Section 2: Reason(s) for benchmarking exemption:

Please select all that apply.

General

- Building or campus*** is under 50,000 square feet (applies in 2019 reporting year only)
***campus is defined as two or more contiguous buildings owned and operated by the same party, behind one common utility meter and/or served by a common mechanical/electrical system (e.g. chilled water loop)
- Building is zoned as heavy or light industrial
- Building is comprised of individually-owned townhomes or condominiums

Financial Distress

- Building had arrears of property taxes or water refuse charges that resulted in the property's inclusion, within the prior two years, on the City's annual tax lien sale list
- Building has a court appointed receiver in control of assets due to financial distress
- Building is owned by a financial institution through default by the borrower
- Building has been acquired by a deed in lieu of foreclosure
- Building has a senior mortgage subject to notice of default

Building Use/Occupancy

- The building did not receive energy or water services for at least 30 days during the calendar year required to be benchmarked
- The building did not have a Certificate of Occupancy or Temporary Certificate of Occupancy for any portion of the calendar year required to be benchmarked
- The entire building was not occupied, due to renovation for any portion of the calendar year required to be benchmarked
- A demolition permit for the entire building has been issued and demolition work has commenced on or before the date benchmarking compliance deadline
- The disclosure of the building energy or water use data would result in the release of proprietary information that can be characterized as a trade secret or would otherwise violate a customer's right to privacy under the California Constitution or other applicable law

Please attach any supporting evidence to demonstrate eligibility for the exemption(s) indicated on this form.

Section 3: Reason(s) for benchmarking extension:

Please attach any supporting evidence to demonstrate a building's eligibility for this extension request.
