Representatives of the Magical Bridge Foundation (MBF) will present information about the all-inclusive playground proposed for Emma Prusch Farm Park. The Department of Park, Recreation and Neighborhood Services has been exploring the concept of working with Magical Bridge for more than one year. PRNS applied for and received a \$2M grant from the County of Santa Clara to support this project. MBF will provide fundraising, project management, and design support for a playground with estimated construction cost of approximately \$4M. City Council on May 21, 2018 authorized the City Manager to negotiate and execute a contract with MBF in support of the project and that contract is pending. The intent of this presentation is to provide the commission with the vision of the project, an overview of the project goals, and the proposed schedule.
