PREAMBLE

The Memorandum of Agreement hereinafter referred to as the "Agreement" is made and entered into at San Jose, California, on this 30th day of June 2010, by and between the City of San Jose, hereinafter referred to as the "City" or "Management" and the Association of Engineers and Architects (AEA)/International Federation of Professional and Technical Engineers, Local 21 AFL-CIO, hereinafter referred to as the "Employee Organization" or "Union".

For the purpose of this Memorandum of Agreement, words, phrases and terms used herein shall be deemed to have the meanings specified in Section 2- Definitions of Resolution No. 39367 of the Council of the City of San Jose and in Part 2- Definitions of Chapter 3.04 of Title III, of the San Jose Municipal Code unless it is apparent from the context or from the specific language that a different meaning is intended.

ARTICLE 1 PURPOSE

The parties agree that the purpose of this Memorandum of Agreement is: To promote and provide harmonious relations, cooperation and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving differences which may arise under this Agreement, and to set forth the full agreements of the parties reached as a result of meeting and conferring in good faith regarding matters within the scope of representation for employees represented by the Union.

ARTICLE 2 PERIOD OF MEMORANDUM OF AGREEMENT

This Agreement shall become effective July 1, 2010, except where otherwise provided, and shall remain in effect through the 30th day of June 2011. No amendment or change to the provisions of this Agreement shall be valid or binding unless reduced to writing and signed by duly authorized representative(s) of the parties.

This contract expires on June 30, 2011. It is mutually agreed that the first meeting of the parties will be held no later than fifteen (15) calendar days after the City or Association receives notice from the other, which may be any date after January 1 of the year in which the current contract terminates.

ARTICLE 3 AGREEMENT CONDITIONS

3.1 Full Understanding, Modification and Waiver

- 3.1.1 This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any and all prior or existing Memoranda of Understanding, understandings and agreements, whether formal or informal, are hereby superseded and terminated in their entirety.

- 3.1.2 Existing benefits within the scope of representation provided by ordinance or resolution of the City Council or as provided in the San Jose Municipal Code shall be continued without change during the term of this Agreement and be provided in accordance with the terms of the Agreement.
- 3.1.3 It is the intent of the parties that ordinances, resolutions, rules and regulations enacted pursuant to this Memorandum of Agreement be administered and observed in good faith.
- 3.1.4 Although nothing in this Agreement shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this Agreement, it is understood and agreed that neither party may require the other party to meet and confer on any subject matter covered herein or with respect to any other matter within the scope of representation during the term of this Agreement.
- 3.1.5 Healthcare Cost Mitigation.
 - 3.1.5.1 Notwithstanding any other provision of this Agreement, the parties agree to commence meeting and conferring between January 1, 2011, and January 19, 2011, on retiree healthcare benefits for future employees and a medical reimbursement program for future retirees.
 - 3.1.5.2 The parties intend to engage in the foregoing negotiations in a coalition bargaining process with all other interested represented bargaining units, if any. However, negotiations between the City and Employee Organization shall commence no later than January 19, 2011 with or without participation of any other bargaining unit. The City and Employee Organization shall negotiate in good faith in an effort to reach a mutual agreement.
 - 3.1.5.3 If no agreement is reached, the parties will follow the impasse procedures set forth in the City of San Jose's Employer-Employee Relations Resolution (#39367) and the Meyers-Milias-Brown Act. The parties understand that this means that, notwithstanding any other provision of this agreement, the City will have the right to unilaterally implement in the event that no agreement is reached at the conclusion of negotiations and mandatory impasse procedures. The City agrees that a unilateral implementation of retiree healthcare benefits for future employees shall not be effective before July 1, 2011.
- 3.2 Separability Notwithstanding any other provisions of this Agreement to the contrary, in the event that any Article, or subsections thereof, of this Agreement shall be declared invalid by any court of competent jurisdiction, or by any applicable State or Federal law or regulation, or should a decision by any court of competent jurisdiction or any applicable State or Federal law or regulation diminish the benefits provided by this Agreement, or impose additional obligations on the City, the parties shall meet and

confer on the Article or subsections thereof affected. In such event, all other provisions of this Agreement not affected shall continue in full force and effect.

3.3 Concerted Activity It is understood and agreed that:

3.3.1 Participation by any employee represented by the Union in picketing with respect to any issue concerning matters within the scope of representation provided or proposed to be provided by the City of San Jose for employees in this unit, or participation in a strike, work stoppage or slowdown, or any other concerted activity which diminishes services provided by an employee in this unit, or the failure to perform lawfully required work shall subject the employee to disciplinary action up to and including discharge.

3.3.2 If the Union, its officers or its authorized representatives violate provision 3.3.1 above or tolerate the violation of provision 3.3.1 above and after notice to responsible officers or business representatives of the Union, such officers or business representatives fail to take such prompt affirmative action as is within their power to correct and terminate the conduct described in provision 3.3.1 above, in addition to any other law, remedy or disciplinary action to which it or its officers or representatives may be subject, said Union shall, by action of the Municipal Employee Relations Officer, also be subject to suspension or revocation of the recognition granted to such Union and the Municipal Employee Relations Officer may suspend or cancel any or all payroll deductions payable to or in behalf of members of such Union, and prohibit or restrict the use of any City facility of any nature whatsoever and prohibit or restrict access by said officers or representatives to work or duty stations of employees in the representation unit. Such action on the part of the Municipal Employee Relations Officer shall not be subject to review under the provisions of Article 18, Grievance Procedure.

