The Park features the world's largest full pipe and world's tallest vertical wall along with mini bowls, a street course, rails and more! The bike park portion consists of a dual slalom track, beginner & advanced pump track, plus dirt jumps with slope style features. Weekly summer sessions are being offered for beginner level riders ages 6 – 13 years old. Instructional skateboarding, BMX, dirt jumping, and scootering lessons will also be offered.

Campers will also have the opportunity to explore the broader Regional Park and its many offerings for group games and tons of fun activities! We're looking forward to showing you everything this unique park has to offer. Camp participants must bring their own cold lunch, snacks, drinks, water bottles, and wear comfortable shoes.
