## INFORMATION

The enclosed City Council District maps are transmitted to reflect the outcome of the recently completed *2011 Redistricting* process, which concluded with the Council's approval of the Redistricting Advisory Commission's recommended redistricting plan ("Plan B") on August 23, 2011 (<http://www.sanjoseca.gov/redistricting/2011redistricting.asp>).

In addition to these large-size maps, for your convenience, letter-size versions of the maps can be found on the City's website at [http://www.sanjoseca.gov/planning/data/council\\_dist/default.asp](http://www.sanjoseca.gov/planning/data/council_dist/default.asp) (also accessible from the "Council District Maps" item on the Quick Links menu of the redistricting website).

I also wish to inform you about a new redistricting website resource that will enable your constituents to quickly and easily determine the impacts of the *2011 Redistricting* process. This resource consists of a searchable, alphabetized list of approximately 250 streets (<http://www.sanjoseca.gov/redistricting/2011redistricting/streetlist.asp>) that were "moved" from one City Council District to another, with reference map links and staff contact information.
