PART I: OVERVIEW AND FUNDING PROCESS

1. WHAT IS BEAUTIFYSJ?

The City of San José (“City”) is committed to supporting residents in their efforts to beautify their neighborhoods and create a cleaner and more vibrant San José. The mission of the BeautifySJ Grant Program is to support residents’ efforts at reclaiming their public space and to empower residents to aesthetically demonstrate their pride in our City. The City believes that the power to shape the future of our neighborhoods lies in strengthening the civic participation of our residents.

The grant program will provide financial support to projects that will:

- Collectively create a cleaner, safer, and more vibrant City;
- Build or strengthen the neighborhood organization;
- Address issues important to neighborhood quality of life by creating more engaged neighborhoods;
- Improve neighborhood conditions through beautification;
- Engage with neighbors to reduce trash, graffiti, and other sources of blight.

For more information on the #BeautifySJ Initiative, visit www.beautifysj.org.

2. SUMMARY OF THE RFQ

This Request for Qualifications (RFQ) is administered by the Department of Parks, Recreation and Neighborhood Services, and is designed to provide qualified neighborhood groups and residents with grant funding to financially support for projects in accordance with the BeautifySJ mission listed above. Qualified neighborhood groups will be placed on the “Eligible Service Provider List” for a maximum of 3 years. Inclusion on the Eligible Service Provider List does not guarantee that the neighborhood group will be selected for grant funding or to perform services for the City. The City will select neighborhood groups from the Eligible Service Provider List when making grant awards on an annual basis. Please refer to Part I, Sections 7 & 9 for details about the process for awarding funds.

The current total funding for the BeautifySJ Cycle 6 is \$349,924. The total funding available for subsequent years will be approved and appropriated by the City Council on an annual basis prior to the start of the City’s fiscal year (July 1).

Neighborhood groups interested in being included in the Eligible Service Provider List must submit a proposal by the proposal deadline and be in good standing with the City of San Jose, which includes being in compliance for BeautifySJ Grant Cycles 1-4 at the time of proposal deadline.

Previously funded organizations/groups must be in good standing and not in arrears with the City of San José. Past performance demonstrated by proposing groups under this grant program will be considered as part of the proposal rating and other factors used to determine awards.

All costs associated with responding to this proposal request are the applicant(s)' responsibility.

C. Awards in Years 2 & 3

The City reserves the right to abstain from entering into contract with an organizations/group for any reason. Organizations/groups that are awarded in Years 2 and 3 must be in good standing and not in arrears with the City at the time of RFP deadline.

10. GROUNDS FOR DISQUALIFICATION

All applicants are expected to have read and understood "Procurement and Contract Process Integrity and Conflict of Interest," Section 7 of the Consolidated Open Government and Ethics Provisions, adopted on August 26, 2014. A complete copy of Resolution 77135 can be found at:

<https://www.sanjoseca.gov/home/showdocument?id=19565>.

Any applicant who violates the Policy will be subject to disqualification. Generally, the grounds for disqualification include:

- Contact regarding this application packet with any City official or employee or evaluation team other than the specified BeautifySJ contact listed on the table of content of this application packet, from the time of issuance of this solicitation until the end of the protest period;
- Evidence of collusion, directly or indirectly, among proposers in regard to the amount, terms, or conditions of this proposal;
- Influencing any City staff member or evaluation team member throughout the solicitation process, including the development of specifications;

- Evidence of submitting incorrect information in the response to a solicitation or misrepresenting or failing to disclose material facts during the evaluation process;
- In addition to violations of the Process Integrity Guidelines, the following conduct may also result in disqualification:
- Offering gifts or souvenirs, even of minimal value, to City officers or employees;
- Existence of any lawsuit, unresolved contractual claim, or dispute between proposer and the City;
- Evidence of applicant's inability to successfully complete the responsibilities and obligations of the proposal. Past performance history will be taken into consideration;
- Applicant's default under any City agreement, resulting in termination of such Agreement.

11. PUBLIC NATURE OF PROPOSAL MATERIAL

All correspondence with the City, including responses to this Funding Opportunity, will become the exclusive property of the City and will become public record under the California Public Records Act (Cal. Government Code section 6250 et seq.). All documents that are sent to the City will be subject to disclosure if requested by a member of the public. There are a very limited number of narrow exceptions to this disclosure requirement.

Therefore, any proposal which contains language purporting to render all or significant portions of their proposal "Confidential," "Trade Secret" or "Proprietary," or fails to provide the exemption information required as described below, will be considered a public record in its entirety. Do not mark your entire proposal as "Confidential."

The City will not disclose any part of any proposal before it announces a recommendation for award, on the grounds that there is a substantial public interest in not disclosing proposals during the evaluation process. After the announcement of a recommended award, all proposals received in response to this Funding Opportunity will be subject to public disclosure. If you believe that there are portions of your proposal which are exempt from disclosure under the Public Records Act, you must mark it as such and state the specific provision in the Public Records Act which provides the exemption as well as the factual basis for claiming the exemption. For example, if you submit trade secret information, you must plainly mark the information as "Trade Secret" and refer to the appropriate section of the Public Records Act which provides the exemption as well as the factual basis for claiming the exemption.

Although the California Public Records Act recognizes that certain confidential trade secret information may be protected from disclosure; the City of San José may not be in a position to establish that the information that an applicant submits is a trade secret. If a request is made for information marked "Confidential," "Trade Secret" or "Proprietary," the City will provide applicants who submitted the information with reasonable notice to seek protection from disclosure by a court of competent jurisdiction.
