

## Memorandum

**TO:** HONORABLE MAYOR AND **FROM:** Jim Shannon

CITY COUNCIL

SUBJECT: RECOMMENDED AMENDMENTS DATE: May 31, 2024

TO THE 2024-2025 PROPOSED OPERATING AND CAPITAL

**BUDGETS** 

Approved Date: 6/1/2024

#### **RECOMMENDATION**

It is recommended that the City Council:

1. Approve amendments to the 2024-2025 Proposed Operating and Capital Budgets as described in the Recommended Budget Adjustments and Recommended Clean-Up/Rebudget Actions Attachment that includes modifications to several City Operating and Capital Funds. Following are the total adjustments by fund:

| 001 | General Fund  | 511,434,641 |
|-----|---|-------------|
| 452 | Affordable Housing Impact Fee Fund                      | 3,000,000   |
| 520 | Airport Capital Improvement Fund                        | 10,406,000  |
| 527 | Airport Renewal and Replacement Fund                    | 78,624,000  |
| 526 | Airport Revenue Bond Improvement Fund                   | 5,499,375   |
| 160 | Benefits Funds - Benefit Fund                           | 722,000     |
| 456 | Building Homes and Jobs Act Fund                        | (1,050,406) |
| 472 | Branch Libraries Bond Projects Fund                     | 2,325,000   |
| 429 | Building and Structure Construction Tax Fund            | 11,091,000  |
| 239 | Citywide Planning Fee Program Fund                      | 464,000     |
| 397 | Communications Construction and Conveyance Tax Fund     | 1,557,000   |
| 441 | Community Development Block Grant Fund                  | 5,233,201   |
| 465 | Construction Excise Tax Fund                            | 11,060,000  |
| 536 | Convention and Cultural Affairs Fund                    | (580,000)   |
| 798 | Convention Center Facilities District Capital Fund      | 1,528,000   |
| 377 | Council District 1 Construction and Conveyance Tax Fund | 2,057,000   |
| 378 | Council District 2 Construction and Conveyance Tax Fund | 170,000     |
| 380 | Council District 3 Construction and Conveyance Tax Fund | 183,000     |
| 381 | Council District 4 Construction and Conveyance Tax Fund | 427,000     |
| 382 | Council District 5 Construction and Conveyance Tax Fund | 1,418,000   |
| 384 | Council District 6 Construction and Conveyance Tax Fund | 1,242,000   |
| 385 | Council District 7 Construction and Conveyance Tax Fund | 937,000     |
| 386 | Council District 8 Construction and Conveyance Tax Fund | 400,000     |

Subject: Recommended Amendments to the 2024-2025 Proposed Operating and Capital Budgets

| 462 | Lake Cunningham Fund                                       | 186,000     |
| 393 | Library Construction and Conveyance Tax Fund               | 2,317,667   |
| 346 | Low And Moderate Income Housing Asset Fund                 | 21,777,708  |
| 502 | Major Facilities Fund                                      | 3,577,000   |
| 448 | Multi-Source Housing Fund                                  | 14,788,121  |
| 518 | Municipal Golf Course Fund                                 | (3,300,000) |
| 398 | Park Yards Construction and Conveyance Tax Fund            | 1,173,000   |
| 471 | Parks and Recreation Bond Projects Fund                    | 878,000     |
| 390 | Parks Central Construction and Conveyance Tax Fund         | 393,000     |
| 391 | Parks City-Wide Construction and Conveyance Tax Fund       | 2,685,000   |
| 498 | Public Safety and Infrastructure Bond Fund - Public Safety | 1,862,000   |
| 241 | Public Works Development Fee Program Fund                  | 3,510       |
| 150 | Public Works Program Support Fund                          | 5,664       |
| 404 | Real Property Transfer Tax Fund                            | 131,450,833 |
| 450 | Rent Stabilization Program Fee Fund                        | 200,000     |
| 501 | San José Clean Energy Operating Fund                       | 3,582,000   |
| 512 | San José-Santa Clara Treatment Plant Capital Fund          | 44,370,000  |
| 513 | San José-Santa Clara Treatment Plant Operating Fund        | 1,258,566   |
| 540 | Sanitary Sewer Connection Fee Fund                         | 11,000      |
| 395 | Service Yards Construction and Conveyance Tax Fund         | 5,604,000   |
| 545 | Sewer Service and Use Charge Capital Improvement Fund      | 4,750,000   |
| 541 | Sewer Service And Use Charge Fund                          | 5,726,373   |
| 570 | South Bay Water Recycling Operating Fund                   | 510,568     |
| 469 | Storm Sewer Capital Fund                                   | 1,262,000   |
| 446 | Storm Sewer Operating Fund                                 | 6,119,008   |
| 375 | Subdivision Park Trust Fund                                | 8,088,000   |
| 414 | Supplemental Law Enforcement Services Fund                 | 2,988,598   |
| 416 | Underground Utility Fund                                   | 26,000      |
| 552 | Vehicle Maintenance And Operations Fund                    | 10,305,066  |
| 500 | Water Utility Capital Fund                                 | 2,294,000   |
| 515 | Water Utility Fund   | 22,263      |
|     | -  |             |

TOTAL \$972,064,521

Subject: Recommended Amendments to the 2024-2025 Proposed Operating and Capital Budgets

Page 3

#### 2. Approve the following position changes:

- a) Office of the City Manager:
  - Add 1.0 Assistant to the City Manager position through June 30, 2025
- b) Parks, Recreation, and Neighborhood Services Department:
  - Add 4.0 Maintenance Assistant positions and delete 6.35 Maintenance Assistant PT positions
  - Add 0.75 Senior Recreation leader PT position and delete 1.0 Senior Recreation Leader position

#### **BACKGROUND**

Each year, the Administration brings forward recommended adjustments to the Proposed Operating and Capital Budgets to ensure funding is carried over from the current year to the following year to complete projects and programs, recognize additional grants and reimbursements, revise budget allocations based on updated information, and correct errors in the Proposed Budgets. All appropriations automatically lapse at the end of each fiscal year, and all unspent funds become part of the following year's Beginning Fund Balance. Therefore, without City Council action to rebudget appropriations, funds budgeted in 2023-2024 for various programs and projects would be unavailable during 2024-2025.

