Service Delivery Framework

Parks, Recreation and Neighborhood Services Department

Department Budget Summary

Expected 2016-2017 Service Delivery

- Maintain clean and safe parks and trails.
- Protect, preserve, and enhance the natural and cultural resources of parks, trails, watersheds, and open spaces through the Park Ranger Program.
- Launch the Lake Cunningham Action Sports Park, with the opening of the Lake Cunningham Bike Park in late 2016 and installation of new play equipment enhancing the existing Lake Cunningham Regional Park.
- Continue providing access to a variety of recreation programs, using a multi-service delivery model, at the ten “hub” community centers, one therapeutic center, and one hybrid center that are open on average 59 hours per week, and advancing the City Council-approved evaluation of 39 reuse sites, integrating community and provider input to adjust program outcomes as needed.
- Implement a five-year Therapeutic Recreation Services Operational Plan.
- Continue placemaking and park activation, including the Summer in St. James Park, Plaza de Cesar Chavez, Viva CalleSJ, and ¡Viva Parks! community-building programs.
- Continue providing the Summer Aquatics program at six City locations (Alviso, Biebrach, Camden, Mayfair, and Rotary Ryland pools, as well as the Fair Swim Center).
- Leverage gang intervention/prevention grants to deliver valuable community-supportive programs and services and further enhance the Bringing Everyone’s Strengths Together and Safe Summer Initiative Programs.
- Continue evaluating service offerings to determine which programs can become more self-supporting to balance other program activities, support service access, and maintain cost-neutral impacts to the General Fund.

2016-2017 Key Budget Actions

- Adds new positions and reallocates existing resources to support fee activities, offset by fee revenue. This includes the allocation of \$500,000 for the Citywide Scholarship Program to promote affordable access to recreation programs and camps.
- Adds a net 2.5 positions to open regional parks (Almaden Lake, Alum Rock, Emma Prusch Farm, and Overfelt Gardens) on Mondays.
- Adds 7.75 limit-dated positions through December 2019 to support the creation of a Parks Rehabilitation Strike Team, funded by the Park Trust Fund, as a three-year program to address deferred maintenance and infrastructure backlog issues at parks and recreation facilities.
- Adds one-time funding for six temporary positions and non-personal/equipment to continue placemaking and activations efforts through October 2016 with Plaza de Cesar Chavez, Viva CalleSJ, and ¡Viva Parks!. Also adds one-time funding to support the activation of Chris Hotts Park and additional downtown activation by the ¡Viva Parks! program staff.
- Adds one-time funding to pilot an 18-month program analogous to “Project Crackdown” of the 1990’s in the gang-impacted Cadillac neighborhood.
- Adds ongoing funding to continue after-school hours in the area immediately surrounding the Alum Rock Youth Center.

Operating Funds Managed

- Municipal Golf Course Fund

Recreation and Community Services

This action adds one-time non-personal/equipment funding of \$1,521,528 to account for the County's portion of the Senior Nutrition Program costs. As described in the General Fund Revenues section of this document, this funding from the County of Santa Clara Department of Aging and Adult Services, which covers two-thirds of the cost of the program, will be used to reimburse the City's vendor for the cost of meals for seniors at all 13 senior nutrition sites from July 2016 to June 2017. The City pays for the remaining one-third of the cost of the meals.

Additionally, as directed in the Mayor's June Budget Message for 2016-2017, as approved by the City Council, this action adds 1.0 Recreation Program Specialist position dedicated to senior services at the Alma, Mayfair, Roosevelt, Seven Trees, and Southside Community Centers. This position will address various health and social service needs of the senior population for one day a week at each of the centers. (Ongoing costs: \$79,000)

This action adds a net 61.65 positions and reduces non-personal/equipment funding by \$1.9 million to increase and realign resources for a variety of programs funded by the existing Fee Activity Programs. This action:

