## INFORMATION

The purpose of this memorandum is to provide Council with information on the League of California Cities Legislative Briefing on November 6, 2013.

Each year the League of California Cities (LOCC) provides a legislative briefing for city officials and staff at the end of the legislative session. This is an excellent opportunity to learn about new State legislation that has passed the legislature and was signed by the Governor and how it will affect cities. The briefing by the LOCC staff will also include their forecast for the State legislature in 2014, including efforts to increase transportation funding, lower local voter thresholds, the water bond, medical marijuana, labor and human resources and post-RDA infrastructure and development tools.

This year the LOCC's briefing will be held Wednesday, November 6, 2013, by live webinar from 9:30 a.m. to 11:00 a.m. The City Manager's Office will provide a bridge to the webinar at 9:30 a.m. in the T-1734 conference room. Please let us know if your office is interested in participating in the webinar. This information can also be accessed on the LOCC website at [www.cacities.org/events](http://www.cacities.org/events). Any handouts provided by the LOCC will be made available the day of the webinar.
