

FOREWORD TO GENERAL PROVISIONS

This 1992 edition of the City of San Jose Standard Specifications for Public Works Construction, issued by the Department of Public Works, is a complete revision of and supersedes the publication of the same title dated 1975.

General Provisions, Sections 1 through 9 of these City Standard Specifications are complete as included herein. These provisions are patterned after the Caltrans Standard Specifications; however, they have been modified to make them consonant with City of San Jose requirements. In addition, the subsections within Sections 1 through 9 of the City Standard Specifications bear identical numbers and cover the same subject matter of the Caltrans Standard Specifications. Additional subsections have been added to the Caltrans Standard Specifications as necessary to complete these Standard Specifications.