3.4 Non-Discrimination

3.4.1 The parties agree that they, and each of them, shall not discriminate against any employee on the basis of race, religion, color, creed, age, marital status, national origin, ancestry, sex, sexual orientation, physical or mental disability, pregnancy, actual or perceived gender identity and political affiliation. The parties further agree that this section shall not be subject to the Grievance Procedure provided in this Agreement.

3.4.2 The parties agree that they, and each of them, shall not discriminate against any employee because of membership or lack of membership in the Union, or because of any authorized activity on behalf of the Union. The parties further agree that this section may be subject to the Grievance Procedure provided in the Agreement.

ARTICLE 4 RECOGNITION

Pursuant to Resolution No. 39367 of the City Council of the City of San Jose and the provisions of applicable state law, the Association of Engineers and Architects/IFPTE Local 21, hereinafter referred to as the “Union” is recognized as the exclusive representative for the purpose of meeting and conferring on matters within the scope of representation for employees assigned to the classifications listed in Exhibit I attached and incorporated by reference into this Agreement. The classifications listed in Exhibit I and subsequent additions thereto or deletions therefrom shall constitute an appropriate unit.

ARTICLE 5 MANAGEMENT RIGHTS

- 5.1 Except to the extent that the rights are specifically limited by the provisions of this Agreement, the City retains all rights, powers and authority granted to it or which it has pursuant to any law or the City Charter, including, but not limited to: The right to direct the work force; increase, decrease or re-assign the work force; hire, promote, demote; discharge or discipline for cause; transfer or reclassify employees; provide merit increases; assign employees special work requirements, and to determine the necessity, merits, mission and organization of any service or activity of the City or of any City Department, Agency or Unit. The City’s failure to exercise a management right does not preclude the City from exercising it at some time in the future.
- 5.2 The City has the sole and absolute right to determine the nature and type of, assign, re-assign, revoke assignments of or withdraw assignments of, City equipment, including motor vehicles, to or from employees during, after or before hours of duty, without consultation or meeting and conferring with the employees affected or the Association of Engineers and Architects/IFPTE, Local 21, representing such employee.

 - 6.1.1.2 The Union’s principal authorized agent shall be the President, or his/her duly authorized representative.

6.2 Union Representatives

- 6.2.1 The City shall recognize up to two (2) Union Representatives who are properly designated by the Union.

- 6.2.3 A Union Representative shall function under the terms of the grievance procedure in the department(s) or sections of a department(s) for which he/she has been designated. Should a Representative be required to leave his/her assigned duties to investigate and/or process a grievance, he/she shall secure the permission of his/her immediate supervisor and inform the supervisor of the general nature of the grievance, and report back to the supervisor upon returning to his/her assigned duties. In the event it is necessary for a Representative to handle a grievance in a department other than the department to which he/she is regularly assigned, the Representative shall report to the immediate supervisor of the aggrieved employee to request to meet with the employee(s) involved in the grievance.
- 6.2.4 In the event the parties agree that a Representative or other representative of the Union is permitted to investigate and/or process a grievance other than as provided above, such representative shall continue to investigate and/or process the grievance, even if the department or section of a department in which the grievance arose is subsequently assigned to another representative.
- 6.2.5 Although the grievances may be investigated and/or processed during normal business hours, the Union agrees that the time spent by its designated representatives processing grievances during normal business hours shall be kept to a minimum.
- 6.2.6 The Union agrees to properly notify the Municipal Employee Relations Officer of any changes of employees designated as Representatives.
- 6.2.7 The parties agree that they have a mutual interest in well-trained Representatives. Toward this end, up to one (1) designated Representatives shall be granted a maximum of eight (8) hours paid release time during each year of this agreement to participate in training sessions related to the provisions of this agreement, jointly conducted by the Union and the Office of Employee Relations, according to an outline of such training activities to be submitted by the Union and approved by the Office of Employee Relations prior to conducting any such training sessions.

6.4 Maintenance in Membership

6.4.1 Dues deduction, once initiated, shall continue until the authorization is revoked in writing by the employee. An employee may only revoke a dues authorization by delivering the written notice of revocation to the City's Municipal Employee Relations Officer with a copy to the Union. An employee may resign from such membership only during the thirty (30) calendar days prior to the expiration of this Memorandum of Agreement.

6.4.2 The written revocation notice shall be delivered to the Municipal Employee Relations Officer or his/her designee either in person at the Employee Relations Office or by regular U.S. Mail, with a copy to the Union.

6.4.3 The Union shall indemnify the City and hold it harmless against any and all suits, claims, demands and liabilities that may arise out of or by reason of the application of or implementation of the provisions of the Article.

6.5 Dues Deduction

- 6.5.1 The City will deduct from the pay of each employee covered by this Agreement, while such employee is assigned to a classification included in a representation unit represented by the Union, dues uniformly required as a condition of membership, pursuant to the Union's constitution and by-laws provided that the employee has signed an appropriate Authorized Dues Deduction card. Such authorization shall be on a form approved by the Municipal Employee Relations Officer or designee.
- 6.5.2 Payroll dues deductions shall be in the amount certified to the Municipal Employee Relations Officer or designee from time to time by the designated Officer of the Union as regular bi-weekly dues.
- 6.5.3 Deductions shall be made from wages earned by the employee each bi-weekly pay period. The City will remit to the designated Officer of the Union the amounts so deducted accompanied by a list of the employees for whom the deduction was made. The deductions and the list will be remitted to the Union not later than twenty-one (21) days following the pay period in which the deductions were made.
- 6.5.4 Properly executed dues deduction cards and an alphabetical list of the additional employees authorizing the deduction shall be submitted to the Municipal Employee Relations Officer or designee on or before the Monday of the week preceding the beginning of the pay period in which deductions are to be made.
- 6.5.5 If, through inadvertence or error, the City fails to make the authorized deduction, or any part thereof, the City shall assume no responsibility to correct such omission or error retroactively.
- 6.5.6 It is expressly understood and agreed that the Union will refund to the employee any Union dues erroneously withheld from an employee's wages by the City and paid to the Union. In the event the Union fails to refund the dues erroneously withheld within a reasonable period of time following notification, the City will make such refund and deduct the amount from the amount due to the Union.
- 6.5.7 The Union shall indemnify the City and hold it harmless against any and all suits, claims, demands and liabilities that may arise out of or by reason of any action that shall be taken by the City for the purpose of complying with the foregoing provisions of this Article, or in reliance on any list or certification which shall have been furnished to the City under the above provisions.

