Good morning,

The previous guidance regarding the prohibition on the transfer of city campaign funds to any other person's city campaign fund is still in place and codified as San Jose Municipal Code Section 12.06.410 (A.).

Please let me know if you have any additional questions.

Hi Toni,

Just a quick question. Are city candidate campaign committees allowed to contribute to other city candidate campaign committees?

I remember from years ago I was alerted that this was not allowed based on the Muni code 12.06.410 regarding prohibition on transfer of funds.

I want to confirm this is still the case.

Thank you for the assistance.
