MANAGER'S BUDGET ADDENDUM #21

Memorandum

TO: HONORABLE MAYOR AND

CITY COUNCIL

FROM: Nanci Klein

SUBJECT: PROPOSED 2024-2025 ARTS

DATE: May 29, 2024

AND CULTURAL DEVELOPMENT

GRANTS

Approved

Date: 5/29/24

BACKGROUND

Fifteen percent (15%) of the total annual Transient Occupancy Tax (TOT) revenue is allocated to fund cultural arts programs and operations of the Office of Cultural Affairs (OCA) division of the Office of Economic Development and Cultural Affairs. Per the Municipal Code, allowable uses include arts programs, grants, services, and OCA operating costs (including personal, administration, and public art maintenance). Grant awards are determined each year based on projected TOT revenues and a competitive application-based peer review process.

As outlined in the 2024-2025 Proposed Operating Budget, projected TOT revenue remains lower compared to the historic high levels immediately preceding the COVID-19 pandemic. The projected baseline allocation for arts and cultural grants and programs totals \$3.65 million for 2024-2025, supplemented by one-time funding of \$500,000 from the General Fund, as directed in the Mayor's March Budget Message for Fiscal Year 2024-2025, as approved by the City Council. Accordingly, 2024-2025 grant recommendations reflect this baseline TOT allocation and General Fund supplement and are consistent with overall 2023-2024 funding allocations (\$4.14 million) to continue supporting the recovery of the arts and cultural sector. The purpose of this memorandum is to outline the recommended grant awards in the 2024-2025 *Cultural Funding Portfolio: Investments in Art, Creativity, and Culture.*

ANALYSIS

Each year, in tandem with developing the Proposed Operating Budget, OCA develops recommendations for allocating funds for arts and culture grants. Among the most significant OCA programs are the competitive grant programs comprising the *Cultural Funding Portfolio*:

¹ Combined 2024-2025 allocations total \$6.5 million, matching the amount appropriated in 2023-2024 to help mitigate the pandemic's lingering negative impact on TOT revenues and funding for arts and culture partners. This total includes the baseline TOT allocation (\$3.65 million), rebudgeted savings from 2023-2024 (\$1.50 million), use of the Cultural Grants Reserve set aside for this purpose in the TOT Fund (\$850,000), and supplemental allocation from the General Fund (\$500,000). Funds support all OCA-managed initiatives, which include the arts and cultural development grants recommended in this Manager's Budget Addendum.

Investments in Art, Creativity, and Culture. These include operating grants, festivals, parade and celebration grants, and participation in grant programs. These grant programs promote artistic vibrancy, economic development, and cultural diversity in San José. These grants also support broad-based, community-wide participation in a wide range of arts experiences across San José, including expressions of multicultural traditions of San José's diverse population.

OCA releases annual guidelines and criteria for its grant programs that comprise the *Cultural Funding Portfolio*. Notices of the grant opportunities are publicized through multiple channels, including the City's website, OCA's contact list and social media channels, community partners, and several local newspapers published in English, Spanish, and Vietnamese. Each spring, peer review panels evaluate and score applications based on the guidelines and criteria. Peer review panels are open to the public and comprise a diverse mix of Arts Commissioners, multidisciplinary nonprofit arts and culture professionals, and community representatives. The grant applications for these programs are accepted in January/February, with public grant review panels held in March, leading to grant recommendations to the Arts Commission in May that the City Council votes on as part of the City's Operating Budget.

Of the 105 recommended grant awards for 2024-2025 listed in the **Attachment**, 52 (49%) are for organizations, programs, or events specifically serving San Jose's BIPOC (Black, Indigenous, People of Color) communities. This reflects a 2% increase compared to 2023-2024 arts and culture grants (47%).

Arts and Culture Sector's Continued Economic Recovery

San José's arts and culture sector continues to face challenges to recover from the ramifications of the pandemic fully. While many San José residents are engaging in arts and cultural offerings and events, audiences still have not returned to arts and cultural venues at pre-pandemic levels. Despite audiences returning to engage in the cultural public life of San José, earned revenue is still down for many arts and cultural organizations. These local trends reflect national trends, particularly in performing arts fields like live theater.

The \$4.15 million in proposed art and culture grants across the three programs reflect a continued level of investment relative to 2023-2024, leveraging one-time support from the General Fund. Additionally, any savings from 2023-2024 cultural grants and programs (including administration) allocations are expected to be rebudgeted to 2024-2025 as part of the 2023-2024 Annual Report, carrying forward previously committed funding to reinvest into the San José arts and culture sector and supplement reserves to sustain that level of investment. In concert with grant and programmatic funding, OCA will continue providing technical assistance to support the continued recovery of the arts and cultural ecosystem.

Arts Commission Recommendation

At its May 20, 2024 meeting, the Arts Commission reviewed the proposed 2024-2025 grant recommendations under OCA's *Cultural Funding Portfolio*. The Arts Commission recommends