It should be noted that a small number of rebudgets included in this memorandum are contingent upon City Council approval of 2023-2024 budget actions that will be included in the Recommended 2023-2024 Budget Actions memorandum scheduled for City Council consideration on June 18, 2024. If any of those recommendations are not approved, the budget actions contained in this memorandum will be adjusted accordingly as part of the 2023-2024 Annual Report.

All actions included in the Recommended Budget Adjustments and Recommended Clean-Up/Rebudget Actions Attachment are supported through net-zero adjustments or additional funding sources. The majority of additional funding is generated from carryover 2023-2024 funding (Beginning Fund Balance) or new grant or reimbursement-related revenue. The Attachment details the source of funding for each activity/project. For items rebudgeted from 2023-2024, the funding source is typically Beginning Fund Balance.

Subject: Recommended Amendments to the 2024-2025 Proposed Operating and Capital Budgets

Page 4

#### **ANALYSIS**

The amendments recommended for approval in this report are reflected in two categories: Recommended Budget Adjustments and Recommended Clean-Up/Rebudget Actions. For each of these categories, the transactions are detailed by the General Fund and by Special/Capital Funds.

#### Recommended Budget Adjustments Summary

Section I of the Attachment includes each recommended budget adjustment and a corresponding description. The budget adjustments primarily reflect the following:

- Budget adjustments identified after the 2024-2025 Proposed Operating and Capital Budgets were released. These adjustments include, but are not limited to, recent grant awards, revised revenue and expenditure amounts based on updated information, and a reallocation of positions and resources between budgeted funds.
- Changes to project budgets to reflect revised schedules.
- Actions to correct errors in the 2024-2025 Proposed Operating and Capital Budgets.

A few notable adjustments – offset by grant revenue – to the Proposed Operating Budget including increasing the allocation of funds to the 2023-2024 Board of State and Community Corrections Organized Retail Theft Grant Program City-Wide Expenses budget (\$2.8 million) to prevent and address organized retail crimes; the CaliforniansForAll Youth Workforce Program - Climate Change Pathway (\$2.4 million); East Side Union High School District (ESUHSD) Community WiFi Network Maintenance City-Wide Expenses budget (\$725,500) to provide funding for WiFi network maintenance for James Lick High School, Yerba Buena High School, William C. Overfelt High School, Independence High School, Andrew P. Hill High School, Oak Grove High School, Mt. Pleasant High School, and Silver Creek High School attendance areas; and the Community Forest Investment Project – Transportation City-Wide Expenses budget (\$526,500) for contractual services to support the effort to plant and maintain trees in historically disadvantaged communities in the City by updating San José's street tree inventory, performing community outreach, pruning 5,000 street trees, planting 2,800 trees, and performing after care for new trees.

A few notable adjustments to the Proposed Capital Budget include increasing the allocation of funds to the Airfield Configuration Updates (\$1.3 million), Avenues School Safety Improvements (\$1.0 million), and Quiet Zone (\$1.0 million) projects. The Airfield Configuration Updates project funds will cover expenses related to the Taxiway V Phase II. The project funds multiple phases of the design and construction of airfield runway and taxiway improvements. The Avenues School Safety Improvements project will provide funding for design work and construction of safety enhancements at the intersection of Race Street and Parkmoor Avenue by reconfiguring the roadway, traffic signals, and railroad crossing devices. The intersection has a high rate of train collisions with pedestrians and bicyclists, and is adjacent to the Race Light Rail Station, a high density neighborhood, and two schools.

Subject: Recommended Amendments to the 2024-2025 Proposed Operating and Capital Budgets

Page 5

The Quiet Zone project will provide funding for the Auzerais Sidewalk project which consists of closing a commercial driveway on the south side of Auzerais Avenue and installation of a new driveway for the property. In addition, the City will also fill part of the sidewalk gap on the block and add a crosswalk across Auzerais Avenue so that pedestrians traveling east-west between Lincoln Avenue and Sunol Street can have a continuous path of travel.

#### Recommended Clean-Up/Rebudget Actions

Section II of the Attachment includes all budget adjustments discussed in Section I, as well as all recommended clean-up and rebudget actions. The majority of items in the clean-up/rebudget category are rebudgets that carryover 2023-2024 funding to 2024-2025 to ensure previously approved projects or other expenditure items can be completed next year or to ensure reserve funding is in place next year. It is important to note that the final reconciliation of all the recommended rebudget actions will be brought forward as part of the 2023-2024 Annual Report that will be released at the end of September 2024. Reasons that projects or activities may require rebudgets include, but are not limited to:

- The need to allow for the completion of projects or grants programs over a multi-year period.
- Delays due to vacant positions, inter-agency efforts that are more complex than originally envisioned, or projects that encounter unforeseen conditions during design or construction.
- Grant funds awarded later in 2023-2024 that could not be expended by the end of the fiscal year.
- Rebudgeting of General Fund Earmarked Reserves that are expected to remain unspent through June 30, 2024 and need to be carried over into next year.

