

San Jose Public Art Workplan 2019-2023

May 21, 2018

Key Strategies

- Integrate High Impact Public Art and Urban Design throughout the Community;
- Commission innovative public art in Downtown and District wide;
- Incorporate public art in high-traffic transportation corridors and pedestrian areas;
- Create projects in community gathering places;
- Align public art with the plans of City departments; and
- Encourage private developer participation in public art.

Key Elements

- **Funding Mechanism:** Pool funds whenever possible to commission impactful artworks.
- **Partners:** Environmental Services, Transportation, Parks Recreation & Neighborhood Services, Planning (Urban Villages), Foundations, Federal Government, Private Sector
- **Guiding Documents:** Public Art Master Plan and Focus Plans, Cultural Connection, San Jose Economic Development Strategy, Diridon Station Public Art Master Plan, General Plan

Outcomes

- Reinforce San Jose as a global center of creativity and innovation
- Foster San Jose vibrancy through creative placemaking
- Strengthen Downtown San Jose as the Creative and Cultural center of the Silicon Valley
- Engage a wide spectrum of the community through education and outreach in the power of art in public
- Maintain the existing collection at the highest level possible

TRAIN AND THE CITY

PRESENTED BY SPUR & HCAP

TRAIN AND THE CITY

San Jose is a city of many faces, many stories, and many dreams. It is a city where people from all over the world have come to live, work, and play. It is a city where people have built a life for themselves, and where they have found a sense of community and belonging. It is a city where people have made a home for themselves, and where they have found a place to call home.
