

## Memorandum

**TO:** RULES & OPEN GOVERNMENT  
COMMITTEE

**FROM:** Deanna J. Santana

**SUBJECT:** MEDICAL MARIJUANA  
WORKPLAN

**DATE:** February 17, 2011

Approved

Date

2/18/11

### RECOMMENDATION

Approve a workplan and meeting schedule that enables the Public Safety, Finance and Strategic Support Committee (PSFSS) to hold more detailed discussions about the draft Medical Marijuana zoning and regulatory ordinances for the purposes of obtaining input and developing Medical Marijuana ordinances for full City Council consideration in June 2011.

### OUTCOME

Approval of this recommendation will set a workplan and meeting schedule that will allow staff to receive detailed input on each section of the proposed zoning and regulatory ordinances prior to bringing the ordinances forward for City Council consideration in June 2011. If the ordinances are approved in June, staff will be able to begin implementation of the regulatory program in Fiscal Year 2011-2012.

### BACKGROUND

At the June 22, 2010 City Council meeting, staff presented proposed ordinances regarding medical marijuana establishments operating in the City. Those ordinances included a regulatory program and zoning/land use regulations. Staff also presented proposed amendments to the City's Schedule of Administrative Fines that could be levied against persons operating medical marijuana establishments if those persons failed to comply with the proposed regulations, should those regulations be approved by Council. Finally, staff presented information to the Council on the staff required to implement the regulatory program so that Council could understand what the full cost of the program would be to the City. In addition to the various policy alternatives available within the regulatory program, staff also advanced a policy option outside of regulations, which was to implement a ban on medical marijuana establishments. At the meeting, the City Council deferred action on the proposed ordinances and options, directed staff

## **RULES & OPEN GOVERNMENT COMMITTEE**

**Subject:** Medical Marijuana Workplan

February 17, 2011

Page 2

to schedule a City Council Study Session to further review the medical marijuana regulatory program once the November General Election results were available and to continue to “focus enforcement on the closure of any collective that is within 500 feet from sensitive uses enumerated in the staff report and/or any collective located outside the CG Commercial General Zoning District.”

At the December 13, 2010 Medical Marijuana Study Session, staff presented to the City Council the same set of regulations presented in June, along with a summary of community input and an analysis of potential impacts to City resources. This Study Session was accompanied by comment from the District Attorney’s Office with respect to its legal perspective regarding medical marijuana. At the Study Session, the Council gave direction for staff to stop issuing business licenses to new medical marijuana establishments and to continue those enforcement priorities approved by the City Council on June 22. As of December 13, 2010, the Finance Department has ceased accepting Business Tax License registration forms for new medical marijuana establishments.

With respect to those ordinances containing the regulatory program and zoning/land use regulations, the City Council deferred action and directed staff to return to the Rules Committee with a workplan and meeting schedule to complete the review of the policy options within each of those ordinances by the PSFSS Committee.

### **ANALYSIS**

Given the complexity of establishing a new regulatory program, staff believes the most appropriate approach for addressing the ordinances containing the regulatory program and zoning/land use regulations (collectively, “the Ordinances”) to separate them into three separate sections. It is proposed that the three sections scheduled for separate meetings will consist of:

1. **Zoning/Land Use Policy**— The *Land Use Policy* contains amendments to Title 20 to include specific land use provisions for medical marijuana establishments.
2. **Medical Marijuana Regulatory Program**— The *Regulatory Program* is designed to regulate the cultivation and use of medical marijuana by both individuals and specific groups of individuals.
3. **Cost for Regulatory Program & the Schedule of Fines**— In developing the *cost for the regulatory program*, the direction was to develop a 100% cost recovery staffing plan that could effectively address the significant resources and diverse sets of professional expertise/disciplines needed to support the program. This includes any necessary professional, policy, legal, and financial reviews, law enforcement operations, and any other issues that may surface during the support of this policy. Staff has also developed a proposed *Schedule of Fines* pertaining to violations of the proposed regulatory program.

## **RULES & OPEN GOVERNMENT COMMITTEE**

**Subject:** Medical Marijuana Workplan

February 17, 2011

Page 3

When legally feasible and to the extent possible, each section of the Ordinances will contain a set of policy alternatives available to Council. Staff is hopeful that this will assist the Committee in addressing any concerns it may have while still arriving at a finished program that is legally viable. It should be noted that each section will be based on the same policy that was presented to the City Council on June 22, 2010 and December 13, 2010.

While a significant amount of input from stakeholders has been received throughout the development of this policy, given staff's current workload in light of the City's fiscal environment, stakeholders and experts are further encouraged to attend the planned committee meetings to provide input on the sections of the proposed ordinances. No additional outreach efforts are planned at this time as staff is assigned to Budget development and Redistricting efforts which require significant resources of the City Manager's Office staff. Staff will maximize sharing information on the City's website. Attached is a copy of the Medical Marijuana workplan, which notes the items for discussion, along with a proposed timeframe for review. (Attachment A).