Section II also includes the following adjustments:

- **Technical Adjustments** These actions correct errors or align revenues and/or expenditures among appropriations and funds for previously approved budget actions.
  - Mayor and City Council Salaries reallocates funds from the Salaries and Benefits Reserve in the General Fund (\$271,890) to the individual office budgets of the Mayor and each City Councilmember to account for the salary increases approved by the Salary Setting Commission. Due to the late notice of the decision on April 17, 2024, the cost of the increased salaries were included in the Salaries and Benefits Reserve, but could not be allocated into each individual office budget in time for release of the 2024-2025 Proposed Operating Budget.
  - **Funding Reallocation** reallocates funds for the same purpose that was previously approved by City Council to another appropriation or fund to align funding with an appropriation best suited for the intended use or align funds to the appropriate funding source.

Subject: Recommended Amendments to the 2024-2025 Proposed Operating and Capital Budgets

Page 6

- Measure E – reallocates unencumbered Measure E funds received in prior years from the General Fund to the Real Property Transfer Tax Fund, which is newly established in 2024-2025 Proposed Operating Budget. For ease of administration and transparency, all future revenues and expenditures related to Measure E will be included in the Real Property Transfer Tax Fund.

This memorandum includes the net reduction of 1.6 positions. In the Office of the City Manager, 1.0 Assistant to the City Manager, currently engaged as temporary staff budgeted through June 30, 2024, is recommended through June 30, 2025, funded partially the Climate and Seismic Resilience Planning and the 2023-2026 Adaption Planning Grant City-Wide Expenses allocations in the General Fund, and within the San José Clean Energy Operating Fund to continue to assist with the implementation of the City Infrastructure Strategy.

In the Parks, Recreation, and Neighborhood Services (PRNS) Department, actions are recommended to add 4.0 Maintenance Assistant and 0.75 Senior Recreation Leader PT, and delete 6.35 Maintenance Assistant PT and 1.0 Senior Recreation Leader. The reallocation of Maintenance Assistant part-time positions to Maintenance Assistant full-time positions will result in the Department's ability to manage more effectively the Parks Maintenance routes. In addition, PRNS has observed that Maintenance Assistant PT positions continue to be difficult to fill and the most recent recruitment conducted in spring 2023 yielded only 25 candidates interested in part-time positions; however, PRNS needs to recruit over 45 candidates to fully staff the budgeted positions assigned to various Park District teams. Finally, the addition of the Senior Recreation Leader PT and deletion of the Senior Recreation Leader recommendation is to reverse an action that was inadvertently included in the 2024-2025 Proposed Operating Budget.

JIM SHANNON Budget Director

| role with one of the team's responsibilities being city-wide | 9                     |               |                |
| grant tracking and reporting. A corresponding increase       |                       |               |                |
| to the Finance Department's Non-Personal/Equipment           |                       |               |                |
| allocation is recommended to offset this action.             |                       |               |                |
| Municipal Electric Utility Service Exploration               | Energy Department     | \$200,000     | -              |

**Expenditure** 

This action establishes the Municipal Electric Utility Service Exploration City-Wide Expenses allocation in the amount of \$200,000. Last October, the City Council directed staff to investigate whether it would be feasible for the City to offer municipal electric utility services in select areas. Pursuant to that direction. City staff are developing a business case, staffing model, and financing plan to explore the answers to key questions about feasibility and desirability. This budget action allocates one-time funding of \$200,000 to be spent over a two-year period to continue evaluating the development and operational feasibility of a City-owned electric transmission and distribution system to continue this work. Staff will return to the City Council with their analysis and for further direction in 2025. A corresponding decrease to the Climate and Seismic Resilience Planning City-Wide Expenses allocation, which supports the implementation of the City Infrastructure Strategy, including the workstream related to electrical service within the Clean Energy Resilience Objective, is recommended to offset this action.

| Action   | <u>Department</u>             | Expenditure<br>Change | Revenue Change |
|--|-------------------------------|-----------------------|----------------|
| Non-Personal/Equipment (Webgrants System Software Licenses)  | Finance Department            | \$16,750              | -<br>-         |
| This action increases the Finance Department's Non-Personal/Equipment allocation by \$16,750 for the Webgrants system software contract costs. Webgrants the Citywide online grant management system that is currently managed by the Office of Economic Development and Cultural Affairs (OEDCA), and will be reallocated to the Finance Department to be managed by the Disaster Recovery and Grants Management team. The Disaster Recovery and Grants Management team was permanently established as part of the 2023-2024 Adopted Budget and one of the responsibilities of the team is to manage all grants tracking and reporting citywide. The ongoing service costs associated with this software will be included as part of the development of the 2025-2026 Base Budget. A corresponding decrease to OEDCA's Non-Personal/Equipment allocation is recommended elsewhere in this memorandum to offset this action. | y                             |                       |                |
| Personal Services (IAFF Bargaining Union Contract Agreement)   | Fire Department               | \$8,450,000           | -              |
| This action increases the Fire Department's Personal Services allocation by \$8.45 million to reflect the negotiated general wage increase included in the tentative agreement between the City and the International Association of Fire Fighters, Local 230 (IAFF) bargaining union. The agreement will go to City Council for approval on June 11, 2024 for the term July 2024 through June 30, 2027. This action will allocate the general wage increase for 2024-2025 and is offset by a decrease to the Salaries and Benefits Reserve as recommended elsewhere in this memorandum.   | e                             | Ф121 <b>45</b> 0 000  |                |
| Transfer to the Real Property Transfer Tax Fund  This action increases the Transfer to the Real Property   | Housing Department            | \$131,450,833         | -              |
| Transfer Tax Fund by \$131,450,833, from \$4.0 million to \$135.5 million, to transfer the projected 2023-2024 remaining Measure E budget from the General Fund to the Real Property Transfer Tax Fund. This funding is reserved to complete City Council approved projects for affordable housing, homelessness prevention, and homeless support.   |                               |                       |                |
| Climate and Seismic Resilience Planning  | Office of the City<br>Manager | (\$200,000)           | -              |
| This action decreases the Climate and Seismic Resilience Planning City-Wide Expenses appropriation by \$200,000, from \$1.3 million to \$1.1 million. This funding will be reallocated to the Municipal Electric Utility Service Exploration City-Wide Expenses allocation to support an energy resiliency feasibility study.  | <i>(</i>                      |                       |                |

