Dear Neighbor,

You're invited! The City of San José Planning Division would like to invite you to a community meeting about a proposed General Plan Amendment request for a privately-owned property in your area (see attached map). City staff will be facilitating the meeting and will provide you with an opportunity to learn about the proposal, provide input, and receive answers to your questions. The City of San José is very interested in your input on this proposal and encourages your attendance at this meeting.

Proposal: A General Plan Land Use/Transportation Diagram Amendment from Public/Quasi-Public to Residential Neighborhood on an approximately 1.65 gross acre site

Project Location - 2700 Booksin Avenue, easterly corner of Booksin Avenue and terminus of Wawona Drive

Environmental Review: The City is currently performing environmental review for the proposed project. It is anticipated that the documents will be available for public review in early September 2017 on the City of San José's website at: <http://www.sanjoseca.gov/negativedeclarations>. More information about the environmental review will be available at the community meeting or by contacting the environmental review project manager, Dipa Chundur, at dipa.chundur@sanjoseca.gov.

Your participation in the planning process will help us analyze the requested General Plan amendment and consider the community's input.