- Upgrades 0.50 Account Clerk PT to 0.75 Account Clerk PT to align with processing increased Fee Activity revenue;
- Deletes 4.04 Camp Counselor PT, 0.20 Camp Maintenance Worker PT, and 0.40 Camp Recreation Director PT and adds 5.3 Recreation Leader PT as a technical adjustment;
- Deletes 0.76 Camp Counselor PT and 1.0 Cook PT and adds 1.0 Food Service Coordinator to coordinate food services at Family Camp and catering events as part of the Picnic Basket and Double-H Catering Programs;
- Reallocates non-personal/equipment funding to add 2.0 Cook PT to support the Picnic Basket and Double-H Catering Programs at Happy Hollow Park & Zoo (HHPZ);
- Reallocates non-personal/equipment funding to add 15.5 Class Instructor PT to lead leisure classes;
- Adds 33.0 Recreation Leader PT to support the Fee Activity Program (22.0 positions are offset by reallocating non-personal/equipment funding and 11.0 positions are offset by associated fee revenue);
- Adds 3.0 Recreation Program Specialist to support the preschool, Recreation of City Kids (ROCK), and Aging Services programs;
- Reallocates non-personal/equipment funding to add 2.0 Regional Park Aide PT and 5.0 Community Services Aide PT to support park camps and HHPZ fee activity programs; and
- Adds 1.0 Therapeutic Specialist to provide inclusion services and appropriately address the needs of children with disabilities in the preschool and ROCK programs.

2. Fee Activity Program

These programs are delivered by a combination of City staff and outside vendors, and the staffing adjustments reflect the complement of resources to support these programs. The majority of position additions (46.5 positions) reflect the realignment of resources between personal services and non-personal/equipment based on actual experience. The remaining 15.15 position additions will be funded by the revenue generated by these programs. This action also allocates \$500,000 for the Citywide Scholarship Program, funded from Fee Activity revenue, in an effort to promote affordable access to the Parks, Recreation and Neighborhood Services Department's recreation programs and camps. The net additional cost of this action is funded by fee revenue, as described in the General Fund Revenues section of this document. (Ongoing costs: \$1,476,744)

This action adds 8.5 limit-dated positions (0.50 Analyst II PT, 1.0 Associate Engineering Technician, 2.0 Groundswoker, 2.0 Maintenance Assistant, 1.0 Office Specialist II, 1.0 Parks Maintenance Repair Worker I/II, and 1.0 Senior Maintenance Worker) through December 2019 and non-personal/equipment funding to create a Parks Rehabilitation Strike Team (7.75 positions), which will be funded by the Subdivision Park Trust Fund, and to provide increased support for the Capital Infrastructure Team (0.75 positions), which will be funded by the Parks Central Construction and Conveyance Tax Fund. These positions will be funded for a three-year program and will address deferred maintenance and infrastructure backlog issues at parks and recreation facilities. The Parks Rehabilitation Strike Team will concentrate on rehabilitating and refurbishing parks, upgrading irrigation systems, and turf management at reservable sports fields and open spaces that are located within the nexus requirement associated with the use of fees paid by developers. (Ongoing costs: \$629,634)

4. New Parks and Recreation Facilities Maintenance and Operations	5.79	354,000	354,000

Parks Maintenance and Operations

This action adds 5.79 positions (0.50 Community Services Aide PT, 1.0 Groundswoker, 1.0 Maintenance Assistant, 1.0 Maintenance Assistant PT, 1.0 Park Ranger, 0.79 Park Ranger PT, and 0.50 Zoo Keeper PT) and non-personal/equipment funding to cover operating and maintenance costs associated with new facilities coming online in 2016-2017. These facilities include Baypointe Interim Park, Communication Hill Fitness Staircase, Del Monte Park Phase III (land), Happy Hollow Park & Zoo (amusement ride and animals), Iris Chang Park, Spartan Keyes (land), Tamien Park Phase I, TRAIL: Three Creeks (Lonus Street to Minnesota Avenue), and Vietnamese Cultural Heritage Garden. This funding was anticipated in the 2017-2021 General Fund Forecast and the liquidation of an Earmarked Reserve set aside in the forecast for this purpose is described in the General Fund Capital, Transfers, Reserves section of this document. Recreation and Community Services

