Capital Contributions

1. Capital Contributions: Children's Discovery Museum Chiller Replacements

700,000

Strategic Support CSA

This action replaces two chillers at the Children's Discovery Museum. The current two chillers are each 27 years old and are beyond their serviceable life, which is estimated to be 20 years. Maintenance costs of this equipment have been increasing and the equipment is failing. This project is partially funded by the projected growth in the General Fund's share of the Transient Occupancy Tax (\$450,000) that is set aside for capital replacement and maintenance of City-owned cultural and arts facilities. As directed in the Mayor's March Budget Message for Fiscal Year 2014-2015, as approved by the City Council, the growth in the General Fund portion of TOT revenue above the 2013-2014 base year is to be set aside for cultural and arts facilities capital replacement and maintenance, as described in more detail in the City-Wide Expenses section of this document. (Ongoing costs: \$0)

2. Capital Contributions: Children's Discovery Museum Portico Reroof

250,000

Strategic Support CSA

This action provides one-time funding to reroof the portico at the Children's Discovery Museum. This project will address roof leaks and structural damage to the portico over the walkway to the museum caused by water infiltration. (Ongoing costs: \$0)

3. Capital Contributions: City Hall Security Improvements

50.000

Strategic Support CSA

This action provides one-time funding to enhance security at City Hall, which includes restricting access to the City Hall Tower roof by installing a gate at the 18th floor deck at the south stairs and securing the south stairs from the public by adding a double gate at the Sixth Street entrance. These security upgrades will help minimize unexpected costs from vandalism, improve public safety, and restrict access to vulnerable parts of the facility. (Ongoing costs: \$0)

4. Capital Contributions: Downtown Ice Rink Improvements

100,000

Strategic Support CSA

This action, in partnership with the San Jose Downtown Association (SJDA), provides one-time funding for a variety of capital improvements to Downtown Ice, the holiday ice rink at the Circle of Palms, including dasher board rehabilitation, lighting upgrades, and other miscellaneous equipment replacement and enhancements. This funding pays for one-half of the approximately \$200,000 renovation costs, with SJDA supplying the remaining amount. (Ongoing costs: \$0)

5. Capital Contributions: Municipal Garage Repainting

120,000

Strategic Support CSA

This action provides one-time funding to repaint the Municipal Garage that currently houses the San José police vehicle fleet. This project includes surface preparation such as grinding, sanding, and filling cracks and painting the surface with an elastomeric coating. This project will protect the structure from water infiltration. (Ongoing costs: \$0)

6. Capital Contributions: Police Administration Building Visitors Parking Lot and Campus Asphalt Repairs

150,000

Strategic Support CSA

This action provides one-time funding to remove and replace the asphalt at the Police Administration Building visitors parking lot, and restore the striping, signs and markings back to the original configuration. This project will also address the pavement needs for the restricted areas of the police campus. The current pavement surface is severely deteriorating and experiencing wear that would be more costly to repair in the future. (Ongoing costs: \$0)

7. Capital Contributions: Police Communications Center Parking Deck and Ramp Restoration

350,000

Strategic Support CSA

This action provides one-time funding to restore the parking deck and ramp at the Police Communications Center back to its original condition, which includes extensive preparation of asphalt and concrete surfaces, such as grinding and sealing cracks. There have been recent observations of water infiltration and this action will prevent damage to the structure and equipment below. (Ongoing costs: \$0)

8. Capital Contributions: Unanticipated/Emergency Maintenance

150.000

Strategic Support CSA

This action provides one-time funding to address unanticipated maintenance needs and correct safety problems at City-owned facilities. This funding will increase the allocation in 2014-2015 from the base budget level of \$600,000 to \$750,000. There continues to be unmet/deferred infrastructure and maintenance items that need urgent funding on an unplanned basis city-wide and the base allocation is likely not sufficient based on recent experience. An ongoing increase to this allocation in future years will be brought forward for City Council consideration as appropriate. (Ongoing costs: \$0)

9. Capital Contributions: United States Patent and Trademark Office – City Staff Relocation		4,450,000

Strategic Support CSA

On April 15, 2014, the City Council authorized the City Manager to execute a lease with the United States Government for the operation of a regional patent and trademark office to be located in approximately 35,000 square feet of space in the City Hall wing. This lease will necessitate the relocation of City staff. This action provides one-time funding of \$4.5 million for the construction costs associated with the remodeling of the space within the City Hall Tower to house relocated City staff from the City Hall Wing. This action includes programming, procurement of design-build vendor, design management, and construction management services (\$4.1 million) and the associated furniture, fixtures, and equipment (\$362,000). In the first five years, beginning in 2015-2016, the projected lease revenue of \$5.0 million over that period from the patent and trademark office will be sufficient to offset the relocation costs. Transfers to Other Funds

