TENTATIVE AGREEMENT**

CITY PROPOSAL – RETIREE HEALTHCARE

Proposed Language:

ARTICLE 25 RETIREE HEALTHCARE FUNDING AND BENEFITS

- 25.1 The City and the Union have agreed to transition from the current partial pre-funding of retiree medical and dental healthcare benefits (referred to as the "policy method") to pre-funding of the full Annual Required Contribution (ARC) for the retiree healthcare plan ("Plan"). The transition began on June 28, 2009. The Plan's initial unfunded retiree healthcare liability shall be fully amortized over a thirty year period so that it shall be paid by June 30, 2039 (closed amortization). Amortization of changes in the unfunded retiree healthcare liability other than the initial retiree healthcare liability (e.g. gains, losses, changes in actuarial assumptions, etc.) shall be determined by the Plan's actuary. The City and Plan members (active employees) shall contribute to funding the ARC in the ratio currently provided under Section 3.28.385 of the San Jose Municipal Code. Specifically, contributions for retiree medical benefits shall be made by the City and members in the ratio of one-to-one. Contributions for retiree dental benefits shall be made by the City and members in the ratio of eight-to-three. When determining the contribution rates for the Plan, the Plan actuary shall continue to use the Entry Age Normal (EAN) actuarial cost method and a discount rate consistent with the pre-funding policy for the Plan as outlined in this Article.
- 25.2 The City and the Union further agree that the Municipal Code and/or applicable plan documents shall be amended to the extent necessary in accordance with this agreement and that the Union will support such amendments.
- 25.3 It is understood that in reaching this agreement, the parties have been informed by cost estimates prepared by the Federated City Employees' Retirement System Board's actuary and that the actual contribution rates to reach full pre-funding of retiree healthcare will differ. The phase-in to the ARC shall be effective on the first pay period of the City's fiscal year in each succeeding year, the first increment which was effective on June 28, 2009. It is understood that because of changes resulting from future actuarial valuations, the amount of the ARC may vary upward or downward. The City and Employee Organization agree that ~~the Plan member cash contribution rate shall not have an incremental increase of more than .75% of pensionable pay in each fiscal year and the City cash contribution rate shall not have an incremental increase of more than .75% of pensionable pay in each fiscal year. For example, if the members' contribution rate is 4% of pensionable pay, the subsequent fiscal year's contribution rate for retiree healthcare cannot exceed 4.75% of pensionable pay.~~ retiree healthcare contribution rates as of June 20, 2015 will remain in effect until December 19, 2015. Notwithstanding the limitations on the incremental increases, ~~the~~ The City and plan members shall be contributing the

contribution rate based upon the full Annual Required Contribution, beginning on ~~June 21, 2015~~ December 20, 2015. In subsequent fiscal years, the City and the plan members shall be contributing the full Annual Required Contribution in the ratio currently provided under Section 3.28.385 of the San Jose Municipal Code.

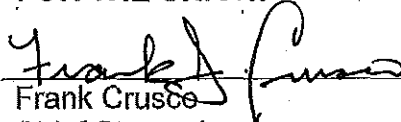

This agreement is considered tentative and shall not be considered final or binding until ratified by the membership and approved by the City Council. This document sets forth the full agreements of the parties reached during these negotiations. Anything not included in this document is not part of the Tentative Agreement. The provisions set forth above shall be incorporated in any successor Memorandum of Agreement.
