

City of San José
CLASS SPECIFICATION

TITLE: Apprentice Wastewater Mechanic (3627)

DEPARTMENT	ACCOUNTABLE TO	FLSA STATUS
Environmental Services	Wastewater Mechanical Supervisor	Non-Exempt

CLASS SUMMARY

Under immediate supervision, performs work of routine difficulty in the maintenance, repair, and overhaul of varied San José/Santa Clara Regional Wastewater Facility equipment. Performs related work as required.

DISTINGUISHING CHARACTERISTICS

Apprentice Wastewater Mechanics for the City of San José are regular City employees and are also participants in an established apprenticeship program approved by the State of California, Department of Industrial Relations, Division of Apprenticeship Standards. The Wastewater Mechanic apprenticeship program is administered by the City of San José Apprenticeship Advisory Committee. Both satisfactory grade and attendance in the off-duty courses of education established by the apprenticeship committee are required. The four (4) year program will provide the experience and education in the area of maintenance, repair and overhaul of varied San José/Santa Clara Regional Wastewater Facility equipment. This is the first or entry level classification in the Wastewater Mechanic series.

QUALIFICATIONS

(These qualifications are typically required. An equivalent combination of education, experience, knowledge, skills, and abilities sufficient to satisfactorily perform the duties of the job may be substituted.)

Minimum Qualifications

Education: Successful completion of high school, General Educational Development (G.E.D.) Certificate, or California Proficiency Certificate.

Experience Two (2) years of experience in areas such as lubrication and servicing of mechanized equipment, pumps, small engines, blowers, gas and air compressors, ventilation systems, or automotive equipment; and related duties such as the maintenance of parts and supply inventories, and the maintenance of service records.

Acceptable Substitutions: None.

Required Licensing (such as driver's license, certifications, etc.) Certificate of Registration as a Wastewater Apprentice Mechanic with the Division of Apprenticeship Standards, State of California is required at the time of appointment.
