## INFORMATION

The League of California Cities (LOCC) will provide a "Summer Recess/End of Session Webinar" on Thursday, July 7 at 10:00 a.m. to 11:30 a.m. As the Legislature enters the last few weeks of the second year of the 2015-16 Legislative Session, the LOCC's legislative team will provide a legislative briefing that is intended to help city officials focus on efforts to protect local authority and voice support and opposition on key bills. LOCC staff will provide a summary of key legislation including the Governor's "By right" proposal, revenue and taxation, housing, stormwater and solid waste, marijuana regulation implementation, and mandated employee orientation bills.

The City Manager's Office will provide a bridge to the webinar at 10:00 a.m. in the T-1654 conference room. Please let us know if your office or your City Department is interested in participating in the webinar. Please RSVP your attendance by July 6, 2016 so that we can have handouts available for you.
