

Park Ranger PSA

English:

Hi, my name is _____. We're really glad so many of you are out enjoying our awesome City parks. But in order to keep them open, we need everyone to remember just a few simple rules.

So number one: stay home if you're sick.

Number two: do not gather in large groups or engage in any group activities.

Number three: maintain six feet of distance between yourself and others at all times.

And number four: do not use high-use areas like dog parks, athletic fields or outdoor equipment.

If everyone does their part, we can keep our parks open for all. Thank you.