6.6 Agency Fee

6.6.1 Employee Rights

The City and the Union recognize the right of employees to form, join, and participate in lawful activities of employee organizations and the equal, alternative right of employees to refuse to form, join and participate in employee organizations. Neither party shall discriminate against an employee in the exercise of these alternative rights.

Accordingly, membership in the Union shall not be compulsory. An employee has the right to choose, either; to become a member of the Union; or, to pay to the Union a fee for representation services; or, to refrain from either of the above courses of action upon the grounds set forth in Section 6.6.5 listed below.

6.6.2 Employee's Obligation to Exclusive Representation

An employee who is a member of the Union on July 1, 2010, and any employee who becomes a member after July 1, 2010, shall maintain such membership.

Any person in a classification represented by the Union must, within thirty (30) days after their employment, submit to the City either:

1. A signed authorization to deduct dues as a member of the Union; or
2. A signed affidavit that the employee qualifies for an exemption as set forth in Section 6.6.5(1) below. In this case, the employee must designate a charity listed in Section 6.6.5(2) below to which the appropriate amount will be paid through payroll deduction.

If a person fails to make any of the designations set forth above within the thirty (30) day period, they will be given notice by the City that the Agency Fee deduction will be made beginning with the first full pay period following the expiration of the thirty (30) day period. The City and the Union agree that the Agency shop fee shall be paid in exchange for representation services necessarily performed by the Union in its capacity as exclusive bargaining agent and in conformance with its duty of fair representation of said employee who is not a member of the Union.

During the period June 1, 2011, through and including June 30, 2011, any employee who is a member of the Union may, by written notice to the Municipal Employee Relations Officer, or designee, resign such membership and change their status to the Agency Fee or exempt category in accordance with the provisions of this Agreement.

6.6.3 Definition of Agency Fee

The Agency Fee collected from non-member bargaining unit employees pursuant to Section 6.6.2 shall be limited to the Union (local, state, and national) annual costs for representing such employees. Such amount shall be those amounts for full-time and part-time employees as are certified to the Municipal Employee Relations Officer, or designee, from time-to-time by the designated officer of the Union as the Agency Fee.

6.6.4 Notice of Objection to Union Expenditures

The Union shall provide an annual written notice to each nonmember who will be required to pay an agency fee. The notice shall include:

1. The amount of the Union's dues and the agency fee;
2. The percentage of the agency fee amount that is attributable to chargeable expenditures and the basis for this calculation;
3. The amount of the agency fee to be paid by a nonmember who objects to the payment of an agency fee amount that includes nonchargeable expenditures

Any employee, who is required to pay an Agency Fee, may object to the payment of an agency fee amount that includes nonchargeable expenditures, and challenge the calculation of the nonchargeable expenditures. An agency fee objection must be filed with the Union within 30 days following distribution of the annual written notice.

6.6.5 Employees Exempted from Obligation to Pay Union

1. Any employee shall be exempted from the requirements of Section 6.6.2 above if such employee is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations.
2. Such exempt employee shall, as an alternative to payment of an Agency Fee to the Union, pay an amount equivalent to such Agency Fee to either:
 - a. The United Way; or,
 - b. Combined Health Appeal (C.H.A.); or,
 - c. Any charity jointly agreed upon by the City and the Union. Such charities cannot be affiliated in any manner with the Union, nor can such charity be related to an established religious organization.

Employees requesting an exemption from paying an agency fee must submit a request in writing and provide verification of such membership in a qualifying bona fide religion, body or sect to the Municipal Employee Relations Officer, or designee. The Municipal Employee Relations Officer, or designee, shall provide notification to the Union of the determination within five (5) calendar days.

6.6.6 Hold Harmless

The Union shall hold the City harmless and shall fully and promptly reimburse the City for any reasonable legal fees, court costs, or other litigation expenses incurred in responding to or defending against any claims against the City or any of its agents, or employees, in connection with the interpretation, application, administration or enforcement of any section in this Agreement pertaining to Agency Fees. The existence of or extent of any indemnification obligation under this provision shall be subject to the grievance procedure spelled out in this Agreement.

6.6.7 Rescission of Agency Fee Provisions

Pursuant to Government Code Section 3502.5, this Agreement may be rescinded in its entirety by a majority vote of all the employees in the unit covered by this Agreement. It is understood and agreed that: (1) a request for such a vote must be supported by a petition containing the signatures of at least 30% of the employees covered by this Agreement; (2) such vote shall be by secret ballot; and (3) such vote may be taken at any time during the term of this Agreement; but, in no event shall there be more than one vote taken during such term.

6.7 Bulletin Boards

6.7.1 Recognized Unions may use designated portions of City bulletin boards in departments which have employees in the representation unit for which the Union is recognized.

6.7.2 Subject to the provisions contained herein, the following types of Union notices and announcements listed below may be posted on the bulletin boards:

6.7.2.1 Meetings, elections, welfare, recreational and social affairs and such other notices as may be mutually agreed upon between the Union and the Municipal Employee Relations Officer or designee.