|---|--|----------------------------|----------------|
| This action adds 1.0 Assistant to the City Manager position through June 30, 2025, funded partially by the Climate and Seismic Resilience Planning and the 2023-2026 Adaption Planning Grant City-Wide Expenses allocations and the San José Clean Energy Operating Fund to assist with the implementation of the City Infrastructure Strategy, with 16 workstreams advancing Disaster-Ready & Climate Smart, Transportation & Aviation, Clean Energy Resilience, Water Resilience, and Natural Environment Restoration; municipal electrification and electrical vehicle infrastructure; and consultant services for stormwater-related activities including new revenue options. This position will also facilitate coordination on the Shoreline Levee to protect North San José from sea-level rise and help develop the City's Climate Adaptation and Resilience Plan. | 1  |                            |                |
| Salaries and Benefits Reserve   | Office of the City<br>Manager                | (\$8,450,000)              | -              |
| This action decreases the Salaries and Benefits Reserve by \$8.45 million to reallocate funding to the Fire Department's Personal Services allocation for the negotiated general wage increase included in the tentative agreement between the City and the International Association of Fire Fighters, Local 230 (IAFF) bargaining union. The tentative agreement will go to City Council for approval on June 11, 2024 for the term July 1, 2024 through June 30, 2027. The corresponding action to increase the Fire Department's Personal Services allocation, as recommended elsewhere in this memorandum, will allocate the general wage increase for 2024-2025.  | 1  |                            |                |

| This action deletes 1.0 Senior Recreation Leader and adds 0.75 Senior Recreation Leader PT position to reverse position actions that were inadvertently included in the 2024-2025 Proposed Operating Budget.  | Services Department                          |                            |                |

#### Action

Personal Services (Parks Maintenance Staffing)

This action adds 4.0 Maintenance Assistant and deletes 6.35 Maintenance Assistant PT positions to manage more effectively the Parks Maintenance routes. PRNS has observed that Maintenance Assistant PT positions continue to be difficult to fill. The most recent recruitment conducted in the spring of 2023 yielded only 25 candidates interested in part-time positions; however, the Department needed to recruit over 45 candidates to fully staff the budgeted positions assigned to the Department's various Park District teams. This action establishes greater efficiency in recruitment and execution by replacing vacant part-time positions with full-time positions. These new full-time roles will be guicker to recruit and easier to retain, preventing any loss in productivity potentially resulting from the net decrease in positions.

CaliforniansForAll Youth Workforce Program - Fiscal Administration/Revenue from State of California

This action establishes the CaliforniansForAll Youth Workforce Program – Fiscal Administration City-Wide Expenses allocation of \$70,500, and increases the corresponding estimate for Revenue from State of California to provide funding for temporary staffing to ensure timely and appropriate preparation of grant reimbursement documents. On April 23, 2024, the City Council approved a memorandum to continue the Resilience Corps Program through December 31,2025 and supports the expansion and continuation of the first two phases of the Resilience Corps Program through the San José Public Library Learning Recovery.

\$131,450,833

Finance Department \$70,500 \$70,500

| Action ESUHSD Community WiFi - Network Maintenance/Revenue from Local Agencies  This action increases the East Side Union High School District (ESUHSD) Community WiFi Network Maintenance City-Wide Expenses allocation and the corresponding estimate for Revenue from Local Agencie by \$725,463. This allocation provides funding to continue the WiFi network maintenance for James Lick High School, Yerba Buena High School, and William C. Overfelt High School attendance areas, and to add funding for the network maintenance for Independence High School, Andrew P. Hill High School, Oak Grove High School attendance areas, as the installation of the WiFi networks went live in 2022-2023. This action recognizes revenue that will be received from ESUHSD to reimburse the City for the network maintenance costs. | e<br>(             | Expenditure<br>Change<br>\$725,463 | Revenue Change<br>\$725,463 |

This action increases the CaliforniansForAll Youth Workforce Program – Learning Loss Mitigation Pathway City-Wide Expenses allocation and the corresponding estimate for Revenue from State of California by \$73,678. This funding, combined with a rebudget of \$1.4 million recommended elsewhere in this memorandum, enables the Department to continue focusing on accelerating K-12 learning. Participants will continue to be placed with well-established learning program providers. Host agency partners will continue to prioritize alignment with common core anchor standards and whole child learning opportunities, including emotional learning, academics, and physical activity. This Pathway has impacted over 200 participants, providing professional development, training, and financial literacy workshops.

