Date: Thursday, February 25, 2010
Time: 6:00 pm – 8:00 pm

Dear Neighbor:

The City of San Jose Planning Division would like to invite you to a community meeting for a proposed Planned Development Zoning in your area (see map). This meeting will include a presentation by the City of San Jose Planning staff on the Planned Development Zoning process and a presentation by the design team on the development of the project's character and amenities. Participants will be asked for their suggestions and comments in small break out sessions to be used by the design team for the creation of the Ohlone. This is the first of several community meetings in 2010 where input will be taken during the Planned Development Zoning and Permit phases of the planning process. We are very interested in your input on this proposal and encourage your attendance at this workshop. We will consider all comments during our evaluation of the proposal.

Proposal: Planned Development Zoning (PDC08-061) which would allow Mixed Use development, including up to 800 attached residential units and commercial uses on an 8.25 gross acre site located at the southwest corner of W. San Carlos and Sunol Streets within the Vasona Mixed Use Sub-Area of San Jose's Midtown Planned Community.
