TIPS

FOR RECYCLING CLEAN

When in doubt, find out at SanJoseRecycles.org

Household hazardous waste

Visit hhw.org for free appointments and drop off locations.

Flatten cardboard boxes

Cardboard boxes should be flattened and empty of other packaging.

Empty and scrape

Empty and scrape food and liquid out of containers before recycling.

No food-soiled containers

Items soiled with food, such as takeout containers, belong in the trash.

No overflow

Do not overfill or place extra garbage in your recycling. If you have excess garbage, purchase an extra garbage sticker.

Loose recyclables only

Recyclables should be loose in the cart or bin, never bagged. Place extra recyclables in clear bags and set next to the recycling cart (residential/mobile homes only).