Loss Mitigation Pathway/Revenue from State of

California

| This action increases the Library Grants City-Wide Expenses allocation and the corresponding estimate for Revenue from State of California by \$176,578 for the California Library Literacy Services (CLLS) English as a Second Language Services (ESL) Grant. The term of the Grant agreement is two years, beginning July 1, 2024 through June 30, 2026. The total award over the two-year term is \$362,698, of which \$176,578 is recommended to be allocated for 2024-2025. The remaining funding of \$186,120 for 2025-2026 will be budgeted in a future budget process. This funding will support a temporary position to enhance the Library Department's ESL class offerings.  2022 State Homeland Security Grant Program/Revenue Office of the City \$30,000 |
|--|
|  |
| from Federal Government Manager  |
| This action establishes the 2022 State Homeland Security Grant Program City-Wide Expenses budget and increases the estimate for Revenue from the Federal Government in the amount of \$30,000 to recognize grant funding to deliver approximately two CERT courses to the Spanish and Vietnamese communities in San José, including the translation of materials. The grant performance period ends in April 2025.   |
| 2023 Emergency Management Performance Office of the City \$47,000 \$47,000 Grant/Revenue from Federal Government Manager  This action establishes the 2023 Emergency   |

This action establishes the 2023 Emergency Management Performance Grant City-Wide Expenses budget and increases the estimate for Revenue from Federal Government in the amount of \$47,000 to recognize grant funding for technology equipment purchases in the Emergency Operations Center and funding for training. The grant performance period ends in March 2025.

Expenditure Change **Revenue Change** Action **Department** 2023-2026 Adaptation Planning Grant/Revenue from Office of the City \$135,000 \$135,000 Federal Government Manager This action increases the 2023-2026 Adaptation Planning Grant City-Wide Expenses budget and the estimate for Revenue from Federal Government by \$135,000. representing the remaining amount of a multi-year grant for \$649,970. A portion of the allocated funds will be used to partially extend a 1.0 limit-dated Assistant to the City Manager position through June 30, 2025 (this position is also funded by 25% in the San José Clean Energy Fund and 65% Climate and Seismic Resilience Planning City-Wide Expenses allocation). This allocation will also support the development of the City's Climate Adaptation and Resilience Plan, which aims to enhance the City's preparedness and resilience in the face of climate

Office of the City

Manager

\$200,694

\$200,694

This action increases the City Manager's Office's Personal Services budget by \$200,694 and the estimate for Revenue from Federal Government by an equivalent amount for the 2023 Urban Areas Security Initiative Grant. The grant performance period is from January through December 2024, with a portion of the funding already recognized and allocated in the 2023-2024 Adopted Operating Budget. This action budgets the remaining portion of the grant, which partially offsets the costs to continue two temporary positions in the Office of Emergency Management. The Resource and Community Coordinator position will manage a community assessment of resource needs and plans for supporting the establishment of Commodity Points of Distribution for the delivery of essential services, particularly in vulnerable population areas, and the Alert and Warning Coordinator position will coordinate emergency alert and warning services with multiple departments and the County and will oversee the use of the warning equipment.

change and its potential impacts.

#### Expenditure Change **Revenue Change** Action **Department** After School Education and Safety Programs for 2024-Parks, Recreation \$129,000 \$129,000 2025/Revenue from Local Agencies and Neighborhood Services Department This action establishes the After School Education and Safety Programs (ASES) City-Wide Expenses allocation and increases the estimate for Revenue from Local Agencies by \$129,000. The ASES is a state-funded program that awards grants to schools throughout California. Schools use the grants to contract with various agencies to provide students with comprehensive after school educational support services during the school year. In May 2024, PRNS entered into an ASES agreement with the Berryessa Union School District to provide after school services at Summerdale Elementary School through July 2025. This action appropriates the funding to execute that agreement. CaliforniansForAll Youth Workforce Program - Climate \$2,437,478

This action increases the CaliforniansForAll Youth Workforce Program - Climate Change Pathway City-Wide Expenses allocation and the corresponding estimate for Revenue from State of California by \$2.4 million. In the 2020-2021 Mayor's March Budget Message, the Mayor announced the creation of the Resilience Corps, a jobs program focused on employing adults residing in high-poverty, high-unemployment neighborhoods to address two of our most urgent crises: climate change and the pandemic. On April 23rd, 2024, the City Council adopted a resolution to accept a \$5.3 million grant from the California Volunteers State Office to continue the Resilience Corps Program in 2024-2025. Of this total amount, \$2.4 million was allocated to PRNS to continue the Resilience Corps programming with approved organizations in 2024-2025, and \$1.2 million will be allocated for 2025-2026 in a future budget process.

Parks, Recreation \$2,437,478 and Neighborhood Services Department

Action

Inflation Reduction Act - Urban Forestry Grant (PRNS) Revenue from Federal Government

**Department** 

Parks, Recreation and Neighborhood Services Department Expenditure

Change \$442,090 **Revenue Change** \$442,090

This action establishes the Inflation Reduction Act Urban Forestry Grant City-Wide Expenses allocation and increases the corresponding estimate for Revenue from Federal Government by \$442,090. In September 2023, PRNS was granted \$1.0 million from the USDA Forest Service – Urban and Community Forestry Inflation Reduction Act Grant Program, to plant trees and perform vegetation management at Alum Rock Park and Overfelt Gardens. These projects will encourage community participation in urban forestry, be proactive with system maintenance of trees, and improve preparation for storms and wildfires. The \$1.0 million grant supports a two-year program that includes staffing, supplies and materials, and volunteer events at each location. This action budgets the first-year expenses, with the remaining grant funding of \$557,910 for the program's second year to be budgeted in a future budget process.

