and secured place to live and work.

As Tax Auditor for City of Oakland, former Tax Investigator for City of San Jose, and former Tax Representative for State Board of Equalization, I will bring much needed experience in revenue and fiscal management to City of San Jose. I will also fight to ensure that wasteful spending of your tax dollars will end and all revenue will be spent wisely to improve our quality of life.

I hope to have your vote. http://www.chrisleforsanjose.com

I am a community advocate running with the pledge to never take corporate or special interest money. I believe if we want to build a better San José for all, we need to stop electing candidates who take money from corporations or special interests. Our campaign is being financed only by people’s donations.

As a single father, I envision a better future for my daughter and all residents of San José. As a transportation specialist, I fought to make sure VTA would allocate $1 Billion from the sales tax to improve public transportation. For the last five years, I’ve been working to build a relationship between police and community to improve public safety. I have also advocated to increase the minimum wage, tackle the skyrocketing rent prices, and improve neighborhood living conditions.

Five years ago, I co-founded LUNA, a community non-profit organization to advocate on behalf of people’s needs, for which I served as president. In 2016, I co-founded SBPA, a progressive political organization that is working on issues through politics, for which I serve on the Advisory and Steering Committee.

I’m running for my principals and strong community values. When elected, I’ll put people first. www.Omarvasquez2018.com

Every day we see the pain of our District and we deserve better. Homelessness, trash, roads, and crime are all worse than four years ago. Our City is misleading us and enabling the problem.

We need a change. My wife and I want a better future for our baby daughter and for your family. We are not the dumping ground of the City and have every right to a peaceful and high quality of life. We need to make our voice heard!

After helping a child who was injured by a used syringe at a public park, I founded the Senter Monterey Neighborhood Association and the District Seven Leadership Group. I was elected Vice Chair of the San José Neighborhoods Commission to ensure the will of our people is represented and enacted.

We need higher paying jobs, improved safety, more housing, clean and safe parks, less taxes, to eliminate the bureaucracy at City Hall, to solve homelessness and to be treated as equals.

I am the honorable leader that we need to unite our District and act to benefit all residents of our diverse Community.

Maya Esparza for City Council District 7
Veterans Advocate/Teacher

I'm running for the City Council because our neighborhoods have been neglected, and I'll bring my record of getting things done to ensure our communities get the resources we deserve!

I was born and raised in San José and my parents taught me to work hard for my community. I've spent the last two decades doing just that.

As a Franklin-McKinley School District board member, I added all-day kindergarten, after-school programs to our most underserved schools, and worked to rebuild Franklin Elementary School while balancing the budget.

During my time at the American Red Cross Silicon Valley, I worked with communities to provide disaster and health services. Today, I lead a campaign that is getting our veterans off the streets and into homes.

Together, we will tackle our community's greatest challenges:
1. Our housing crisis
2. The rise in homelessness
3. Ensuring students have the opportunities necessary to succeed

The needs of our families and residents have been ignored for too long. Let's work together to change that.

I want to represent the district where I grew up. As a child of Vietnamese immigrants, I didn’t have much but I had this community. I went to Los Arboles, Sylvandale, and Andrew Hill and served 10 years in the US Air Force. Currently I work in real estate finance, providing home ownership opportunities for families. This is where I was raised and now where I’m raising my two kids.

While our neighborhood has changed since I was young, residents’ needs haven’t: Housing that’s affordable for working families; neighborhoods people feel safe in; good-paying local jobs; and quality schools for our children. I promise to work tirelessly to bring the results and integrity you deserve. As City Council member, I will:
1. Create more affordable housing for working families.
2. Improve our safety by adding police officers walking our neighborhoods, interacting with residents, and preventing crime.
3. Find long-term solutions to our growing homelessness problem.
4. Create local jobs by revitalizing the Monterey Business Corridor and simplifying the process for small business owners to operate and succeed.

I respectfully ask for your vote on June 5th. www.thomasduong.com

Please re-elect Councilman Tam Nguyen.

My 5 top priorities:
-Safe Neighborhoods: Increased 200 new police patrol officers.
-Clean Streets: Many Dumpster Days and Clean Ups throughout the District.
-Affordable Housing: Support the plan to build 25,000 new homes including 10,000 affordable housing units.
-Good Wages for Workers: I voted to increase wages for working families.
-Business Opportunities: I created a new Business Ally position to help small businesses; reduce red tape and constraints on business operations.

