Our Values

Our work is rooted in core Jewish values reminding us that we have an obligation to build a better world. These values inform how we work with each other, our clients and our community.

Repairing the World -Tikkun Olam - תיקון עולם – Central to our work is the belief that we have a responsibility through action to make the world more just, peaceful, tolerant, and equal.

Welcoming the Stranger -Yadatem Et-Nefesh HaGer- ידעתם את-נפש הגר – Our history reminds us that we “were once strangers in the land of Egypt” and must welcome and support those in need.

Respect and Dignity For All – K'vod Habriyot - כבוד הבריות – Each human being is created in the divine image and deserves to be treated with respect, dignity and compassion regardless of age, creed, color, sexual orientation or religious beliefs.