Non-Personal/Equipment/Revenue from Local Agencies Parks, Recreation (Santa Clara County Public Health Department SJ Recreation Preschool Grant)

and Neighborhood Services Department \$10,000 \$10,000

This action increases the Parks, Recreation and Neighborhood Services Department's NonPersonal/Equipment allocation and the corresponding estimate for Revenue from Local Agencies by \$10,000 for the Santa Clara County Public Health Department SJ Recreation Preschool Grant. In August 2022, PRNS entered into an agreement for up to \$10,000 with the County Public Health Department to train San José Recreation Preschool Program staff on the Coordinated Approach to Child Health (CATCH) Program and the Smarter Mealtimes Movement (SMM). In June of 2023, the agreement was amended to increase the maximum amount to \$40,000, and to extend the term of the agreement to September 2026. Each year, upon completion of the training, PRNS is reimbursed for an initial installment of \$5,000 and awarded an additional \$5,000 upon completion of the preschool program school year. This \$10,000 is the award for the 2024-2025 school year, and will be primarily used to fund program staff hours, with a small amount going towards program materials.

Action Department Change Summer Youth Nutrition Program/Revenue from Federal Parks, Recreation and Neighborhood Services Department Expenditure Change Revenue Change \$67,000 \$67,000 \$67,000

Department

This action increases the Summer Youth Nutrition Services Program City-Wide Expenses allocation and the corresponding estimate for Revenue from Federal Government by \$67,000. The Summer Food Service Program (SFSP) is a federally funded, state-administered program that reimburses program operators who serve free, healthy meals and snacks to children and teens in low-income areas. The Department anticipates providing nearly 40,000 meals and snacks through the SFSP at nine community center sites to participants during the summer months when students are out of school. This program will be revisited at the 2023-2024 Annual Report, when additional funding may be rebudgeted based on the performance of the program.

Local Early Action Planning Housing and Community Development Grant/Revenue from State of California

This action increases the Local Early Action Planning -Housing and Community Development Grant City-Wide Expenses allocation to the Planning, Building and Code Enforcement Department and corresponding estimate for Revenue from State of California by \$145,185 to provide for staff and consultant costs to advance Senate Bill 9 (SB 9) Opportunity Housing and Five Wounds Urban Village Plans Updates, which addresses SB 9 standards and consolidation of urban villages. The funds will facilitate future housing production in the Five Wounds Urban Village, aligning with Bay Area Rapid Transit (BART) Station plans, and progressing development standards and policy changes for "missing middle" infill housing per City Council directives. Missing middle refers to small-scale multifamily housing such as duplexes. townhomes, and apartments which seek to increase housing density and promoting walkable neighborhoods. This grant is specifically targeted to prepare and adopt planning documents and process improvements that accelerate housing production and implement the sixth cycle of the regional housing needs assessment. This action will complete the allocation of the total grant award in the amount of \$1,499,000 while the terms of the award period remains through December 31, 2024.

### **Community Development Block Grant Fund (441)**

| Action Revenue from Federal Government (CDBG Grant Entitlement)   | <b>Department</b> Housing Department | <u>Use</u> | <u>Source</u><br>(\$466,799) |
|---|--------------------------------------|------------|------------------------------|
| This action decreases the estimate for Revenue from Federal Government by \$466,799, from \$8.35 million to \$7.9 million. Since the release of the 2024-2025 Proposed Operating Budget, the U.S. Department of Housing and Urban Development (HUD) released updated Community Development Block Grant (CDBG) allocations. This adjustment aligns the revenues with the estimated allocations from HUD. Corresponding actions to decrease several appropriations are recommended to offset this action. |                                      |            |                              |

(\$466,799) (\$466,799)

### **Convention and Cultural Affairs Fund (536)**

| Action   | <u>Department</u>  | <u>Use</u>    | <u>Source</u> |
|--|--|---------------|---------------|
| Beginning Fund Balance (Estimated 2023-2024 Ending Fund Balance)  This action decreases the estimate for Beginning Fund Balance by \$580,000, from \$5.3 million to \$4.7 million, to realign 2024-2025 funding levels with the latest projected subsidy in 2023-2024 for the operation and management of City-owned convention and cultural facilities by Team San Jose. This decrease is attributable to the rescheduling of an event previously planned for June 2024 to July 2024, which results in lower estimated operating revenues and higher subsidy levels in 2023-2024, and defers the positive fiscal impact into 2024-2025. This event rescheduling is also reflected in a separate adjustment to decrease the Convention Facilities Operations allocation for 2024-2025, aligning funding levels with a lower projected net operating subsidy, as recommended elsewhere in this memorandum | e<br>3   |               | (\$580,000)   |
| Convention Facilities Operations  This action decreases the Convention Facilities Operation allocation by \$1.5 million, from \$13.4 million to \$11.9 million, to realign 2024-2025 funding levels with the latest projected subsidy for the operation and management of City-owned convention and cultural facilities by Team San Jose. This reduced subsidy estimate for 2024-2025 reflect the rescheduling of a planned event from June 2024 to Ju 2024, as well as additional event commitments received from clients following the development of the 2024-2025 Proposed Operating Budget. A corresponding increase to the Ending Fund Balance is recommended elsewhere in this memorandum to accumulate fund balance in the Convention and Cultural Affairs Fund, buffering potential challenges to facility operations in 2024-2025 and supporting future operations.                            | S Cultural Allairs   | (\$1,512,000) |               |
| Ending Fund Balance Adjustment  This action increases the Ending Fund Balance in the Convention and Cultural Affairs Fund to offset the actions recommended elsewhere in this memorandum.  | City Manager - Office of Economic Development and Cultural Affairs | \$932,000     |               |
| Convention and Cultural Affairs Fund (536)   |  | (\$580,000)   | (\$580,000)   |

