Proposal

Program/Project Title: **Los Gatos-Almaden Sidewalk / Crosswalk Enhancements**

Amount of City Funding Required: **\$ 1,606,000**

Fund Type (i.e. General Fund, C&C funds, etc.): **General Fund**

One-time Ongoing

Proposal Description, including anticipated outcomes (describe how change would affect services for San José residents, businesses, community groups, etc.):

Safety in and around our schools is of the utmost importance. We are responsible for providing a safe route to school for our students as they travel to and from their academic studies. Currently, we have failed to provide a safe path in a few places on Los Gatos-Almaden Blvd., in the area around Leigh High School.

There are two parcels on Los Gatos-Almaden Blvd. which do not contain a sidewalk, and students are forced to into this busy road as they travel to school, towards the crosswalk on the corner of Leigh and Los Gatos-Almaden Blvd.