6.7.3 All material shall identify the Union responsible for its posting. Copies of all material to be posted must be filed with the Municipal Employee Relations Officer. The Municipal Employee Relations Officer or designee shall notify the Union of any material ordered removed. The Union shall be given the opportunity to revise the material or delete the objectionable section or sections.

6.7.4 The City reserves the right to determine where the bulletin boards shall be placed and what portion of such bulletin boards are to be allocated to the Union.

6.7.5 Failure of the Union to abide by the provisions of this Article shall result in the forfeiture of the Union's right to have materials posted on City bulletin boards. The City agrees it will not exercise its rights provided herein in an arbitrary or capricious manner.

- 6.8 Employee Lists The City shall provide a monthly list of bargaining unit employees, including new employees to the Union.

The City shall also provide to the Union a quarterly list of bargaining unit employees alphabetically with employee address, position title, employment date, and leave of absence status.

The Union agrees that such information will be treated in a confidential manner.

ARTICLE 7 TEMPORARY MODIFIED DUTY

- 7.1 The City and the Union recognize that, employees may be temporarily unable to perform their full range of duties required of their position due to a work-related injury or illness. In order to provide gainful employment to these individuals and to maximize productivity, the City may create temporary modified job duties.
- 7.2 The City has the exclusive right to determine whether or not to create or eliminate temporary modified job duties and to assign eligible employees to fill such jobs.
- 7.2.1 The City shall not discriminate in assigning temporary modified job duties.
- 7.2.2 Employees assigned to temporary modified duties shall continue to accrue class seniority and other benefits based on hours worked.
- 7.3 Employees assigned to temporary modified job duties shall be returned to their regular jobs at such time as they are medically certified as capable of performing the full range of duties of said job.
- 7.4 If temporary modified job duties cannot be accommodated by the employee's department, the City will attempt to find temporary modified job duties elsewhere in the City. Departmental seniority will not be affected.
- 7.5 This Article, Article 7, is not subject to the grievance procedure.

ARTICLE 8 LEAVES

8.1 Holidays

8.1.1 Except as hereinafter otherwise provided, each full-time employee shall be entitled to paid holiday leave on each of the following holidays as observed, and on no other day, during the term of this Agreement provided the employee has worked either his/her last scheduled workday before the holiday or his/her first scheduled workday after the holiday or the employee is in paid status:

| | |
|------------------------|------------------------|
| New Years Day | Columbus Day |
| Martin Luther King Day | Veterans Day |
| President's Day | Thanksgiving Day |
| Cesar Chavez Day | Day After Thanksgiving |
| Memorial Day | Christmas Eve |
| Independence Day | Christmas Day |
| Labor Day | New Year's Eve Day |

8.1.2 When one of the above holidays falls on a Sunday, the following day shall be designated as the holiday; and when one of the above holidays falls on a Saturday, the preceding day shall be designated as the holiday.

8.1.3 Any other day proclaimed or designated by the Council of the City of San Jose as a holiday for which full-time employees will be entitled to holiday leave. Should additional holidays be provided, or should an existing holiday be traded for a different holiday observance for other represented employees on a Citywide basis, such holidays shall apply to employees in this unit.

8.2 Vacation

8.2.1 Vacation accrues at the following rate for each paid hour (either worked or paid absence or holiday closure):

- 1-5 years of service = .05875 (120 hours annually for full-time employees)
- 6-14 years of service = .07750 (160 hours annually for full-time employees)
- 15+ years of service = .09625 (200 hours annually for full-time employees)

8.2.2 Up to 240 hours may be carried over from one calendar year to the next. This carryover process shall expire at the end of 2007. At the end of each calendar year, employees may sell back up to 80 hours of earned, unused vacation if employee took five (5) consecutive days of vacation, executive and/or holiday leave the previous calendar year. Vacation may not be taken until the employee has been employed for at least thirteen bi-weekly pay periods. Effective the first pay period of payroll calendar year 2008, employees may elect to sell back vacation up to four (4) times per year, not more than once per quarter, for a maximum sellback of one hundred twenty (120) hours of accrued vacation per payroll calendar year.

Effective the first pay period calendar year 2008, employees shall not be allowed to accrue vacation in excess of two times their annual vacation accrual rate. Once the maximum accumulation has occurred, vacation will cease to accrue until the employee's vacation balance has fallen under their maximum vacation accrual amount. Any employee, who is already above two times their annual vacation rate, will cease from accruing vacation until they have used enough vacation to bring them below their maximum accrual amount.

8.2.3 If employee separates from City service, the employee shall reimburse the City the appropriate dollar amount for any unearned, used vacation hours.

8.3 Sick Leave

8.3.1 Each full-time employee shall be entitled to sick leave with pay in accordance with the following provisions:

8.3.1.1 Sick leave shall accrue in an amount equal to the number of hours worked, excluding overtime, multiplied by a factor of 0.04616. Paid leave for holidays, vacation, disability, or other paid leave shall be considered as time worked for purposes of this section.

8.3.2 Accrued sick leave may be utilized if the employee is required to be absent from work on account of non-job related illness or injury; routine medical or dental appointments, or for the care related to the illness or injury of a child for which the employee is legally responsible, mother, father, spouse or domestic partner registered with the Department of Human Resources. Up to 48 hours of accrued sick leave per calendar year may be utilized if the employee is required to be absent for the care related to the illness or injury of the employee's grandchild, brother, sister, father-in-law, mother-in-law, stepfather, stepmother or stepchild.

