1. Report on bids and award of contract for Installation of Potable and Non-Potable Water Services and Mains: 2007-2008 to the lowest responsive bidder, San Jose Water Company, for the estimated term of December 2007 to January 2009, in an amount not to exceed \$612,527.13.
2. Report on bids and award of contract for the construction project entitled, "San Jose/Santa Clara Water Pollution Control Plant, FY 2007/2008 TPS VFD Replacement Project," to the low bidder, Blocka Construction, Inc., in the amount of \$192,000; and approval of a contingency in the amount of \$19,000 for a total agreement amount not to exceed \$211,000.

C. Action Item – TPAC Recommendation for Approval Requested

**The following items are scheduled to be approved by the San Jose City Council on October 2, 2007:**

1. Approval of Status Report on South Bay Water Recycling and direction to staff to report back to Council by April 30, 2008, with:
  - a) A draft resolution and proposal reducing the discounts provided to retailers for the purchase of recycled water, effective July 1, 2008;
  - b) Proposed additional classes of customer pricing to reduce the operating deficit and to increase investment funding for future development of South Bay Water Recycling; and
  - c) A recommendation on options for implementing requirements for developer construction of recycled water pipeline extensions and/or developer funding for extensions and system improvements to provide recycled water to new developments
2. Adoption of :
  - a) Principles for development of a long-term cooperative agreement with the Santa Clara Valley Water District on the South Bay Water Recycling program; and
  - b) Direction to staff to negotiate a long-term agreement based on the Council adopted principles; and
  - c) A resolution authorizing the City Manager to negotiate and execute a new South Bay Water Recycling Reimbursement Agreement under which the District will pay the City \$115 per acre foot of recycled water used, for a term of July 1, 2007 through July 15 2008 or until the long term agreement is executed, whichever first occurs.
3. Approval of Status Report on the industrial local discharge limits review and sewer use ordinance update and direction to the City Attorney's Office to prepare an ordinance amending Chapter 15.14 of the San José Municipal Code to modify the local discharge limits for copper, nickel, selenium, and total phenol; to eliminate limits for manganese, total toxic organics and xylene; to conform Municipal Code requirements to federal pretreatment program regulations; to add new definitions; to expand reporting, record keeping, and sampling requirements; and to require industrial pretreatment permit applications 90 days prior to discharge or expiration of existing permit.

D. Information Item – TPAC Item Previously Recommended for Approval

**The following items were approved by the San Jose City Council on August 14, 2007:**

1. Adopt a resolution authorizing the City Manager to execute an agreement to accept easements from San Jose State University to the City for Maintenance of recycled water service connections and meter vaults

serving the Dr. Martin Luther King, Jr. (King) Library and landscape irrigation of the University property at no cost to the City.

2. Approval of a contract time extension of 280 calendar days with Anderson Pacific Construction, Inc., for the South Bay Water Recycling Program, SJ-14 Pump Stations 5 & 8/11 Reliability Project, at no additional cost to the City.