This action adds one-time personal services funding of \$150,000 for six temporary positions (2.0 Recreation Leader, 2.0 Recreation Program Specialist, 1.0 Recreation Superintendent, and 1.0 Senior Recreation Leader) and one-time non-personal/equipment funding of \$140,000 to continue activation efforts with Viva CalleSJ, ¡Viva Parks!, and Plaza de Cesar Chavez events through October 2016. Additionally, as directed in the Mayor’s June Budget Message for 2016-2017, as approved by the City Council, this action provides one-time personal services (\$28,000) and non-personal/equipment (\$12,000) funding of \$40,000 to expand ¡Viva Parks! to encourage activation of Chris Hotts Park.

Viva CalleSJ is a free recreational program that closes approximately six miles of scenic San José streets and brings people and the community together to walk, bike, skate, play, and explore the City. Viva CalleSJ will occur on September 18, 2016 and the route will include the Japantown, Willow Glen, Burbank/West San Carlos, and Downtown San José areas. ¡Viva Parks! events are safe and fun for the community and approximately 24 will be held throughout the summer at various parks in East San José. The Chris Hotts Park activation is an expansion of ¡Viva Parks! to be held in Spring 2017. ¡Viva Parks! events vary but may include healthy food demonstrations, zumba and martial arts demonstrations, bounce houses, cultural dance performances, large group games, skate jams and climbing wall, and movie nights. PRNS will also coordinate daily activation at Plaza de Cesar Chavez that will draw participants during early morning, lunch, and dinner times. Activation activities include, but are not limited to, yoga, games, food trucks, a beer garden, and music. A portion of these costs will be offset by booth rental revenues (\$40,000), as described in the General Fund Revenues section of this document. It is also anticipated that the department will receive grant revenues to support these programs. (Ongoing costs: \$0)

Recreation and Community Services

As directed in the Mayor’s June Budget Message for 2016-2017, as approved by the City Council, this action adds 1.0 Community Activity Worker and 1.0 Community Coordinator positions limit-dated through December 31, 2017, on a pilot basis, to restart a program analogous to “Project Crackdown” of the 1990s in the gang-impacted Cadillac neighborhood. Project Crackdown is a comprehensive program that uses principles of community partnership, community development, neighborhood empowerment, and coordination of a broad range of City services to address the problems of gangs, drugs, and neighborhood blight; and works to strengthen neighborhoods, teach residents how to interact and receive City services, and coordinates City services to address ongoing neighborhood/community issues. The Community Coordinator and Community Activity Worker positions will conduct outreach, inform residents of City services, and boost community engagement. The Administration will provide a status update to the Public Safety, Finance, and Strategic Support Committee twice during the 18-month pilot. (Ongoing costs: \$0)

As directed in the Mayor's June Budget Message for 2016-2017, as approved by the City Council, this action adds 2.0 Recreation Leader, 1.0 Recreation Program Specialist, and 1.0 Senior Recreation Leader positions limit-dated through June 30, 2017 and one-time non-personal/equipment funding of \$25,000 to support the initial operations for the Vietnamese-American Community Center at the Shirakawa Community Center. The City will be the lead operator, work to transition this center to a reuse model, and will partner with non-profits to deliver services to the Vietnamese-American community. Additionally, the shared use of the Shirakawa Community Center entails a number of one-time costs related to transitioning Work2Future to the center's new operation model, which is described in the General Fund Capital, Transfers, Reserves section of this document. Funding to support planning and fundraising efforts for a new Vietnamese-American Community Center can be found in the City Manager Department, City-Wide Expenses, and General Fund Capital, Transfers, Reserves sections of this document. The center is anticipated to open October 2016. (Ongoing costs: \$0)

