ENROLLMENT/CHANGE FORM**

Eligible employees can elect up to \$225 per month (\$112.50 semi-monthly; deducted the first two paydays of each month), pre-tax for qualifying transit expenses. Eligible employees are full-time and part-time benefited City employees classified at 20 hours per week or more. Part-time unbenefited are not eligible to participate. For the 2024 year, the City will pay the administrative fee of \$2.50 per employee per month.

For 2024, Federal tax rules allow up to \$315 per month in pre-tax transportation benefits. Since the City is providing eligible employees with SmartPass as a transportation benefit, \$90 per month, the market value of the SmartPass, is allocated towards the current limit of \$315 per month. Therefore, employees can elect up to a maximum of \$225 per month for the Pre-Tax Commuter Benefit.

The SmartPass allows employees to use VTA transit services (Light Rail and Buses) free of charge and Express Buses at a 50% discount. The Commuter Benefit allows employees to pay for non-VTA transit services, such as BART, Caltrain, Highway 17 Express Bus, ACE train and Vanpools with pre-tax dollars.

By signing below, I elect to participate in the City of San José’s Pre-Tax Commuter Benefit Program and have my transportation/commuter election amount deducted semi-monthly on a pre-tax basis. I have entered my semi-monthly election amount in the space provided below. I understand that my election will continue to apply unless and until I complete and submit an Enrollment/Change Form to change my election to Human Resources. I understand that any change to my election will be effective the first semi-monthly payday of the next month, as long as my Enrollment/Change Form is received and processed by Human Resources before the payroll cutoff date.
