

WHAT TO RECYCLE

Look up what's recyclable at SanJoseRecycles.org

Three Tips to Recycle Clean

1 When in doubt, find out at SanJoseRecycles.org.

2 Empty and scrape contents into the garbage before recycling.

3 Remember: No food or liquid in the recycling.

Plastic

Clean Paper

Metal

Glass

Keep these out of your recycling:

Snack Bags & Wrappers

Food-Soiled Containers

Plastic Bags, Wrap, and Film

Styrofoam™

Diapers & Pet Waste

Garbage

In San José, food scraps are separated at special facilities to make compost.

Bag all food, food-soiled items, and compostable products and place in your garbage.

Household Hazardous Waste*

Schedule a **FREE** drop-off appointment. Visit hhw.org or call (408) 299-7300.

*Do not place these items in the garbage or recycling containers.

FREE Junk Pickup*

Schedule your **FREE** curbside pickups of large items at sjenvironment.org/junkpickup

*Do not place these items in the garbage or recycling containers.

Yard Trimmings*

Place your yard trimmings loose in the street, or in your optional yard trimmings cart for collection.

*This section is only applicable to single-family homes.