Recreation and Community Services

This action adds 4.5 Recreation Leader PT positions that will be assigned to the Almaden, Bascom, Camden, Mayfair, Roosevelt, and Seven Trees sites to maximize rentals of gymnasiums or multipurpose rooms with a maximum capacity of at least 430 people, as these are frequently rented spaces. These positions complement the existing rental team by providing consistent staff on site to assist community members with rental inquiries during all hours of operation as well as increase rentals during periods that are currently underutilized. The cost of these positions is fully offset by increased rental revenues, as described in the General Fund Revenues section of this document. (Ongoing costs: \$204,138)

9. Regional Parks – Monday Opening	2.50	144,540	144,540

Parks Maintenance and Operations

This action adds a net 2.5 positions to open all regional parks on Mondays, including Almaden Lake, Alum Rock, Emma Prusch Farm, and Overfelt Gardens Parks. As a budget balancing action in 2009-2010, these parks were closed on Mondays, which was traditionally the slowest day of the week. The 2015-2016 Adopted Budget provided one-time funding for 1.0 Maintenance Assistant to re-open Almaden Lake Park and adjacent trails on Mondays. This action makes permanent the 1.0 Maintenance Assistant for Almaden Lake Park and also adds 2.0 Maintenance Assistant and deletes 0.5 Maintenance Assistant PT positions to re-open Alum Rock, Emma Prusch Farm, and Overfelt Gardens Parks on Mondays to allow residents and users of the park access seven days per week. <i>Recreation and Community Services</i>			
<p>As directed in the Mayor's June Budget Message for 2016-2017, as approved by the City Council, this action provides one-time funding of \$100,000 to lease high school pools in disadvantaged neighborhoods for recreational swimming opportunities. It is anticipated that sites will be secured with the East Side Union High School District for operation in the 2017 summer season. While some children in the City have access to public pools and private clubs during the summer, the City has one of the lowest rates of access to public pools of any city in the nation. This action also provides one-time funding of \$16,000 to provide 150 swim lesson scholarships to economically disadvantaged children at the Mayfair Community Center. While the Mayfair Community Center has an excellent pool, lessons appear cost-prohibitive to many in the community. Swim lessons provide recreation, health, and safety benefits to youth. 13. Corporate Connections Program

that was selected in winter 2015 by the ESPP Committee. The Analyst position will implement a one-year pilot of the Corporate Connections Program, a model of volunteer management combined with corporate social responsibility. As part of the pilot program, PRNS volunteer program staff will recruit volunteers from local businesses and corporations, who in turn pay a fee to the City for their employees to volunteer in parks. This program targets 24 events in the first year, and the fee per participating volunteer will fund park materials for the volunteer activity and park maintenance. The temporary Analyst I will support the Program Manager I to develop policies and procedures, marketing tools, and conduct outreach activity to test the viability of the pilot program. PRNS will evaluate the success of the Corporate Connections Program and the need for an ongoing program, which will be brought forward as part of the 2017-2018 Proposed Budget, as appropriate. (Ongoing costs: \$0)

Parks Maintenance and Operations

As directed in the Mayor's June Budget Message for 2016-2017, as approved by the City Council, this action adds 1.0 Park Ranger position to provide a roving presence in small neighborhood parks with municipal code violations and high criminal activity, as deployment of Park Rangers currently is limited to larger regional parks due to limited staffing resources. In partnership with the Santa Clara Valley Water District, this action also extends funding for 2.0 Park Ranger positions through June 30, 2017. The City's Homeless Response Team Program, which began in 2013-2014, provides the City with a stronger infrastructure for addressing the needs of homeless residents, including the response relating to encampments and the concerns of community members and businesses. The Water District-funded positions will continue the patrol and enforcement of illegal camping and protection of water quality and wildlife along Coyote Creek and the Guadalupe River Park corridors. These corridors, representing 28 miles of trails, serve as the City's gateway; the encampments create public safety and habitat destruction issues in this area. The cost for the Water District-Funded Park Rangers are budgeted in the City-Wide Expenses section of this document, offset by \$175,000 in revenue from the Santa Clara Valley Water District. (Ongoing costs: \$85,900)