8.3.3 Accrued sick leave may also be utilized for job-related illness or injury in accordance with the provisions of Section 8.6 Disability Leave, or if the employee is medically required to be absent from work between the date an examining physician determines the employee's condition to be "permanent and stationary" and the date the employee is so notified. Such accrued sick leave may not be utilized if the employee is otherwise entitled to temporary disability leave compensation for the above-referenced period of time.

8.3.4 Accrued sick leave not to exceed three (3) working days may be granted in circumstances where an alleged job-related illness or injury is involved, but the employee fails to provide medical verification of such job-related illness or injury.

8.3.5 Anything in this Article to the contrary notwithstanding, an employee who, pursuant to the provisions of Section 8.6 of this Agreement, has been receiving temporary disability leave compensation and who has received the maximum allowable amount of such compensation pursuant to Section 8.6, Disability Leave, and who is entitled to Workers' Compensation temporary disability benefits, shall be permitted to utilize accrued sick leave subject to the following restrictions:

Sick Leave shall be utilized in one-half (1/2) hour increments, but in no event shall an employee receive an amount, including any Workers' Compensation temporary disability compensation, in excess of such employee's regular base pay.

- 8.3.6 Accrued sick leave also may be used in accordance with the Catastrophic Illness Time Donation Program.
- 8.3.7 Except as otherwise provided by resolution of the City Council, paid sick leave shall not be allowed for any absence from work occasioned by intoxication, or use of narcotics not prescribed by a licensed physician.
- 8.3.8 If approved by the City, an employee who is enrolled and participating in a substance abuse treatment program may use sick leave for absences resulting from participation in such program. The City may require appropriate verification.
- 8.3.9 No employee shall be entitled to or be granted sick leave, either with or without pay, unless he or she, or someone on his or her behalf notifies his or her immediate superior or Department Director, of his or her intent to take such sick leave due to a personal or family illness prior to the commencement of the sick leave where such notice is possible; provided, however, that the Director of Employee Relations may waive the requirement of such notice upon presentation of a reasonable excuse by such employee.
- 8.3.10 An employee may be required to furnish substantiation for any absence for which sick leave payment is requested.

In the event an employee is not eligible for WCTD payments because of the statutory waiting period, DLS shall not be paid for such a waiting period. The employee may use sick leave to cover the waiting period.

8.6.2.1 After the initial three day waiting period has been met, and the employee otherwise qualifies for DLS, the employee may utilize DLS for absences required for medical visits related to the injury after his/her return to work if he/she is unable to schedule such visits on non-work hours. DLS for such intermittent absences is subject to authorization by the Workers' Compensation Section. In no event may DLS exceed the limit specified in Section 8.6.6.

8.6.3 Eligibility for Disability Leave Supplement Linked to Temporary Disability If the Workers' Compensation Appeals Board of the State of California or any judicial court should determine that the employee is not entitled to Temporary Disability (WCTD) compensation, the employee shall not be entitled to Disability Leave Supplement (DLS) benefits. Under such circumstances, any DLS moneys paid to the employee by the City must be returned to the City within one year.

- 8.6.8 Disability Leave Supplement is in Lieu of Regular Compensation Employees who receive WCTD and DLS compensation do not receive their regular salary. DLS as described in this Article is in lieu of regular compensation.
- 8.6.9 Requirement of Evidence Proving Temporary Disability The Director of Finance is responsible for determining eligibility for DLS. In making this determination, the Director may require the employee to provide proof of injury or illness, proof that the injury or illness will last, and proof of other relevant matters as determined by the Director. The Director may require the employee to submit to a medical examination by a physician selected by the City.

ARTICLE 9 LAYOFF

9.1 Order of Layoff When one (1) or more employees in the same class in a City department are to be laid off for lack of work, purposes of economy, curtailment of positions or other reason, the order of layoff shall be as follows:

9.1.1 Probationary employees in the order to be determined by the appointing authority.

9.1.2 Permanent employees in inverse order of seniority within the classification being reduced, or in a higher class.

Permanent employees shall be given every opportunity for transfer to other departments when layoff is pending.

9.2 Notice of Layoff

9.2.1 Employees subject to the provisions of this Article shall, wherever possible, be given at least thirty (30) calendar days notice in writing prior to the effective date of layoff. The appropriate Unions shall receive concurrent notice, and upon written request within seven (7) calendar days after the notice is given shall be afforded an opportunity to meet with the appropriate City representatives to discuss the circumstances necessitating the layoff and any proposed alternatives to such layoff.

9.2.2 Upon specific request by the Union, the City shall provide any available public, written documents relating to staffing levels in a given department or section of a department. If workload documentation is available, the City will provide it to the Union, upon written request.

9.3 Reassignment in Lieu of Layoff In the event of layoff, any employee so affected may elect to:

9.3.1. Accept a position in a lateral or lower class in which he/she has previously served, or a position in a lateral or lower class within the series containing the class from which the employee is being laid off, provided he/she is otherwise qualified and is more senior than the least senior employee in such lateral or lower class.

9.3.2. Accept a vacant position in a lateral or lower class for which he/she has the necessary education, experience, and training as determined by the Director of

Human Resources or his/her designee. An employee may also accept a vacant position in a higher class, provided he/she has held permanent status in such higher class, and further provided that the employee's removal from the higher class was voluntary and occurred during his/her most recent period of employment. Adverse decisions of the Director of Human Resources regarding necessary education, experience, and training shall be subject to the grievance procedure, including arbitration. The employee may file the grievance at Step III within ten (10) working days of the date of being notified of the adverse decision.

