City Manager's Office

Memorandum

TO: HONORABLE MAYOR AND
CITY COUNCIL

FROM: Kim Becker Aguirre

SUBJECT: IMPLEMENTATION OF
CFC INCREASE

DATE: December 20, 2013

Approved

Date

12/20/13

INFORMATION

This memo is to inform the Council of the implementation of the Customer Facilities Fee and Customer Transportation Fee increase for On-Airport Rental Car Companies.

BACKGROUND

On November 11, 2011, Council approved Resolution No. 76048 which:

- (a) Imposed a customer facilities fee and customer transportation fee (collectively, "CFC") of \$6.00 per day, up to a maximum of five days per rental car contract effective December 1, 2011, for customers renting vehicles from On-Airport Rental Car Companies, for the purpose of paying the costs of the financing, design and construction of the Consolidated Rental Car Garage, and the costs of providing a common-use transportation system to transport rental car customers between Terminal A and the Consolidated Rental Car Garage.
- (b) Approved increasing the CFC from \$6.00 to \$7.50 per day, effective January 1, 2014.

UPDATE

The Customer Facilities Fee and Customer Transportation Fee (collectively, "CFC") will increase from \$6.00 per day, up to a maximum of five days per rental car contract to \$7.50 per day, up to a maximum of five days per rental car contract effective January 1, 2014.

The CFC will continue to pay the costs of the financing, design and construction of the Consolidated Rental Car Garage. The rental car companies operating in the Consolidated Rental Car Garage have been notified of the impending CFC increase and support the action.
