NEIGHBORHOOD SERVICES

PERFORMANCE MEASURE DASHBOARD

¹ Live release rate is influenced by a number of factors external to the City, such as the type and condition of the animals received by the shelter. Staff will continue to evaluate the appropriate live release target based on trends in these external factors.

² As directed in the Mayor's March Budget Message for Fiscal Year 2024-2025, as approved by the City Council, \$200,000 is provided for the Code Enforcement reengineering project that will identify strategies to make more rapid progress on reducing the case backlog. At the end of the reengineering project, separate targets will be set for blight and non-blight cases.

The Continuum of Care 2023-2024 performance benchmark of 45% pertains to street outreach successful housing placements and does not include

supportive services outcomes to housing. This measure will be revisited in Fiscal Year 2024-2025.

NEIGHBORHOOD SERVICES

BUDGET SUMMARY

CSA Priorities/Expected 2024-2025 Service Delivery

- The Library will continue to provide access to information and knowledge resources for all San José
 residents, students, educators, and families, including access to technology and print materials,
 classes, afterschool homework help for students, and educational and literacy programs for all ages.
 The Library, in partnership with the San José Public Library Foundation, will administer the Digital
 Inclusion Fund Grant Program.
- PRNS will continue its efforts to provide access to healthy lifestyles through public parks and trails and
 public recreational programs and opportunities for people of all ages and abilities. This includes the
 provision of leisure classes and activities at community centers, safe and fun summer camps,
 educational and outdoor experiences at facilities such as Happy Hollow Park and Zoo and Family
 Camp, and health and social activities in our therapeutics and senior service programs.
- Code Enforcement will continue to respond to complaints and conduct inspections for code violations
 city-wide to address blight, substandard housing, illegal occupancy, unpermitted construction, etc.,
 contributing to the overall health, safety, and quality of life of our community.
- PRNS will continue to operationalize the growth of BeautifySJ to meet neighborhood cleanliness and stormwater permit priorities by addressing pollution from RVs on streets and encampments near waterways. Other service areas include graffiti removal, neighborhood dumpster days, illegal dumping, deterrents, gateway beautification, homeless encampment trash/biowaste removal, abatements, and No Return/No Encampment Zones.
- Housing will implement the reimagined homeless outreach program through agreements with two service providers providing enhanced services and coordinated resources to individuals and households experiencing homelessness in target areas across the City.
- The Animal Care and Services Center anticipates caring for 12,000 incoming animals with an estimated 17,000 calls for service while targeting a live release rate of 90%.

2024-2025 Key Budget Actions

- Reallocates Measure E revenues of \$24.6 million to develop safe or alternative sleeping sites; support
 interim housing construction and operation; provide outreach, sanitation, and other support services
 focused on waterways; expansion of the recreational vehicle pollution prevention; pilot a lived-in safe
 parking program; and provide temporary staffing for a reactive City outreach team.
- Continues 2.0 Analyst I/II and adds 1.0 Analyst I/II and 1.0 Staff Specialist positions through June 30, 2025 to support the Eviction Diversion Program which provides landlords and tenants a continuum of services to help avoid eviction court orders by reaching a settlement plan that works for both parties.
- Adds 1.0 Senior Analyst by deleting vacant 1.0 Library Assistant and 0.4 Library Page in the Library to serve as the Integrated Library System Manager; adds \$300,000 in one-time non-personal/equipment funding to procure a new Integrated Library System to provide more secure and robust materials management system that improves staff efficiency and the customer experience.
- As directed by the Mayor's March and June Budget Message for Fiscal Year 2024-2025, as approved
 by City Council, adds \$15.6 million and 37.3 positions to BeautifySJ to meet the requirements along
 waterways in accordance with the City's Municipal Regional Stormwater Permit and to continue and
 expand existing programmatic efforts of encampment maintenance, abatement, and blight reduction.
- Adds 1.0 Community Activity Worker position to the Multiple Housing team to assist the Tenant Landlord Resource Centers in providing all Code Enforcement related functions, customer service and support to tenants and customers of multiple housing units.
- As directed by the Mayor's March Budget Message for Fiscal Year 2024-2025, as approved by City Council, makes permanent 1.0 Animal Shelter Veterinarian position to increase the surgical capacity for animals in the community, primarily expanding the Trap-Neuter-Return (TNR) program to operate five days a week.