9.3.3 Any employee entitled to an option noted above, which involves assignment to a lower classification, may elect to be placed on layoff in lieu of accepting such assignment to the lower class. In the event the employee elects to be placed on layoff, such employee will only be recalled to the classification from which the employee elected to be placed on layoff or to any higher classification to which the employee may be entitled pursuant to the provisions of this Article.

9.4 As used in this Article, the following words and phrases shall be defined as follows:

9.4.1 Except as otherwise provided above, seniority shall be defined as the length of continuous paid employment within any permanent class or classes within the classified service of the City. Seniority shall be retained, but shall not accrue, during any period of leave without pay, except for authorized military leave.

9.4.4 A position in a higher class shall mean a position in a class with a higher salary range.

9.5 Except as otherwise provided herein, no employee shall be entitled to a position in a higher class as a result of the application of the provisions of this Article.

9.6 Layoff Reinstatement Eligible List

9.6.1 The names of such persons who are laid off or who elect reassignment in lieu of layoff in accordance with the provisions of Section 9.3, Reassignment in Lieu of Layoff, of this Article shall be placed upon a Reinstatement Eligible List in inverse order of seniority, i.e., the person with the greatest seniority on the Reinstatement Eligible List for the classes affected shall be offered reinstatement when a vacancy exists in the affected class. In the event the person refuses the offer of reinstatement, such person's name shall be removed from the Reinstatement Eligible List, unless such person has reinstatement rights under the provisions of this Article to a higher class than the one in which the reinstatement is being refused.

- 9.6.2 In the event an employee accepts reinstatement to a lower class to which he/she is entitled, such person's name shall remain on the Reinstatement Eligible List for reinstatement to a lateral class, provided such person, except for lack of seniority, would have been otherwise entitled to such lateral class at the time of the most recent layoff.
- 9.6.3 Any person who is reinstated to a class which is the highest class to which he/she would have been entitled at the time of the layoff shall have his/her name removed from the Reinstatement Eligible List.
- 9.6.4 In the event a person on layoff cannot be contacted by the City through usual and customary channels, including, but not limited to emails, phone calls or regular mail within ten (10) working days, such person's name shall be removed from the Reinstatement Eligible List, providing, however, that such person within the three (3) year period specified herein may request that his/her name be replaced on the Reinstatement Eligible List and such person's name may, in the sole discretion of the Director of Human Resources or his/her designee, be returned to the Reinstatement Eligible List. It shall be the responsibility of each person placed on the Reinstatement Eligible list to notify the Department of Human Resources of changes in contact information including, but not limited to email address, phone number or mailing address.
- 9.6.5 In no event shall the names of any person laid off pursuant to the provisions of this Article remain on a Reinstatement Eligible List for a period longer than three (3) years from the effective date of such person's most recent layoff. If there are employees on a Reinstatement Eligible List, the City will review such list prior to contracting-out work, or hiring outside work, to determine if the work could be performed by someone on the Reinstatement Eligible List.
- 9.6.6 Upon reinstatement to any classification to which the employee is entitled pursuant to the provisions of this Article, all benefits acquired by the employee prior to his/her layoff shall also be reinstated. An employee shall not receive credit for time spent on layoff in computing time for any benefit entitlement.

ARTICLE 10 WAGES AND SPECIAL PAY

10.1 Salary Ranges/Additional Retirement Contributions

- 10.1.1 On-Going Additional Retirement Contributions. Effective June 27, 2010, all employees who are members of the Federated City Employees' Retirement System will make additional retirement contributions in the amount of **7.30%** of pensionable compensation, and the amounts so contributed will be applied to reduce the contributions that the City would otherwise be required to make for the pension unfunded liability, which is defined as all costs in both the regular retirement fund and the cost-of-living fund, except current service normal costs in those funds. This additional employee retirement contribution would be in addition to the employee retirement contribution rates that have been approved by the Federated City Employees' Retirement System Board. The intent of this

additional retirement contribution by employees is to reduce the City’s required pension retirement contribution rate by a commensurate **7.30%** of pensionable compensation, as illustrated below:

| Federated | | | |
|--|-------------|-----------------|--------------|
| | City | Employee | Total |
| Current Contribution Rates | 29.59% | 10.30% | 39.89% |
| Contribution Rates With Additional Employee Contributions | 22.29% | 17.60% | 39.89% |

Note: Additional contributions made by employees do not affect the retiree healthcare rates.

- 10.1.2 One-Time Additional Retirement Contributions (Fiscal Year 2010-2011). In addition to the retirement contributions specified above, effective June 27, 2010, through June 25, 2011, all employees will make an additional retirement contribution in the amount of **3.53%** of pensionable compensation, and the amounts so contributed will be applied to reduce the contributions that the City would otherwise be required to make during that time period for the pension unfunded liability, which is defined as all costs in both the regular retirement fund and the cost-of-living fund, except current service normal costs in those funds. This additional employee retirement contribution would be in addition to the employee retirement contribution rates that have been approved by the Federated City Employees’ Retirement System Board.
- 10.1.3 Treatment of Additional Employee Contributions. Both the on-going and the one-time additional retirement contributions shall be treated in the same manner as any other employee contributions. Accordingly, the intent of these additional payments will be made on a pre-tax basis through payroll deductions pursuant to IRS Code Section 414(h)(2) and will be subject to withdrawal, return and redeposit in the same manner as any other employee contributions.
- 10.1.4 Implementation of Additional Retirement Contributions and Missed Contributions. It is the intent of the parties that the employees pay the entire annual amount of the additional retirement contributions for the 2010-2011 Fiscal Year. Since the additional on-going and one-time employee contributions will not be implemented by June 27, 2010, when the additional employee contributions are implemented in the City’s payroll system the Finance Department will compute the rate that will generate the total amount of additional retirement contributions over the remaining pay periods in the fiscal year as if the contribution rate had been implemented on June 27, 2010.

