Public Safety

2015-2019 Proposed Capital Improvement Program

Overview

INTRODUCTION

The Public Safety Capital Program funds capital improvements for the Fire Department to effectively provide emergency services.

PUBLIC SAFETY CAPITAL ASSETS	
Fire Stations	33
Fire Apparatus	208

The 2015-2019 Public Safety Capital Improvement Program (CIP) totals \$43.2 million, of which \$13.9 million is programmed in 2014-2015. This program is part of the Public Safety City Service Area and supports the following outcome: *The Public Feels Safe Anywhere, Anytime in San José.*

PROGRAM PRIORITIES AND OBJECTIVES

In alignment with the goals of the San José Envision 2040 General Plan, the objective of the Public Safety Capital Program is to provide, maintain, and improve facilities and equipment that support the delivery of effective emergency services to City of San José residents and visitors.

A key goal of this program is to enhance emergency response coverage and therefore meet or exceed response time performance targets through improved deployment of resources. The Public Safety Capital Program works towards this objective by developing and constructing new facilities while leveraging existing resources.

SOURCES OF FUNDING

Revenue for the Public Safety Capital Program in the 2015-2019 CIP is derived from three primary sources: contributions from the General Fund (\$20.0 million); funding from the Fire Construction and Conveyance (C&C) Tax Fund (\$19.0 million); and proceeds from the Neighborhood Security Act Bond Measure (\$4.2 million).

Summary of Revenues

In the 2015-2019 CIP, the General Fund will provide \$20.0 million for fire apparatus replacements to ensure the reliability of the Fire Department's emergency fleet.

The 2014-2015 Capital Budget estimate for Construction and Conveyance (C&C) taxes is \$39.0 million, of which 8.4% (\$3.28 million) is allocated for Fire Department projects such as fire safety equipment and fire station improvement projects. Approximately 99% of this tax is derived from a transfer tax imposed upon each transfer of real property, with the remaining 1% generated from a construction tax levied on most types of construction. The 2015-2019 CIP assumes 2013-2014 C&C revenues will exceed 2012-2013 collections by 7.5%, grow another 5% in 2014-2015 to \$39 million, and then remain flat for each year of the CIP. Therefore, collections allocated to the Public

Public Safety

2015-2019 Proposed Capital Improvement Program

Overview

SOURCES OF FUNDING

Safety Capital Program will total \$3.3 million per year for each of the five years. For additional information regarding C&C Tax revenue, please refer to the Parks and Community Facilities Development section of the CIP.

The March 2002 Neighborhood Security Act Bond Measure authorized the City to issue General Obligation Bonds in an amount not to exceed \$159 million to fund capital projects in the Police and Fire Departments. The 2015-2019 CIP includes the remaining \$4.2 million from the Neighborhood Security Act Bond Measure to enhance police, fire, and medical emergency response services and facilities. Assessments on the property taxes of San José residents are used to support these obligations. It is important to note that within three years of issuance, the bond proceeds need to be encumbered for a specific project.

PROGRAM HIGHLIGHTS

The following summarizes the program highlights in the Public Safety Capital Program.

Public Safety Bond Projects

The projects in the Public Safety Bond Program that were approved as part of the Neighborhood Security Act Bond Measure included the construction and renovation of Police and Fire facilities. The most recently completed project was Fire Station 24 (formerly Fire Station 36), which began operations in summer 2013. There are two remaining projects in the 2015-2019 CIP, as discussed below.

The Fire Station 21 – Relocation (White Road) project assumes a two-story, 8,900 square foot fire station (with a potential to expand to 11,500 square feet), three bays and site improvements for a 0.97 acre parcel including about 300 square feet of community room. Design work for Fire Station 21 was completed, and construction is expected to be completed in 2015. The recent uptick in bid prices and changes to building codes and stormwater regulations has increased expected construction costs. At this time, \$1.0 million of the funds held in reserve as part of the Public Safety Bond Program is recommended to be allocated to complete Fire Station 21.