### **Related Updates**

During the development of this workplan, notable key developments or updates surfaced and are shared below:

- 1) **Marijuana Business Tax:** Efforts are currently underway to implement the Marijuana Business Tax and conduct the appropriate outreach efforts to affected businesses. The Marijuana Business Tax, which will impose a 7% tax on gross receipts on all marijuana businesses operating in San Jose, will be effective starting March 1. A separate information memo was distributed on February 14 to the Mayor and City Council regarding the current status of regulation and outreach relative to the Marijuana Business Tax. Included in that memo was a copy of the Marijuana Business Tax informational brochure (Attachment B).
- 2) **Current Enforcement Actions:** Given there is an absence of a medical marijuana regulatory program, it should be noted that Planning, Building & Code Enforcement and the Police Department have not been conducting any regulatory activities. While both Departments have been attempting to address those enforcement priorities approved by the City Council on June 22, 2010 (mentioned earlier in this section), it should be noted that the City (as of January 1, 2011) is now required to comply with State law (AB2650), which sets a different set of sensitive uses and a 600 ft distance. As noted in staff's memo to the Mayor and City Council, dated January 26, 2011, it appears that there were 102 businesses conducting marijuana related business in San Jose as of December 13, 2010. (Attachment C). As staff becomes aware of the nature of businesses, the City's business tax database will be updated to reflect all apparent marijuana businesses in San Jose.
- 3) **District Attorney's Potential Guidelines:** In midst of the recent transition within the Santa Clara County District Attorney (SCCDA) Office, staff has advanced a draft of

**RULES & OPEN GOVERNMENT COMMITTEE**

**Subject:** Medical Marijuana Workplan

February 17, 2011

Page 4

staff's proposed medical marijuana program with the SCCDA to gather and receive their input. The SCCDA is currently in process of researching the broader issue of medical marijuana before developing legal guidelines, which will hopefully provide some legal clarity within Santa Clara County.

- 4) **State Legislative Activity:** A recent article, published by the Sacramento Bee on February 13, 2011, mentioned that a revised set of guidelines on medical marijuana from California Attorney General Kamala Harris is forthcoming. This same article also suggested that Assemblymember Tom Ammiano, D-San Francisco, is working on introducing an assembly bill to create a state oversight program to regulate medical marijuana dispensaries, including medical marijuana delivery programs. Given that the deadline to introduce assembly bills is February 18, 2011, we will track and report whether any assembly bill regarding medical marijuana is introduced through our legislative efforts.

**ALTERNATIVES FOR CONSIDERATION**

To complete the items for review, staff considered two approaches, which the Rules Committee should consider. The Rules Committee can decide to: (1) Complete workplan items through the Rules Committee; or, (2) Complete workplan items through the full City Council. Below is additional discussion of each of the alternative approaches:

***Alternative 1: Workplan Items through Rules & Open Committee***

This option provides the Rules & Open Government Committee the opportunity to schedule each workplan topic once per month, but allows more frequent discussions if desired. Given that there is typically a Rules Committee meeting each week, this adds flexibility to the length or substance of a discussion on each of the proposed categories. For instance, if there is a discussion that requires more time or a subsequent referral given by the Rules Committee during one meeting session, the particular item can return much more quickly than the monthly Council Committee structure by continuing the matter to the next weekly meeting.

If the Rules Committee wishes to complete the review of workplan items, below is a proposed workplan schedule:

**Alternative 1: Workplan through Rules Committee**

<b>Topic</b>	<b>Timeframe</b>
Approval of Medical Marijuana Workplan (Feb)	February 23 Rules Committee Meeting
Zoning/Land Use Policy (March)	March 16 Rules Committee Meeting
Regulatory Program (April)	April 13 Rules Committee Meeting
Cost for Regulatory Program & Schedule of Fines and Fees (May)	May 18 Rules Committee Meeting
Presenting Ordinances to City Council (June)	June 7 Rules Committee Meeting

**RULES & OPEN GOVERNMENT COMMITTEE**

**Subject:** Medical Marijuana Workplan

February 17, 2011

Page 5

***Alternative 2: Workplan through the City Council***

This option provides staff the opportunity to schedule one topic per month for discussion at a full City Council meeting. This option gives the full City Council the benefit of providing input on each topic, given that the Council will be considering the final ordinances in June. However, this option provides limited flexibility because of the various Sunshine requirements for City Council meetings that can make it difficult to schedule additional time on a topic or for staff to return to Council to respond to a referral. This could be remedied by requests for "sunshine waivers" if needed.

