Independent Auditor's Report

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of San José, California (the City), as of and for the year ended June 30, 2011, and have issued our report thereon dated November 30, 2011.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with the accounting and financial reporting provisions of Section 5.2 of the Improvement Agreement between the San José-Santa Clara Clean Water Financing Authority, the City of Santa Clara, and the City, dated July 1, 1982, as amended and supplemented. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance.

This report is intended solely for the information and use of the San José-Santa Clara Clean Water Financing Authority's Governing Board, the City of Santa Clara, and the City, and is not intended to be and should not be used by anyone other than these specified parties.