Recreation and Community Services

As directed in the Mayor's June Budget Message for 2016-2017, as approved by the City Council, this action provides one-time non-personal/equipment funding for the Grace Community Center Shower Program. The Grace Community Center serves a large population of homeless and showers are an essential service for unsheltered homeless who often lack access to a shower facility. Those who have difficulty accessing showers face steep health challenges. PRNS is collaborating with the Housing Department and the Housing Trust to provide showers that would enhance access in the downtown area on a one-time basis. Additionally, as described in the General Fund Capital, Transfers, Reserves section of this document, funding is allocated in the Grace Community Center Reserve to offset any potential shortfalls and ensure no disruptions related to services provided in 2016-2017. This center is in the Community Center Reuse Program but currently does not have a youth and teen provider. Based on community needs, this addition will allow the PRNS Department more time to secure a reuse operator that will provide youth continued access to safe and supervised activities. This is a much-requested amenity within the Park's flexible space and will simultaneously manage risks, addressing community concerns with more flexibility, and validate the benefits of community gathering spaces and neighborhood interaction. The Park Ranger position will monitor the program, San José Municipal Code, park policies and procedures and fee collection (parking) compliance. The part-time Maintenance Assistant position will keep this area clean and maintained. This action upgrades 2.13 Senior Recreation Leader PT to 3.0 Senior Recreation Leader positions to support key operations at Leininger Center, including revenue processing, wedding coordination, and sport field reservations. The demand for reservations and permits has increased in areas such as ceremonies/weddings and sports facilities. To address this growth, one position will be responsible for revenue collections and will ensure timely processing of payments and refunds. Two positions will assist customers with ceremony-related needs and sports field reservations during all hours of operation. The cost of these positions are fully offset by increased reservation revenues, as described in the General Fund Revenues section of this document. (Ongoing costs: \$67,642)

This action increases the PRNS Department's non-personal/equipment funding for vehicle maintenance and operations related to the Enterprise Asset Management (EAM) Team Support and Portable Generators Replacement budget changes, as described in the Public Works Department section of this document. The EAM Team Support action reallocates funding for 1.0 Network Engineer position and 2.0 Information Systems Analyst positions between the Vehicle Maintenance and Operations Fund and various capital funds and adds 1.0 Senior Systems Applications Programmer in the Vehicle Maintenance and Operations Fund to better align and augment the Department's Technology Services Section EAM team. The added position will provide crucial support and ensure continuity of service from the EAM team to the Fleet and Facilities Maintenance Divisions of the Public Works Department. In addition, one-time funding is included for the replacement of four portable generators that are non-compliant with emission standards and are more than fifteen years old. (Ongoing costs: \$20,600)