If the Rules Committee wishes to delegate the completion of the workplan through the City Council, below is a proposed schedule:

**Alternative 2: Workplan through the City Council**

<b>Topic</b>	<b>Timeframe</b>
Approval of Medical Marijuana Workplan (February)	February 23 Rules Committee Meeting
Zoning/Land Use Policy (March)	March 29 Council Meeting
Regulatory Program (April)	April 26 Council Meeting
Cost for Regulatory Program & Schedule of Fines and Fees (May)	May 24 Council Meeting
Presenting Ordinances to City Council (June)	June 7 City Council Meeting

**PUBLIC OUTREACH/INTEREST**

- Criterion 1:** Requires Council action on the use of public funds equal to \$1 million or greater. **(Required: Website Posting)**
- Criterion 2:** Adoption of a new or revised policy that may have implications for public health, safety, quality of life, or financial/economic vitality of the City. **(Required: E-mail and Website Posting)**
- Criterion 3:** Consideration of proposed changes to service delivery, programs, staffing that may have impacts to community services and have been identified by staff, Council or a Community group that requires special outreach. **(Required: E-mail, Website Posting, Community Meetings, Notice in appropriate newspapers)**

This issue meets Criteria 2 and 3 above and falls under the Community Engagement Policy established by the City Council. Community outreach has been conducted to obtain input. The proposed ordinances are posted to the Clerk's agenda webpage and a separate website has been

**RULES & OPEN GOVERNMENT COMMITTEE**

**Subject:** Medical Marijuana Workplan

February 17, 2011

Page 6

developed that provides an inventory on all materials published by the City during the course of developing this Regulatory Program.

**COORDINATION**

This memorandum has been coordinated with the Office of the City Attorney and the SCCDA Office.

**COST SUMMARY/IMPLICATIONS**

As currently proposed by staff, the medical marijuana regulatory program would be 100% cost recovery, with the Medical Marijuana establishments paying for the program, and would not impact the General Fund.

**MARIJUANA  
BUSINESS TAX**

(Effective March 1, 2011)

Finance Department  
Revenue Management Division  
City of San José  
200 East Santa Clara Street  
San José, CA 95113  
(408) 535-7055

**ATTACHMENT B**

## **MARIJUANA BUSINESS TAX**

On November 2, 2010, the citizens of San José voted to approve Measure U which allows the City of San José (City) to tax all marijuana businesses. As a result, the Marijuana Business Tax, San José Municipal Code Chapter 4.66, was established (Resolution No. 75504).

## **MARIJUANA BUSINESS**

The term "marijuana business" means business activity including but not limited to, planting, cultivation, harvesting, transporting, manufacturing, compounding, converting, processing, preparing, storing, packaging, wholesale, and/or retail sales of marijuana and any ancillary products in the City, whether or not carried on for gain or profit.

## **OTHER LICENSES, PERMITS, TAXES, FEES OR CHARGES**

Nothing contained in Chapter 4.66 shall be deemed to repeal, amend, be in lieu of, replace or in any way affect any requirements for any license or permit required by, under or by virtue of any provision of any other title or Chapter of the San José Municipal Code or any other ordinance or resolution of the City or of its Council.

**PLEASE NOTE:** Business taxes due under San José Municipal Code Chapter 4.76 are still required to be paid in addition to the Marijuana Business Tax discussed herein.

## **WHO MUST PAY MARIJUANA BUSINESS TAX?**

Any person engaged in marijuana business in the City shall pay a Marijuana Business Tax.

**Payment of the tax does not authorize unlawful business.**

## **WHEN AM I EXPECTED TO PAY?**

The Marijuana Business Tax effective date is March 1, 2011.

## **HOW OFTEN AM I EXPECTED TO PAY?**

Taxes are due on or before the last day of each calendar month for gross receipts from the prior calendar month. The first tax remittance is due April 30, 2011. If the due date falls on a Saturday, Sunday or holiday, the due date shall be the next regular business day on which City Hall is open to the public.

## **WHAT ARE THE TAX RATES?**

Effective March 1, 2011, the tax rate set by Council Ordinance No. 28867 is 7% of gross receipts. Please refer to San José Municipal Code Section 4.66.090 for the full definition of "gross receipts".

## **WHAT IF I DON'T FILE OR PAY?**

The Director of Finance may make and give notice of an assessment of the amount of tax owed. Failure to pay on or before the due date will result in a penalty of 25% of the amount of the tax in addition to the amount of tax, plus interest on the unpaid tax. If the tax remains unpaid for a period exceeding one calendar month beyond the due date, an additional penalty of 25% plus interest on the unpaid tax and interest on the unpaid penalties is assessed.

## **VIOLATION OF CHAPTER 4.66**

Conviction for violation of San José Municipal Code Chapter 4.66 is deemed a misdemeanor punishable by a fine of not more than \$500 or by imprisonment for a period of not more than 6 months or by both.

## **AUDIT**

The Director of Finance shall have the power to audit and examine books and records of persons or businesses engaged in marijuana business including both state and federal income tax returns, California sales tax returns, etc.

## **WHERE CAN I GET REGISTRATION AND REMITTANCE FORMS?**

Registration and remittance forms are available online at [www.csifinance.org](http://www.csifinance.org). Forms may also be obtained at:

City of San José  
City Hall  
Customer Service Center, 1<sup>st</sup> Floor  
200 East Santa Clara Street  
San José, CA 95113
