INFORMATION

The League of California Cities (LOCC) will provide a "Summer Recess/End of Session Webinar" on Tuesday, August 11 at 10:00 a.m. to 11:30 a.m. As the Legislature enters the last few weeks of the first year of the 2015-16 Legislative Session, the LOCC's legislative team will provide a legislative briefing that is intended to help city officials focus on efforts to protect local authority and voice support and opposition on key bills. LOCC staff will provide a summary of key legislation including the areas of transportation, land use, water, economic development, employee relations and public safety bills.

The City Manager's Office will provide a bridge to the webinar at 10:00 a.m. in the T-1654 conference room. Please let us know if your office is interested in participating in the webinar. Please RSVP your attendance by August 7 so that we can have handouts available for you. For any additional assistance, please contact Jessica Lowry at 408-535-8148.
