INFORMATION

The purpose of this memorandum is to provide Council with information on the League of California Cities Legislative Briefing on November 17, 2015.

Each year the League of California Cities (LOCC) provides a legislative briefing for city officials and staff at the end of the legislative session. This is an excellent opportunity to learn about new State legislation that has passed the legislature and was signed by the Governor and how it will affect cities. It will include legislation focusing on marijuana regulation, transportation, economic development, land use, water, employee relations along with other legislative developments affecting the state and local governments.

This year the LOCC's briefing will be held Tuesday, November 17, 2015, by live webinar from 10:00 a.m. to 11:30 a.m. The City Manager's Office will provide a bridge to the webinar at 10:00 a.m. in the T-1654 conference room. Please let us know if your office is interested in participating in the webinar. This information can also be accessed on the LOCC website at www.cacities.org/events. Any handouts provided by the LOCC will be made available the day of the webinar.