1. Transfers to Other Funds: Community Facilities Revenue Fund/ Hayes Mansion (900,000)

Strategic Support CSA

This action decreases the transfer to the Community Facilities Revenue Fund that accounts for the operation of the Hayes Mansion facility. A one-time \$900,000 reduction to the 2014-2015 debt/operating subsidy to Dolce, the operator of the Hayes Mansion Facility, is possible as a result of lower than anticipated interest rates on the variable rate debt for Hayes Center - Phase III debt service and letter of credit fee reductions in 2013-2014 resulting from the debt refunding in spring 2013. The ongoing savings from these transactions have already been captured in the 2015-2019 General Fund Forecast. (Ongoing savings: \$0)

2. Transfers to Other Funds: Ice Centre Revenue Fund - Former RDA SERAF Loan Repayment

2,045,000

Community and Economic Development CSA

This action establishes a transfer to the Ice Centre Revenue Fund in the amount of \$2,045,000 to repay the May 2010 Supplemental Education Revenue Augmentation Fund (SERAF) loan (\$2.0 million principal, estimated \$45,000 interest) due June 30, 2015. A total of three transfer appropriations totaling \$10.2 million are included (Sewage Treatment Plant Connection Fee Fund -\$5.1 million; Subdivision Park Trust Fund - \$3.1 million; and Ice Centre Revenue Fund - \$2.0 million). These loans were originally necessary in order for the former Redevelopment Agency to make the State mandated payments to the SERAF. The transfers to repay the loans are offset by the liquidation of the Successor Agency City Legal Obligations Reserve (\$8.0 million) and estimated 2013-2014 expenditure savings as a result of a lower anticipated General Fund net subsidy (\$1.5 million) to the Successor Agency to the Redevelopment Agency. In addition, the reduction of the 2014-2015 estimated General Fund subsidy, as discussed elsewhere, will fully offset these payments. It is important to note that loans such as these may be deemed an enforceable obligation of the Successor Agency contingent upon requirements as outlined in AB 1484 with repayment anticipated in later years. The Administration continues to work through these requirements; however, this action satisfies the amounts due to these special funds and realigns the loan between the City and Successor Agency between the City's General Fund and the Successor Agency. 2. Earmarked Reserves: 2015-2016 Evergreen Branch Library Saturday Hours Reserve

119,845

Neighborhood Services CSA

This action establishes a reserve to fund Saturday service at the Evergreen Branch in 2015-2016 through March 2016. A separate budget action in the Library Department provides funding for this service in 2014-2015. Currently, the Evergreen community has only one library until the new Southeast Branch Library is opened, which is tentatively scheduled for March 2016. Included in this reserve is funding for 2.88 positions and \$15,000 for utility costs associated with the additional day of operation. (Ongoing costs: \$0)

3. Earmarked Reserves: 2015-2016 Future Deficit Reserve

2,400,000

Strategic Support CSA

This action establishes the 2015-2016 Future Deficit Reserve of \$2.4 million. The 2015-2019 General Fund Forecast that was issued in February 2014 projected an ongoing \$4.2 million General Fund shortfall for 2015-2016. This shortfall is now projected to total \$2.4 million based on changes implemented in this Adopted Budget, including an ongoing increase to Property Tax revenue (\$4.2 million) partially offset by the reallocation of Police Tier 2 retirement benefits savings to fund Police Department staffing needs (\$2.4 million anticipated in 2015-2016). (Ongoing costs: \$0)

