Welcome

Councilmember Pam Foley, Council District 9

**Raania Mohsen, Disability Affairs Officer,
City Manager's Office of Administration, Policy
& Intergovernmental Relations**

Disability Affairs Update

- We heard from the community in 2022 – thank you!
- Council supported City Manager's Organizational Disability Assessment, and appropriated funding for a workplan to improve accessibility in City's programs and services.
- New Disability Affairs Officer - continue the assessment, gap analysis and propose recommendations in the next 18 months.

Phase 1 Workplan Objectives

1. Catalyze cultural change by building institutional awareness
 2. Support Disability Affairs organizationally
 3. Improve accessibility in five areas across departments:
 - I. Communications and information access
 - II. Community sensitivity
 - III. Physical access
 - IV. Employment access
 - V. Shared data collection
- Phase 2 objectives will be informed by outcomes achieved in Phase 1

Disability Inclusion Equity Pledge

- **Purpose: Establish framework to advance systemic change that normalizes inclusion and accessibility for people with disabilities**
- Provides context & formalizes City's commitment
- Modeled after County's pledge, *adapted by Michele Mashburn*
- *Reading of Pledge*