| Airport Renewal and Replacement Fund (527)   |                  |               |               |
| Airfield Configuration Updates   | Airport          | \$1,300,000   |               |
| This action increases the Airfield Configuration Updates project by \$1.3 million, from \$4.3 million to \$5.6 million, to cover the funding needs for Taxiway V Phase II. The Airfield Configuration Updates project funds multiple phases of the design and construction of airfield runway and taxiway improvement projects. A corresponding decrease to the Ending Fund Balance is recommended to offset this action.  |                  |               |               |
| Airport Technology Services  | Airport          | \$90,000      |               |
| This action increases the Airport Technology Services project by \$90,000, from \$586,000 to \$676,000, to ensure sufficient funding for the Airport's radio infrastructure project, which is part of the Silicon Valley Regional Communications System, the broader city-wide radio communication system used by the City, as well as other member agencies. The City standardized its radio communication system to ensure interoperability across City departments, especially during emergencies. The system, including equipment, must be maintained for reliable operations. This action funds permitting and regulatory compliance costs. A corresponding decrease to the Ending Fund Balance is recommended to offset this action. |                  |               |               |
| Ending Fund Balance Adjustment   | Finance          | \$(1,390,000) |               |
| This action decreases the Ending Fund Balance to offset the actions recommended in this memorandum.  |                  |               |               |
| Parking Accessibility Upgrades   | Airport          | \$(200,000)   |               |
| This action decreases the Parking Accessibility Upgrades project by \$200,000, from \$19.2 million to \$19.0 million, to reallocate project savings from Parking Accessibility Upgrades project to the Project Management Support budget. Project Management Support is provided to Airport Food & Beverage and Retail concessionaires to assist during the construction phase of their tenant improvement projects. Total project funding of \$19.0 million in 2024-2025 is sufficient to cover all remaining project costs; shifting this funding does not reduce the project's scope. A corresponding increase to the Project Management Support allocation is recommended to offset this action.                                       |                  |               |               |

## Capital Funds Recommended Budget Adjustments Summary 2024-2025 Proposed Budget

| Action   | <u>Department</u>     | <u>Use</u> | <u>Source</u> |
|--|-----------------------|------------|---------------|
| Airport Renewal and Replacement Fund (527) Project Management Support  | Airport               | \$200,000  |               |
| This action increases the Project Management Support allocation by \$200,000, from \$400,000 to \$600,000, which offset by a reallocation of project savings from the Parking Accessibility Upgrades project. Project Management Suppis provided to Airport Food & Beverage and Retail concessionaires to assist during the construction phase of their tenant improvement projects. Project Management Support funding includes tenant construction oversight to ensure it is to-code, that Airport standards are met, and the construction remains consistent with plans submitted. A corresponding decrease to the Parking Accessibility Upgrades appropriation is recommended to offset this active. | g<br>port<br>f<br>nat |            |               |

Airport Renewal and Replacement Fund (527) TOTAL

Action Department Use Source

#### **Building and Structure Construction Tax Fund (429)**

Avenues School Safety Improvements

Transportation \$1,000,000

This action increases the Avenues School Safety Improvement allocation by \$1.0 million, from \$575,000 to \$1.6 million, to provide funding for project design work and construction of safety enhancements at the intersection of Race Street and Parkmoor Avenue. This location has a high rate of train collisions with pedestrians and bicyclists, and is adjacent to the Race Light Rail Station, high density residential land uses, and two schools. The project will reconfigure the roadway, traffic signals, and railroad crossing devices. A corresponding decrease to the Avenues School Street Improvements Reserve is recommended to offset this action.

Avenues School Safety Improvements Reserve

Transportation \$(1,000,000)

This action decreases the Avenues School Safety Street Improvements Reserve by \$1.0 million, from \$1.4 million to \$425,000, to provide funding for design work and construction for the Avenues School Safety Improvements project. A corresponding action to increase the Avenues School Safety Improvements allocation is recommended elsewhere in this memorandum.

**Ending Fund Balance Adjustment** 

Finance \$200,000

This action increases the Ending Fund Balance to offset the action recommended in this memorandum.

Quiet Zone Transportation \$1,000,000

This action increases the Quiet Zone allocation by \$1.0 million, from \$7.1 million to \$8.1 million, to provide funding for the Auzerais Sidewalk project. Funding is provided for the closure of a commercial driveway on the south side of Auzerais Avenue and the installation of a new driveway for the property at its western end. As part of this driveway relocation, the City will also fill part of the sidewalk gap on the block and add a crosswalk across Auzerais Avenue so that pedestrians traveling east-west between Lincoln Avenue and Sunol Street can have a continuous path of travel. A corresponding decrease to the Quiet Zone Reserve is recommended to offset this action.

