

Construction Tax and Property Conveyance	Fund 393
Tax Fund: Library Purposes	

CONSTRUCTION TAX AND PROPERTY CONVEYANCE TAX FUND OVERVIEW:

San José Municipal Code Section 4.80.300 establishes a single fund, the “Construction Tax and Property Conveyance Tax Fund”, for the deposit and accounting of the Construction Tax and the Property Conveyance Tax (“C&C revenues”). The various “funds” to which C&C revenues are allocated are accounted for within the Construction Tax and Property Conveyance Tax Fund.

PURPOSE OF THE FUND:

Chapter 4.55 of the San José Municipal Code provides for the allocation and expenditure of C&C revenues. At least 64% of the revenues are allocated for the purposes of Park Improvements. For additional information on the collection and allocation of C&C revenues, please refer to the Construction Tax and Property Conveyance Tax Fund: Parks Purposes Central Fund. No more than 36% of the C&C revenues are allocated for other municipal improvements, including library purposes. By City Council practice, the City Council historically has annually appropriated 14.22% of the C&C revenues for library purposes.

Generally, the expenditures in this fund are limited to the purposes as provided in San José Municipal Code Sections 4.55.300A and 4.55.300B.1. These include the acquisition, construction, reconstruction, replacement, remodeling, modification, alteration, enlargement, renovation, furnishing and refurnishing and capital maintenance of City public library facilities, equipment and materials, including land and interests in land, library buildings, furniture, books, circulating or reference nonbook library materials, furnishings, equipment, parking areas, streets and sidewalks adjacent to City public library facilities, and other works, properties, structures and facilities necessary or convenient for the public library system of the City. Expenditure may also be made for the leasing, renting and processing of books.

Additionally, the City Council may appropriate up to 10% of the allocation for library purposes for certain operating maintenance costs (as defined in Municipal Code Section 4.55.440) for library facilities.