Handheld Radios

Public Safety

2015-2019 Proposed Capital Improvement Program

Overview

PROGRAM HIGHLIGHTS

Fire Station 37 is the final station scheduled for construction as part of the Public Safety Bond Program (Measure O; 2002). Due primarily to the unexpectedly high cost of construction during much of the Measure O program, the decision to rebuild instead of remodel Fire Station 2 (which resulted in a net cost increase of approximately \$4.1 million), and the recent uptick in bid prices expected for Fire Station 21, the Administration anticipates that only \$2.7 million in Measure O funds will remain after the completion of Fire Station 21. This amount leaves the Fire Station 37 project approximately \$4.5 million short of the funds needed to complete the project. Prior to 2008-2009, it was assumed that Fire Station 37 would be a relocation of Fire Station 6 (also located in Willow Glen), including staffing. Proceeds from the sale of Fire Station 6 were to be used to fund Furniture, Fixtures, and Equipment for newly constructed fire stations. In 2008, the City Council removed the sale of Fire Station 6 (including reallocation of staff) from the Budget. The 2013-2014 Manager's Budget Addendum (MBA) #31 placed the construction of Fire Station 37 on hold pending evaluation of the following options on costs and operational impact to Fire and Paramedic emergency response: (1) Build Fire Station 37 and close Fire Station 6; (2) Build Fire Station 37 and keep Fire Station 6 open; and (3) Do not build Fire Station 37 and remodel Fire Station 6. The results of this analysis and any resulting recommendation will be brought forward in an MBA scheduled for release shortly after publication of the 2014-2015 Proposed Capital Budget.

Fire Apparatus Replacement

The City's long term investment in fire apparatus has significantly improved the reliability of the Fire Department's fleet and their ability to respond to emergencies in accordance with established response time performance measures. The replacement of fire engines, aerial ladder trucks, brush patrols, water tenders, and other emergency response apparatus is planned in accordance with the Fire Apparatus Replacement Policy. The 2015-2019 CIP includes \$22.6 million for fire apparatus replacement (\$20.0 million from the General Fund and \$2.6 million from the Fire C&C Tax Fund).

Various SJFD Fire Apparatus

Apparatus Programmed for Replacement	2014-2015	2015-2016	2016-2017	2017-2018	2018-2019
Engines	1	3	4	6	4

Auxiliary Emergency Response Apparatus	7	4	5	6	3

Public Safety

2015-2019 Proposed Capital Improvement Program

Overview

MAJOR CHANGES FROM THE 2014-2018 ADOPTED CIP

Major changes from the 2014-2018 Adopted CIP are summarized below.

- Sale of the final Neighborhood Security Act Bond (\$3.3 million) has been deferred to 2014-2015.
- Increased the Fire Facilities Remediation Project by \$1.0 million to address repair and deferred maintenance needs at Fire Stations 3 and 30.
- Industry cost escalations have resulted in an increase of \$1.0 million to the cost estimate of Fire Station 21, and a corresponding recommended decrease of \$1.0 million to the Fire Station 37 Reserve.
- Handheld Radios – Assistance to Firefighters Grant (AFG) Reserve is established in the amount of \$355,000, the required matching funding, to purchase 270 portable and 103 radio units.
- Increased the Fire Data System project by \$220,000 for consultation and software related to the Computer Aided Dispatch (CAD) system in order to store additional parameters about Fire Department incidents and improve the department's ability to report performance metrics by assisting in data automation efforts.

OPERATING BUDGET IMPACT

As discussed in the 2015-2019 General Fund Five-Year Forecast issued in February 2014, Fire Station 37 has been removed from the forecast due to a lack of sufficient funding for project construction and the pending analysis from a forthcoming MBA that evaluates the operational and budgetary impacts associated with the following options: (1) Build Fire Station 37 and close Fire Station 6; (2) Build Fire Station 37 and keep Fire Station 6 open; and (3) Do not build Fire Station 37 and remodel Fire Station 6.

Therefore, the only ongoing operating budget impact assumed in the development of the 2015-2019 Proposed CIP are those related to Fire Station 21. Based on estimates prepared by the Fire Department, the table below summarizes the anticipated operating and maintenance costs over the next five years. The information provided in this table is based on the assumption that Fire Station 21 will be staffed with one Engine Company.

Overview

OPERATING BUDGET IMPACT

Operating Budget Impact Summary

	<u>2015-2016</u>	<u>2016-2017</u>	<u>2017-2018</u>	<u>2018-2019</u>
Fire Station 21 – Relocation (White Road)	\$11,000	\$23,000	\$23,000	\$23,000
Total Projected Operating Costs	\$11,000	\$23,000	\$23,000	\$23,000

Note: The estimated operating costs have been provided by the Fire Department and have not yet been fully analyzed by the Budget Office. That analysis may well result in different costs when the actual budget for the year in question is developed.

Additional detail on the individual projects with operating budget impacts is provided in Attachment A at the conclusion of this Overview and in the Project Detail pages.

DETAIL OF CAPITAL PROJECTS

DETAIL OF NON-CONSTRUCTION PROJECTS

The Detail of Construction Projects section provides information on the individual construction projects with funding in 2013-2014. The Detail of Non-Construction Projects section is abbreviated and provides information on the individual non-construction project, with funding in 2013-2014. On the Use of Funds statement, these projects are numbered.

