PURPOSE

The purpose of this errata is to correct a numerical error in the Mitigated Negative Declaration for the Downtown College Preparatory Relocation Project (City of San Jose, Planning File No. CP16-013). The following project description was outlined in the Mitigated Negative Declaration:

Conditional Use Permit to allow a public secondary school (grades 6-12) use with a maximum enrollment of 1,237 students in buildings totaling 84,998 square feet; and a Site Development Permit to allow the demolition of a 7,027 square foot building, a 10,527 square foot expansion of a legal nonconforming structure, and site improvements on an approximately 3.69 gross acres site.

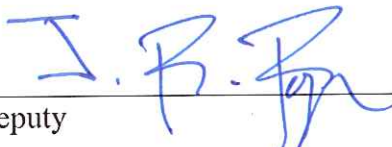

This errata would provide the following numerical correction:

Conditional Use Permit to allow a public secondary school (grades 5-12) use with a maximum enrollment of 1,237 students in buildings totaling 84,998 square feet; and a Site Development Permit to allow the demolition of a 7,027 square foot building, a 10,527 square foot expansion of a legal nonconforming structure, and site improvements on an approximately 3.69 gross acres site.

The numerical correction would not change the analysis completed in the Downtown College Preparatory Relocation Project Initial Study/Mitigated Negative Declaration.