For example, if the additional contributions do not begin until August 22, 2010 (pay period #18) the additional employee contributions for each of the subsequent pay periods in the 2010-2011 Fiscal Year will be recalculated by the Finance Department so that 100% of the additional employee contributions are made by the end of the fiscal year.

The parties understand that in order to implement this provision, an amendment must be made to the Federated City Employees' Retirement System that requires an ordinance amending the San Jose Municipal Code. In addition, the parties understand that the City will request that the Federated City Employees' Retirement System Board have its actuary confirm that an increase of the employee contribution will reduce the City's contribution rate by a commensurate amount.

- 10.1.5 Contingency Provision. In the event that the additional employee retirement contributions described above are not implemented for any reason by October 1, 2010, or the Federated City Employees' Retirement System Board's actuary concludes that the City's contribution rate could not be reduced by a commensurate amount, the equivalent amount of total compensation shall be taken as a base pay reduction and will increase on a pro-rata basis over the remaining pay periods in the fiscal year to achieve the equivalent total compensation reduction.

In the event that the additional employee retirement contributions described above are ceased for any reason thereafter, or the Federated City Employees' Retirement System Board's actuary concludes that the City's contribution rate could not be reduced by the commensurate amount after beginning such deductions, the equivalent amount of total compensation shall be taken as a base pay reduction.

- 10.1.6 Balance to Equal 10% of Total Compensation. Effective June 27, 2010 through June 25, 2011, all employees shall receive a **2.80%** temporary base pay reduction. This will result in the top and bottom steps of the range being **2.80%** lower.

10.2 Bilingual Pay

- 10.2.1 An employee must meet at least one of the following eligibility requirements and must be certified as bilingual for oral communication, written translation or sign language duties according to the current established procedure.

10.2.1.1 The employee is currently assigned to a position selectively certified based on bilingual ability by the Director of Human Resources, or his/her designee, or

10.2.1.2 The duties currently assigned and currently being performed by an employee have been designated by the Department Director or his/her designee as requiring utilization of a non-English language on a regular basis.

10.2.2 Each full-time employee who meets the above eligibility requirements shall be compensated for performing oral communication or sign language duties at the rate of \$29.00 per biweekly pay period and for performing written translation duties at the rate of \$40.00 per biweekly pay period for each pay period actually worked.

10.2.3 Each part-time employee who meets the above eligibility requirements shall be compensated for performing oral communication or sign language duties at the rate of \$19.00 per biweekly pay period and for performing written translation duties at the rate of \$30.00 per biweekly pay period for each pay period actually worked.

10.2.4 If an eligible employee is on paid leave for a period of one full pay period or more, the employee will not receive bilingual pay for that period.

10.3 Working in a Higher Classification

10.3.1 Upon specific written assignment by the Department Director, or his/her designated representative, with prior written approval, a full-time employee may be required to perform the duties of a full-time position in a higher classification. Such assignments shall be made to existing authorized positions that are not actively occupied due to the temporary absence of the regularly appointed employee.

10.3.2 As an alternative to making appointments to vacant positions, a Department may, upon the approval of the Office of the City Manager, assign an employee to work in a higher classification for a period of time not to exceed twelve (12) months. At the expiration of the assignment (not to exceed twelve months), the assigned employee shall return to his/her regular assignment. The Department may then request authorization to fill the position on a regular basis or return it to vacant status.

10.3.3 Employees specifically assigned in writing to duties of a higher classification as specified above shall be compensated at the rate in the salary range of the higher class, which is at least two (2) salary rates (steps) higher in the salary range schedule, approximately equal to five percent (5%) higher than the rate received by the employee in the employee's present class. The employee shall not receive the rate of compensation, however, unless the assignment is for a minimum of three (3) consecutive months.

10.4 Mileage Reimbursement Each employee of the City who is authorized by the Department Director or designee to use the employee's private automobile in the performance of the duties of the employee's position, shall be paid as a travel allowance for such use of his/her private automobile a "mileage reimbursement rate" consistent with the City's rate.

These plans are described in the City of San Jose Employee Benefits Handbook and in pamphlets available in the Human Resources Department.

11.3 Payment In-Lieu of Health and Dental Insurance

11.3.1 The purpose of the payment-in-lieu of health and/or dental insurance program is to allow employees who have double health and/or dental insurance coverage to drop the City's insurance and receive a payment-in-lieu.

11.3.2 Employees who qualify for and participate in the payment-in-lieu of health and/or dental insurance program will receive fifty percent (50%) of the City's contribution toward their health and/or dental insurance at the lowest cost single or family plan if the employee is eligible for family coverage. Employees who miss the thirty (30) day time limit after a qualifying event must wait until the next open enrollment period to enroll in the payment-in-lieu of insurance program. Enrollment in the payment-in-lieu of insurance program may be canceled by the employee only during the annual open enrollment period unless the employee loses alternate group coverage. Enrollment or cancellation during the open enrollment period will become effective the first pay period of the following calendar year.

- 11.3.6.1 Health Insurance To enroll in a City health insurance plan following loss of alternate coverage, the employee must pay all unpaid premiums (City and employee contributions) and refund any excess in-lieu payments required to make the coverage effective on the date when alternate coverage ceased. Re-enrollment in the plan shall be in accordance with the carriers' enrollment procedures.
- 11.3.6.2 Dental Insurance Enrollment in a City dental insurance plan following loss of alternate coverage will become effective the first of the month following payment of two dental premiums through the City's payroll process. Re-enrollment in the dental insurance plan shall not be retroactive.