Public Safety

2015-2019 Proposed Capital Improvement Program Detail of Construction Projects

1. Fire Station 21 - Relocation (White Road)

CSA:	Public Safety	Initial Start Date:	3rd Qtr. 2004
CSA Outcome:	The Public Feels Safe Anywhere, Anytime in San José	Revised Start Date:	4th Qtr. 2012
Department:	Fire	Initial Completion Date:	4th Qtr. 2007
Council District:	5, 8	Revised Completion Date:	4th Qtr. 2015
Location:	White Road, south of Cunningham Court		

Description: This project provides funding for relocation and replacement of existing Fire Station 21, currently located at Mt. Pleasant Road and Mt. Pleasant Court, with a new fire station facility at White Road, south of Cunningham Court.

Justification: Fire Station 21 is a small single-family residence style fire station that is poorly located against the foothills. Relocating this facility in conjunction with the relocation of Fire Station 24 will improve facility quality and response time performance.

2. FF&E and Facility Improvements

CSA:	Public Safety	Initial Start Date:	Multi-Phase
CSA Outcome:	The Public Feels Safe Anywhere, Anytime in San José	Revised Start Date:	
Department:	Fire	Initial Completion Date:	Multi-Phase
Council District:	City-wide	Revised Completion Date:	
Location:	City-wide		

Description: This allocation provides funding for fixtures, furniture, and equipment needed in the new and remodeled fire stations that are funded by the Public Safety Bond funds. These costs are not eligible for bond funding. These funds may also be used for other facility improvements outlined in the Fire Master Plan.

Justification: This allocation is necessary to fund Fire Master Plan projects and to ensure sufficient supplemental funding is available for the Public Safety Bond projects.

Major Changes in Project Cost:

October 21, 2008 - Ord. No. 28422 - Decrease of \$100,000 in the 2007-2008 Annual Report to rebalance the Construction and Conveyance (C&C) Tax Fund due to the reduction in revenue from the sale of former fire stations.

February 10, 2009 - Ord. No. 28492 - Decrease of \$1,000,000 in the Mid-Year Report to rebalance the C&C Tax Fund due to the further reduction in revenue from the sale of former fire stations.

June 22, 2010 - Ord. No. 28764 - Decrease of \$73,000 to rebalance the C&C Tax Fund due to the further reduction in revenue from the sale of former fire stations.

2014-2018 CIP - Increase of \$190,000 for furniture and equipment for Fire Stations 21 and 37.

Notes:

3. Facilities Improvements

CSA:	Public Safety	Initial Start Date:	Ongoing
CSA Outcome:	The Public Feels Safe Anywhere, Anytime in San José	Revised Start Date:	
Department:	Fire	Initial Completion Date:	Ongoing
Council District:	City-wide	Revised Completion Date:	
Location:	City-wide		

Description: This allocation provides funding for the repair and replacement of major fire station facility components and for other capital maintenance needs, including emergency repairs.

Justification: This allocation provides funds for capital improvements to ensure that the City's investment in facilities is protected in a cost-effective manner.

EXPENDITURE SCHEDULE (000'S)

4. Fire Facilities Remediation

CSA:	Public Safety	Initial Start Date:	3rd Qtr. 2013
CSA Outcome:	The Public Feels Safe Anywhere, Anytime in San José	Revised Start Date:	
Department:	Fire	Initial Completion Date:	2nd Qtr. 2014
Council District:	City-wide	Revised Completion Date:	2nd Qtr. 2016
Location:	Fire Stations 3, 4, 13, 16, and 30		

Description: This allocation provides funding for necessary capital improvements, repairs, and maintenance at Fire Stations 3, 4, 13, 16, and 30. In March 2013, an in-depth assessment was conducted to identify the deferred maintenance needs such as mold abatement and roof and shower repairs at these five fire stations. Current Project funding addresses the needs of Stations 16, 3, and 30. Fire Station 4 and 13 will be completed in future years when funding and project scope details are available.

Justification: This allocation addresses critical capital repairs and maintenance needs at Fire Stations 3, 4, 13, 16, and 30 in order to increase the longevity and functionality of these fire facilities.

Major Changes in Project Cost:

2015-2019 CIP - Increase of \$1,000,000 for Fire Stations 3 and 30.

