TO:

Proposed project at 2050 and 2079 South White Road

Meeting Purpose: The Pleasant Hills Golf Course site consists of 114-acres in east San José. Before a development proposal is considered, the City of San José wants to hear from residents, business owners, and community members about their ideas for the site. The City's engagement process will result in a set of Guiding Principles that identify goals that a future development project should achieve.
