RECOMMENDATION

Approve the Auditor's Office Monthly Report of Activities for the months of June and July 2015.

SUMMARY OF RESULTS

Charter Section 8.05(e) requires the City Auditor to submit a monthly report to the City Council of our activities, findings, and recommendations. This report summarizes reports issued, other activities, assignments in process, and the status of the City Auditor's Fiscal Year 2014-15 Work Plan during the months of June and July 2015.

Reports Issued During the Months of June and July:

1. **Police Disability Retirement Scenarios** – Assess the impact on a sample of police officers of changes in the City's disability retirement system. The report was presented at the June 18, 2015 meeting of the Public Safety, Finance and Strategic Support Committee. The audit is scheduled to be presented for acceptance at the August 11, 2015 meeting of the City Council.

Activities During the Months of June and July:

- The office relocated from the 3rd floor of the wing, to the 14th floor of City Hall.
- Michael Tayag joined the office as a program performance auditor. Previously, he worked in the field of education and completed local and international community-based research projects on various issues facing migrants and workers. Michael holds a Bachelor of Arts degree in Comparative Studies in Race and Ethnicity from Stanford University.

Assignments in Process:

2. **Golf Course Fund** – Examine the causes of decline in net operating and maintenance income to the Golf Course Fund.
Project Status: Report writing in process.
Anticipated Release Date: September 2015 (Neighborhood Services and Education Committee).

- 3. Police Recruiting and Hiring** – Analyze the department’s recruiting, backgrounding, and hiring processes, and determine to what extent San Jose is subsidizing other jurisdictions with our academy.
Project Status: Fieldwork in process.
Anticipated Release Date: September 2015 (Public Safety, Finance and Strategic Support Committee).
- 4. Use and Coordination of Volunteers** – Various City departments offer volunteer opportunities. By choosing to volunteer, San José residents have the opportunity to strengthen the city, and connect with their families, their neighbors, and their communities through service. The purpose of this review is to evaluate the use and coordination of volunteers to augment City services.
Project Status: Fieldwork in process.
Anticipated Release Date: TBD.
- 5. Street Sweeping** – Curb miles swept has decreased by 34 percent over the last 10 years. Only 45 percent of residents rated street cleaning as good or excellent in the *2013 National Citizen Survey*.
Project Status: Preliminary Survey in process.
Anticipated Release Date: TBD.
- 6. South Bay Water Recycling** – South Bay Water Recycling is expected to generate \$4.6 million in revenue in FY 2014-15 by delivering 5 billion gallons of recycled water from the Treatment Plant to 775 customers (more than 75% of all recycled water used in Santa Clara County).
Project Status: Preliminary Survey in process.
Anticipated Release Date: TBD.

Information on the status of the City Auditor’s FY 2014-15 Work Plan is attached. Approval of the City Auditor’s FY 2015-16 Work Plan is also being requested from the Rules and Open Government Committee. On behalf of the Auditor’s Office, I would like to express my appreciation to City staff for their cooperation and assistance during our reviews.

Respectfully submitted,

Sharon W. Erickson