ARTICLE 12 RETIREE HEALTHCARE FUNDING

12.1 The City and the Employee Organization agree to transition from the current partial pre-funding of retiree medical and dental healthcare benefits (referred to as the "policy method") to pre-funding of the full Annual Required Contribution (ARC) for the retiree healthcare plan ("Plan"). The transition shall be accomplished by phasing into fully funding the ARC over a period of five (5) years beginning June 28, 2009. The Plan's initial unfunded retiree healthcare liability shall be fully amortized over a thirty year period so that it shall be paid by June 30, 2039 (closed amortization). Amortization of changes in the unfunded retiree healthcare liability other than the initial retiree healthcare liability (e.g. gains, losses, changes in actuarial assumptions, etc.) shall be determined by the Plan's actuary. The City and Plan members (active employees) shall contribute to funding the ARC in the ratio currently provided under Section 3.28.380 (C) (1) and (3) of the San Jose Municipal Code. Specifically, contributions for retiree medical benefits shall be made by the City and members in the ratio of one-to-one. Contributions for retiree dental benefits shall be made by the City and members in the ratio of eight-to-three. When determining the contribution rates for the Plan, the Plan actuary shall continue to use the Entry Age Normal (EAN) actuarial cost method and a discount rate consistent with the pre-funding policy for the Plan as outlined in this Article.

12.2 The City and the Employee Organization further agree that the Municipal Code and/or applicable plan documents shall be amended in accordance with the above agreement and that the Employee Organization will support such amendments.

12.3 It is understood that in reaching this agreement, the parties have been informed by cost estimates prepared by the Federated City Employees' Retirement System Board's actuary

and that the actual contribution rates to reach full pre-funding of retiree healthcare will differ. The phase-in to the ARC shall be divided into five steps (using a straight line method), each to be effective on the first pay period of the City's fiscal year in each succeeding year. The first increment of the phase-in shall be effective on June 28, 2009. It is understood that because of changes resulting from future actuarial valuations, the amount of each increase may vary upward or downward. The City and Employee Organization agree that the Plan member cash contribution rate shall not have an incremental increase of more than .75% of pensionable pay in each fiscal year and the City cash contribution rate shall not have an incremental increase of more than .75% of pensionable pay in each fiscal year. For example, if the members' contribution rate is 4% of pensionable pay, the subsequent fiscal year's contribution rate for retiree healthcare cannot exceed 4.75% of pensionable pay. Notwithstanding the limitations on the incremental increases, by the end of the five year phase-in, the City and plan members shall be contributing the full Annual Required Contribution in the ratio currently provided under Section 3.28.380 (C) (1) and (3) of the San Jose Municipal Code.

- 12.4 The City will establish a qualified trust ("Trust") before June 27, 2010. Until such time as a Trust is established, the City and employee contributions under this agreement shall be made into the existing Medical Benefits Account for as long the contributions can be made into the Medical Benefits Account in accordance with IRS limitations. If the Trust is not established prior to reaching the IRS limitation, the parties agree to meet and discuss alternative funding vehicles.
- 12.5 It is the objective of the parties that the Trust created pursuant to this agreement shall become the sole funding vehicle for Federated retiree healthcare benefits, subject to any legal restrictions under the current plan, or other applicable law.

- 14.2 The requirements for safe working conditions are established and maintained under the California Occupational Safety and Health Act of 1973. Enforcement and rule-making authority is lodged with the Department of Industrial Safety. The Department of Industrial Safety has jurisdiction for inspection and enforcement of standards; therefore,

any disputes arising relating to employee safety will be exempted from the grievance procedure.

ARTICLE 15 PROBATIONARY PERIODS

- 15.1 Probationary Period Calculation Probationary periods shall not be less than six (6) months of actual service as determined by the Civil Service Commission. Actual service shall mean regular hours worked, paid holidays and up to 80 hours of other cumulative or consecutive paid or unpaid absences.
- 15.2 An employee's probationary period may be extended at the discretion of the City up to a maximum of six (6) months of actual and continuous service. The employee will be notified in writing of the length and reason for the extension.

ARTICLE 16 ANNUAL PERFORMANCE APPRAISAL

- 16.1 The purpose of the annual performance appraisal is to have formal communication between supervisor and employee regarding job performance. It is of value to both parties to have this process be meaningful and fair. Employees shall receive an annual performance appraisal.

ARTICLE 17 DISCIPLINARY ACTION

- 17.1 The City of San Jose discipline policy is described in City Policy Manual, Section 2.1.3. When the need for disciplinary action arises, disciplinary action will be taken commensurate with the seriousness of the offense. The levels of discipline include informal actions, which are oral counseling, documented oral counseling and written reprimand. Formal disciplinary actions are suspension, salary step reduction, demotion and dismissal.
- 17.2 Step Reduction: In addition to formal disciplinary actions of suspension, demotion, and dismissal, contained in the San Jose Municipal Code, the appointing authority may reduce an employee's salary. The salary may be reduced to no lower than the bottom of the salary range, and the amount and length of time of the salary reduction will be specified in the Notice of Intended Discipline. The salary may be reduced either for a specified period of time or until the condition which caused the salary reduction has been corrected. The employee may appeal this action, including the amount and the length of time, to the Civil Service Commission according to the same rules as apply to other formal disciplinary appeals.
- 17.3 No provision of this Article shall be subject to the grievance procedure of this Agreement. The appeal process for any disciplinary action shall only be those described in the San Jose Municipal Code and City Policy Manual, Section 2.1.3 and are not subject to the appeal through the grievance procedure of this Agreement.