4. Earmarked Reserves: 2015-2016 Homeless Rapid Rehousing Reserve

Community and Economic Development CSA

As directed in the Mayor's March Budget Message for Fiscal Year 2014-2015, as approved by the City Council, this action establishes a 2015-2016 Homeless Rapid Rehousing Reserve to maintain the current level of funding through 2015-2016. In 2013-2014, funding was added to provide these services through 2014-2015. The primary purpose of the rapid rehousing effort (described in further detail in the City-Wide Expenses section of the document) is to engage transitionally homeless individuals from targeted encampments with a history of sustained San José residency and provide them with supportive services and rental subsidies to successfully assist them in their transition from homelessness to permanent housing. As directed in the Mayor's March Budget Message for Fiscal Year 2014-2015, as approved by the City Council, this action establishes a 2015-2016 Homeless Response Team Reserve to maintain the current level of funding through 2015-2016. In 2013-2014, funding was added to provide these services through 2014-2015. This program (described in further detail in the City-Wide Expenses section of this document) provides the City with a stronger infrastructure for addressing homelessness, including the response related to encampments and the concerns of community members and businesses regarding individuals living in encampments. (Ongoing costs: \$0)

6. Earmarked Reserves: 2015-2016 San José BEST and Safe Summer Initiative Programs Reserve

1,500,000

As directed in the Mayor's March Budget Message for Fiscal Year 2014-2015, as approved by the City Council, this action establishes a 2015-2016 San José Bringing Everyone's Strengths Together (BEST) and Safe Summer Initiative Programs Reserve to maintain the current level of funding of \$4.6 million annually through 2015-2016. The San José BEST and Safe Summer Initiative Programs support gang prevention and intervention efforts by providing funding to various community-based organizations and other government agencies that provide direct gang intervention services. (Ongoing costs: \$0)

7. Earmarked Reserves: Air Service Incentive Program Reserve

1,000,000

Transportation and Aviation Services CSA

The Municipally Funded Air Service Incentive Program, a provision of the Airline-Airport Lease and Operating Agreements approved by the City Council in March 2007, requires that should the percentage growth in annual enplanements at the Airport exceed the growth in annual enplanements nation-wide, the City shall reduce the amount of its indirect overhead expenses in the following fiscal year by a corresponding percentage. Based on activity levels in 2013-2014, it is anticipated that the enplanements at the Airport will exceed the Federal Aviation Administration's projection of 0.8% for national enplanement growth in 2013-2014 by at least 6.4 basis points (total 7.2 basis points). Therefore, a reduction to the 2014-2015 overhead payment from the Airport to the General Fund is anticipated in 2014-2015. To account for this adjustment, the establishment of a \$1 million reserve allows for a reduction in the overhead rate by approximately 6.4 basis points. The reconciliation of actual 2013-2014 performance occurred as part of the 2013-2014 Annual Report. On an ongoing basis, \$500,000 is set aside for this purpose as the General Fund already provided almost \$500,000 as part of this program in 2013-2014. (Ongoing costs: \$500,000)

8. Earmarked Reserves: Artificial Turf Capital Replacement Reserve

200,000

Neighborhood Services CSA

This action establishes a reserve to set aside funds for the cost of replacement of artificial turf fields at various neighborhood parks. There are currently seven artificial turf fields throughout the City and several planned in the near future. Turf fields are expected to last approximately ten years and the cost to replace a field is approximately \$800,000. These funds are available from the projected field reservation revenues collected above the estimated costs to reserve and maintain the fields. (Ongoing costs: \$0)

9. Earmarked Reserves: Business Tax System Replacement Reserve

850,000

Strategic Support CSA

This action establishes an \$850,000 reserve for the replacement of the City's Business Tax System. The City's current Business Tax System is integrated into the City's Integrated Billing System (IBS) used for utility billing. The current billing system will no longer be supported after June 2015 as a result of the transition of utility billing for single-family dwelling residential dwellings to the County of Santa Clara Property Tax roll. Therefore, a new Business Tax System is needed to manage over 84,000 active annual Business Tax accounts generating approximately \$11.0 million in revenue annually. Previously, \$1.9 million was appropriated for the Business Tax System replacement during the prior two fiscal years and unspent funding of \$1.4 million was rebudgeted into this reserve, bringing the total allocation to \$2.3 million. This action sets aside funding for system and implementation costs and the necessary 2014-2015 funding for staffing, which represents six months of the estimated nine month transition timeline. Based on an initial Request For Proposal (RFP) that was conducted in 2012-2013, additional funding is anticipated to be necessary for the purchase and implementation of a Business Tax System Replacement. A revised RFP was issued in January 2014, and as part of this RFP review process, implementation costs and ongoing costs will be evaluated based on the responses and any necessary budget adjustments for this project will be brought forward for City Council consideration accordingly. 11. Earmarked Reserves: Fiscal Reform Plan Implementation Reserve

