City Auditor

**SUBJECT:** CITY AUDITOR'S FISCAL YEAR  
2018-19 WORK PLAN

**DATE:** August 9, 2018

## RECOMMENDATION

The City Auditor's Office recommends that the Rules and Open Government Committee review and approve of the City Auditor's Fiscal Year 2018-19 Work Plan.

## BACKGROUND

The mission of the City Auditor's Office is to independently assess and report on City operations and services. To fulfill this mission, the Auditor's Office conducts performance audits that identify ways to increase the economy, efficiency, effectiveness, and accountability of City government, and provide independent, reliable, accurate, and timely information to the City Council and other stakeholders. The City Auditor submits an annual plan to the Rules and Open Government Committee for review and approval. This report presents the City Auditor's proposed work plan for Fiscal Year (FY) 2018-19.

As part of our annual review of potential audit subjects, we solicit audit suggestions from City Council members, members of the public, and staff. We also use information from the City's adopted operating and capital budgets and financial statements to prepare a spreadsheet model of potential audit subjects. The purpose of the model is to help prioritize audit work. It compares the following seven factors: proposed FY 2018-19 expenditures, estimated FY 2018-19 revenue, fund type, proposed number of staff (budgeted full time equivalents, or FTE), estimated fund balance, audit requests, and date of last audit. The results of the model are attached (see Attachment A).

## PROPOSED AUDIT ASSIGNMENTS

The list of proposed audit assignments for FY 2018-19 includes a mix of audits already in process, recurring audits, and additional audit projects that address a wide range of concerns consistent with the City Auditor's areas of responsibility.

## **NEXT STEPS**

As audit work proceeds, I will forward to the City Council monthly reports describing the status and progress towards completing audit projects. As part of our normal audit process, we will notify you when we start each audit to determine if you have any interests or concerns that we can address during our audit. This is intended to ensure that our audits are responsive to your needs. Any subsequent additions to the work plan will be forwarded to the Rules Committee for approval. Generally, audit reports are heard by the appropriate City Council Committee and then cross-referenced to the full City Council for acceptance.
