City Manager's Office

Memorandum

TO: HONORABLE MAYOR
AND CITY COUNCIL

FROM: Ed Shikada

**SUBJECT: PROFILES OF CITY MANAGERS
HAVING SERVED SAN JOSE**

DATE: July 3, 2013

INFORMATION

For your information, I am sharing with you a link to a newsletter serving the professional city management community that we became aware of yesterday. This issue's feature story profiles city management in San José and the fifteen individuals who have served as city manager since 1916. The profiles were independently compiled by Trackdown Management Services, an organization that is committed to enhancing relationships with local governments and special districts while also interconnecting those who serve the public.

These historical profiles provide an interesting snapshot of the evolution of the role of city manager as San José has grown over the past century, and can serve as a useful historical reference for our organization and the community.
