Santa Clara County - The California Department of Transportation (Caltrans) has successfully completed construction of the new Tully Road overcrossing on the south side and will now shift construction activities to the north side beginning Monday, July 18 at 5:00 a.m. The traffic changes that will occur as a result of this shift are as follows:

- **The westbound Tully Road on-ramp to southbound U.S. 101 will be temporarily closed until early summer 2012.**

Detour: Travel southbound on King Road or McLaughlin Avenue to Capitol Expressway on-ramp to southbound 101.

- **No left turn on Alvin Ave from westbound Tully Road until early summer 2012.**

Detour signs and Changeable Message Signs will be posted to assist motorists during this closure. Please drive cautiously and slow for the cone zone. Caltrans appreciates your patience as we improve California's highways. You can follow us on our project website: www.dot.ca.gov/dist4/tullyroad/