Quiet Zone Reserve

Transportation \$(1,000,000)

This action eliminates the Quiet Zone Reserve by \$1.0 million for the Auzerais Sidewalk project. A corresponding action to increase the Quiet Zone allocation is recommended elsewhere in this memorandum.

#### **Building and Structure Construction Tax Fund (429)**

Revenue from the Federal Government (Federal Safe Streets Transportation and Roads for All)

\$300,000

This action increases the estimate for Revenue from the Federal Government by \$300,000 to recognize revenue from the Safe Streets and Roads for All grant, which was awarded to the City in May 2024. Also, as part of this action, the total grant award of \$8.5 million is recommended to be programmed over 5-years in the 2025-2029 Traffic CIP. This action is offset by an increase of \$100,000 to the Speed Safety System Pilot allocation and an increase of \$200,000 to the Ending Fund Balance.

Speed Safety System Pilot

Transportation \$100,000

This action increases the Speed Safety System Pilot allocation by \$100,000, from \$500,000 to \$600,000, to recognize funding from a Federal Safe Streets and Roads for All grant that was awarded to the City in May 2024. The grant provides funding to develop and implement the Automated Speed Enforcement pilot program as directed by the Mayor's March Budget Message for Fiscal Year 2024-2025, as approved by the City Council. On October 13, 2023, California Governor Gavin Newson signed Assembly Bill 645 (AB 645) which authorized six California cities, including the City of San José, to conduct a five-year Automated Speed Enforcement pilot between January 1, 2024 and January 1, 2032. AB 645 allows the City of San José to have up to 33 speed enforcement systems in priority corridors, school zones and/or areas with a history of speed racing and sideshows. As part of this action, the total grant award of \$8.5 million is recommended to be programmed over the five years in the 2025-2029 Traffic CIP and will be used to procure an automated speed camera system, including hardware, installation costs, equipment maintenance, electricity costs, data collection, and related service costs for approximately 51 months. The City is also leveraging \$2.0 million dollars in matching funds which have been programmed in the 2025-2029 Proposed Traffic CIP, for a total project budget of \$10.5 million. This action is offset by an increase of \$100,000 to the estimate for Revenue from the Federal Government to recognize the grant funds and an increase of \$200,000 to Ending Fund Balance.

The grant funds will be used for Clean Mobility Project Vouchers to leverage and expand the City's existing bikeshare network and operations infrastructure in alignment with the Better Bike Plan 2025, particularly in areas of historically marginalized, low-income, and communities of color. Furthermore, the voucher can be used to purchase equipment, reduce the cost of rides, and promote the service and outreach. Also, as part of this action, the total grant award of \$1.5 million is recommended to be programmed over the five years in the 2025-2029 Traffic CIP. A corresponding action to increase the estimate for Revenue from State of California to recognize the grant funds is recommended to offset this action. Revenue from State of California (California Air Resource \$750,000 **Transportation** Board) This action increases the estimate for Revenue from State of California by \$750,000 to recognize grant funds awarded in October 2023 by the California Air Resource Board, Also as part of this action, the total grant award of \$1.5 million is recommended to be programmed over the five years in the 2025-2029 Traffic CIP. #### **Convention Center Facilities District Capital Fund (798)**

Convention Center Facilities Planning and Preliminary Engineering

This action increases the project allocation for Convention Center Facilities Planning and Preliminary Engineering, from Affairs \$250,000 to \$500,000, to support evaluation and scoping work for future capital improvement projects at the San Jose McEnery Convention Center, including those requested by Team San Jose as facility operator. Current priority projects include replacing the air handler, upgrading lighting/rigging systems, and installing solar panels for energy efficiency and resiliency, in accordance with direction included in the Mayor's March Budget Message for 2024-2025 to evaluate the potential for long-term cost savings by adding solar panels on top of the convention center paired with on-site storage. Funds will also support the evaluation of emergent capital improvement project requests in 2024-2025. This project allocation is offset by a transfer from the undesignated balance within the Convention Center Facility District Revenue Fund, which resulted from the issuance of Series 2022A Lease Revenue Bonds and refunding of outstanding debt service supported by Convention Center Facility District Special Tax revenues.

Office of Economic Development and Cultural Affairs \$250,000

#### Convention Center HVAC Upgrades

This action allocates \$300,000 to restart the Convention Center HVAC Upgrades project, which was indefinitely postponed due to COVID-19 induced declines in Convention Center Facility District Special Tax revenues. Funds will support project planning and bid package preparation, with construction targeted for 2025-2026 in coordination with Team San Jose to minimize potential impacts on scheduled events at the San Jose McEnery Convention Center. This project allocation is offset by a transfer from the undesignated balance within the Convention Center Facility District Revenue Fund, which resulted from the issuance of Series 2022A Lease Revenue Bonds and refunding of outstanding debt service supported by Convention Center Facility District Special Tax revenues.

Environmental \$500,000 Filter Rehabilitation Services This action reestablishes the Filter Rehabilitation project in the amount of \$500,000. This project was initiated in 2010-2011 and was expected to be fully completed in 2023-2024. However, delays in the final stages of work require the allocation of funding in 2024-2025 in order to complete the project. The activities of this project have consisted of replacing filter media (primarily anthracite and sand), valves. actuators, and electrical controls for all filters in the Regional Wastewater Facility's filter complex. This action is offset by a decrease to the Ending Fund Balance recommended in this memorandum.