For the past four years as D7 Councilmember, I worked with volunteers and residents to keep our neighborhoods safe and clean. I launched “Clean Up with Tam” to clean up our streets every Saturday from 8-10AM. I also met and listened to many residents through my “Coffee with Tam.” I helped raised funds for the flood victims and a new house for fire victims. With neighbors we reclaimed our parks, re-opened the Alma center, new community center at the old Shirakawa building, etc... Thank you for your trust in the past four years. I will continue fighting for the voice and needs of our District 7. Call or text me any time: 408-876-8766.

I’ve spent the last five years aggressively fighting for change as one of our community’s school board members. Now I’m running for San Jose City Council to use my experience as School Board President, as a teacher, and as an entrepreneur at an innovative technology startup to drive the results our children, seniors, and families deserve.

My top priorities are: 1) Rebuilding and retooling our police department to combat the break-ins plaguing our neighborhoods 2) Making San Jose the best place in the country for kids to get an education 3) Modernizing our traffic infrastructure so our freeways don’t feel like parking lots and our roads are no longer riddled with potholes

Other top priorities include: a) Transitioning our homeless neighbors off the streets and into the services they need b) Expanding housing affordability for our middle class c) Ensuring our community has ample input into large developments before any decisions are made

We pay a lot in taxes to live here so I expect our core city services to be excellent. I hope you’ll find my experience and passion for community-driven leadership worthy of your vote.

My 15 years of community service at various levels has given me the opportunity to meet people from all walks of life. As Chair of Santa Clara County Human Relations Commission, President of Pinehurst Residents Association and local Program Director for Humanity First USA food pantry, I am able to see firsthand issues faced by our community on a daily basis.

Their stories and struggles are what motivate me to run for City Council; to ensure decisions made are best for all citizens and not biased by loud voices and special interest groups.

I have called San Jose home for the last 35 years and seen this city grow and flourish into the beautiful place it is today. Both economic contractions and expansions present their unique set of challenges that affect our lives and the government needs to be prepared to deal with both. We need to find sensible solutions to our current housing crises, traffic congestions, deferred maintenance and public safety.

It is my strong belief that my community service experience and knowledge of issues facing us today, uniquely qualifies me to be the voice of District 9 at the City Council.

Our homes, streets, parks, schools and community centers need to feel safe for our residents, at all times of the day. Our children and seniors deserve better.

In 2015 I came home to find my home was being burglarized. Public Safety is a pressing issue in our neighborhoods and my top priority. Public Safety is not just Police and Fire, but medical services, affordable housing and job creation, to prevent people from resorting to crime.

I am a former teacher, a Santa Clara University Alumni, a 43-year resident of San Jose and the product a labor family. In 2016, I was named a Silicon Valley Business Journal Woman of Influence for community work with girls and women.

I am a leader who is not afraid to stand up for what is right. I offer you my experience in education and business as testament of my integrity. I am running to safeguard the uniqueness of our neighborhoods, give you a voice, and push for fiscally responsible, common-sense policy.

A native son of District 9. From Schallenberger Elementary, to Markham Jr. High (WGMS), then Willow Glen High School, graduating from Gunderson HS. I attended West Valley College, then earned a B.S. degree from Santa Clara University. I have always served my local community, especially youth.

My first job after Santa Clara University was with The Boccardo Law Firm, where I received priceless mentoring from James F. Boccardo, Esq. I then pursued Post-Baccalaureate Studies in Kinesiology, before earning a Master of Education Degree in the study of Counseling Psychology at The University of Hawaii.

I have lived in various places around the World, maintaining my roots here. learning from each of these places, I bring this experience to the position. While teaching Government I have professed, “if you complain, have a solution and do something about it”... I am!

San Jose should be setting the standard. We can be better. I set goals and do my research. I am a fighter; All-American Collegiate Wrestler for West Valley College, two-time National Collegiate Boxing Champion for Santa Clara University (Athletic Hall of Fame inductee, 2001). I am accustomed to hard work and achieving goals; I will work hard and fight for you.

I have witnessed ineffective Boards; this will change. I will answer to you. Let me work for US!