500.000

Strategic Support CSA

This action increases the Fiscal Reform Plan Implementation reserve by \$500,000 to fund litigation-related costs associated with implementing the Fiscal Reform Plan. When combined with the Fiscal Reform Plan Implementation Reserve rebudget of \$1.0 million, a total of \$1.5 million is available for this purpose. (Ongoing costs: \$0)

12. Earmarked Reserves: Human Resources/Payroll System Reserve

1,000,000

Strategic Support CSA

This action establishes a \$1.0 million reserve for a Human Resources (HR)/Payroll solution. Transfers from Special and Capital Funds of \$234,000 will offset a portion of this cost for a net General Fund impact of \$766,000. In December 2012, the current Oracle system reached its end of life and an upgrade was scheduled for 2012-2013 with funding of \$2.47 million (\$1.82 million in the General Fund) appropriated to complete the upgrade. This project was delayed as a result of limited staffing resources; however during that period, the HR/Payroll Steering Committee, comprised of the Finance, Human Resources, and Information Technology Departments, surveyed the market through a Phase I Request For Proposal (RFP) process to identify potential alternatives to an upgrade of the current system. The results of the Phase I RFP determined that there are a number of solutions available in the marketplace, ranging from an upgrade to a complete outsourcing of the payroll function. Based on those results, the HR/Payroll Steering Committee elected to broaden the types of potential solutions that could best meet the City's requirements. A Phase II RFP was issued in April 2014. Replacement of the City's current budget system was also included in the RFP to ensure an integrated approach, which would allow more investment in functionality, rather than funding interfaces between systems that were procured independent of each other.

Funding of \$2.4 million was rebudgeted into this reserve for a total allocation of \$3.4 million. This funding provides the estimated resources necessary for 1) a new solution and implementation; 2) 2014-2015 staffing backfill resources which represents nine months of an estimated 18-month transition timeline; and 3) a 15% project contingency reserve. As part of the evaluation process of the current RFP, implementation services and ongoing costs will be evaluated based on the vendor responses and any necessary budget adjustments for this project will be brought forward for City Council consideration accordingly. Allocated in the Parks, Recreation and Neighborhood Services Department section of this document, these include costs associated with Del Monte Park, Martial-Cottle Community Garden, Agnews Park and Community Center (Undeveloped), West Evergreen Park, Montecito Vista Park, Trail: Penitencia Creek 1B (Dorel Dr. to Noble Ave), Vista Montana Park (Turnkey) – Phase 2, Roberto Antonio Balermino Park, and Trail: Thompson Creek (Tully Road to Quimby Ave). (Ongoing savings: \$253,000)

15. Earmarked Reserves: Police Department Staffing Reserve

10,002,200

Public Safety CSA

This action establishes a Police Department Staffing Reserve as directed in the Mayor's June Budget Message for Fiscal Year 2014-2015, as approved by the City Council. Manager's Budget Addenda #14 and #24 provided a four-year Police Staffing Strategy to reach a level of 1,250 officers and prioritized the burglary investigation unit. These staffing and service level restorations will require substantial new resources. This reserve starts setting aside resources to address this need. Funding will be set aside annually until the 141 positions needed to reach 1,250 officers have been added. This reserve will be funded by ongoing cost savings from new police officers who receive Tier 2 retirement benefits and one-time savings within the Police Department from unfilled positions that are not rebudgeted for police overtime or other urgent needs. In 2015-2016, this reserve is expected to total \$3.0 million and includes \$2.4 million in estimated Tier 2 retirement savings in 2015-2016 as well as \$552,200 assumed as part of the 2014-2015 budget actions. (Ongoing costs: \$2,952,200)

16. Earmarked Reserves: Salary Program – Employee Compensation Planning Reserve

(5,497,000)

Strategic Support CSA

This action decreases the Employee Compensation Planning Reserve, offset by increases to department budgets described elsewhere in this document, to fund a 3% salary increase that was negotiated and agreed to by the City and four bargaining units, including Municipal Employees' Federation (MEF), Confidential Employees' Organization (CEO), Association of Legal Professionals of San José (ALP), and the International Union of Operating Engineers, Local No. 3 (OE#3), effective June 22, 2014. In addition, a 3% salary increase is included for those employees in Unit 99 and for Council Appointees. These salary increases were approved by the City Council on June 3, 2014. Agreements were also reached with other bargaining units; however, due to the timing of those agreements and the publication of memorandums necessary for the final budget adoption, those adjustments were included in the 2013-2014 Annual Report as appropriate.