This action provides ongoing funding of \$25,000 towards the Family Camp Campership Program, which provides a discount to low-income families. Family Camp provides a unique, accessible, and all-inclusive Yosemite wilderness experience for families, and great summer job experiences for local San José youth and young adults. While modest, the cost remains prohibitive for many San José families. This funding enables qualifying low-income families to enjoy the Family Camp experience at no charge or at a reduced price. The Christmas in the Park Foundation reimburses the City for Christmas in the Park program costs, as described in the General Fund Revenues section of this document. (Ongoing costs: \$18,000)</p>			
24. Positive Coaching Alliance		15,000	15,000
Neighborhood Services CSA <i>Recreation and Community Services</i>			
<p>This action adds one-time funding of \$15,000 to support a program by Positive Coaching Alliance (PCA), in partnership with the San Jose Earthquakes and the City of San José. This funding will support the City's youth sports organizations to train coaches to focus on teaching life lessons (resiliency, determination, teamwork, for example) and create an affirming environment for athletes, using PCA's Double Goal Coach Workshop and Curriculum. Child obesity appears partly attributable to the sports drop-out rate: 70% of kids drop out of organized sports by the time they are 13 years old because they no longer enjoy it. The rate of sports participation among kids has dropped 5% in the last half-decade. Many blame the "win at any costs" mindset of many parents and coaches. This program will strive to address that. (Ongoing costs: \$0)</p>			
25. Alum Rock Parking Pilot Program	0.00	(30,000)	(30,000)
Neighborhood Services CSA <i>Parks Maintenance and Operations</i>			
<p>As discussed in the General Revenue Estimates section of this document, this action offsets a projected loss of parking revenue of \$30,000 with a one-time defunding of a 0.67 Recreation Leader PT position, responsible for general assistance at regional parks. The PRNS Department anticipates minimal impact to customer service as there are generally vacancies at that level. The projected revenue reduction relates to a pilot program to address parking issues outside Alum Rock Park. Since the implementation of parking fees, there has been an increase in parking in the Rock Canyon Circle residential area, which is outside the park entrance. The pilot program will allow time to assess the ongoing impact of free parking in designated parking lots within the park. Further details on this pilot program were provided at the May 24, 2016 Council meeting. (Ongoing costs: \$0)</p>

This action realigns staff in the Adopt-A-Park and Community Gardens programs, Mayor's Gang Prevention Task Force, and Parks Division management and maintenance teams to provide better service delivery.

Adopt-A-Park and Community Gardens: deletes 0.3 Recreation Leader PT currently supporting the Adopt-A-Park program and shifts this work to a Community Activity Worker that will be upgraded from 0.75 Community Activity Worker PT to 1.0 Community Activity Worker. Currently, the Community Activity Worker PT only supports the Community Gardens program; the upgraded position will play a greater role with the overall Parks Volunteer Management Program due to this position's higher level of knowledge, skills, and experience. (Ongoing costs: \$0)

Mayor's Gang Prevention Task Force: reallocates existing funding to add 2.0 Youth Outreach Specialist and delete 1.0 Community Coordinator and 0.5 Youth Outreach Worker positions to realign staff with changes in the Safe School Campus Initiative (SSCI) program model. SSCI aims to create a safer environment at high school and middle school campuses and changed its model in 2015-2016 to include case management as part of its service delivery. The Youth Outreach Specialist positions will provide day-to-day program supervision of a team of Youth Outreach Workers, provide case management to program participants, and serve as the school liaison; these responsibilities are currently assigned to the deleted Community Coordinator and Youth Outreach Worker positions. A remaining Community Coordinator will serve as the SSCI program supervisor and will directly manage the Youth Outreach Specialists, prepare monthly program status and data reports, and implement the annual work plan. (Ongoing costs: \$0)

Parks Division Maintenance and Management: adds 7.0 Maintenance Assistant positions and deletes 9.2 Maintenance Assistant PT positions, for a net reduction of 2.2 positions, to realign the park maintenance staffing complement and provide consistent coverage and service delivery. Under this model, work will be shifted to the 7.0 Maintenance Assistant positions that will have greater experience and expertise to complete responsibilities, such as minor repairs, independently. This allows other team members to complete their maintenance activities more efficiently. This action also adds 1.0 Division Manager and deletes 1.0 Parks Manager in the Parks Division to provide a higher level of management support for this division. In addition, partial funding for four positions (0.25 Analyst II, 0.20 Deputy Director, 0.16 Division Manager, and 0.20 Senior Analyst) are being shifted from the General Fund to the Parks Central Construction and Conveyance Tax Fund to align job duties with the funding source.