Notes:

The \$1.6 million funding originally appropriated in 2013-2014 is for Fire Stations 3 and 16. Fire Station 16 is expected to be completed in the fourth quarter of 2014 and Fire Station 3 is expected to be completed in the first quarter of 2015. An additional \$1.0 million has been added for Fire Stations 3 and 30. Fire Stations 4 and 13 will be completed in future years when funding and project scope details are available.

10. Emergency Response Data Analysis

CSA: Public Safety
CSA Outcome: The Public Feels Safe Anywhere, Anytime in San José
Department: Fire
Description: This allocation provides funding for data analysis and analytical studies related to fire protection planning and emergency response performance. This includes hiring outside consultant(s) who use computer modeling and computer data analysis to determine the need for and assess the potential impact of relocating stations, adding stations, and/or changing emergency response resources.

2014-2015 CAPITAL BUDGET

2015-2019 CAPITAL IMPROVEMENT PROGRAM

PUBLIC SAFETY

SUMMARY OF PROJECTS WITH CLOSE-OUT COSTS ONLY IN 2014-2015

SUMMARY OF RESERVES

The Summary of Projects with Close-Out Costs Only in 2014-2015 includes those projects that are near completion with only minimal costs (typically inspection services and program management) to finish the project budgeted in 2014-2015. The Summary of Reserves includes all reserves budgeted within the Five-Year Capital Improvement Program. On the Use of Funds statement, the projects in these summaries are not numbered.

Public Safety

2015-2019 Proposed Capital Improvement Program

Summary of Projects with Close-out Costs Only in 2014-2015

Project Name:	South San José Police Substation	Initial Start Date:	3rd Qtr. 2002
5-Year CIP Budget:	\$120,000	Revised Start Date:	
Total Budget:	\$91,758,000	Initial End Date:	2nd Qtr. 2007
Council District:	2	Revised End Date:	4th Qtr. 2014
USGBC LEED:	Silver		

Description: This project provided funding to construct a full service police station in south San José. Funding in 2014-2015 is for close-out costs related to the project.

Public Safety

2015-2019 Proposed Capital Improvement Program

Summary of Reserves

Project Name:	Facilities Improvements Reserve	Initial Start Date:	N/A
5-Year CIP Budget:	\$2,240,000	Revised Start Date:	
Total Budget:	\$2,240,000	Initial End Date:	N/A
Council District:	City-wide	Revised End Date:	
USGBC LEED:	N/A		

Description: This reserve sets aside funding for fire facilities with urgent facility maintenance and repair needs. There are many fire stations in the City that are more than fifty years old and are showing signs of significant maintenance and repair needs. This reserve will help ensure that funding is available for any critical fire station needs that may arise in the near future.

Project Name:	Fire Station 37 (Willow Glen) Reserve	Initial Start Date:	N/A
5-Year CIP Budget:	\$2,681,730	Revised Start Date:	
Total Budget:	\$2,681,730	Initial End Date:	N/A
Council District:	6, 9	Revised End Date:	
USGBC LEED:	N/A		

Description: This reserve sets aside funding in the Public Safety Bond Fund for the planned construction of a new one engine company fire facility at the Willow Glen Community Center parking lot. Funding (\$2.7 million) has been set aside in a reserve in order to allow staff to complete their analysis of future staffing needs for Fire Station 6 and Fire Station 37 and the operational impacts. It should be noted that over \$5.0 million will need to be appropriated to the Fire Station 37 project in order to cover the total estimated project costs of \$8.7 million. In total, \$1.1 million has been spent on design and development of this project.

Public Safety

2015-2019 Proposed Capital Improvement Program

Summary of Reserves

Project Name:	Handheld Radios - AFG Grant Reserve	Initial Start Date:	N/A
5-Year CIP Budget:	\$355,000	Revised Start Date:	
Total Budget:	\$355,000	Initial End Date:	N/A
Council District:		Revised End Date:	
USGBC LEED:	N/A		

Description: This matching funding is pending the award/approval of the 2013 Assistance to Firefighters (AFG) Radio Grant in 2014-2015. The full amount of the grant is \$2,367,100. This is a Joint/Regional Application of the San José Fire Department, the Gilroy Fire Department, the Santa Clara County Fire Department, and the Mountain View Fire Department. In total, San José will purchase 270 portable and 103 mobile radio units. This requested equipment will enhance the safety and effectiveness of firefighting, rescue, and will enhance emergency medical services provided by these four fire departments with the acquisition of these additional radios. This project directly and effectively addresses the need for interoperable communications and firefighter safety. Additionally, this project will enhance the interoperability and information sharing capability between law enforcement, emergency medical responders and fire agencies when responding to multi-agency, multi-discipline emergencies, thereby improving responder safety as well as the safety of the public.
