This proposal would provide the San José Parks Foundation with a \$10,000 operating grant.

San Jose Parks Foundation is a community-based nonprofit organization dedicated to advocating for San Jose's parks and trails and the programs within them, by empowering residents and volunteers and securing private donations.

Additionally, they have become a tremendous mechanism as a fiscal receiver for many of our neighborhood groups around the city. Most recently with the Thousand Oaks Neighborhood Association, acting as a fiscal agent along with a fundraising component to assist them with the creation of a park on undeveloped open-space.
