## 2020 Examples

### Berryessa Community Center

- R.O.C.K. 'n' Learn: Classrooms are working on a project to find an occupation or career they can achieve by going to college & choosing a major.
- Virtual ASES: Gauging the kids in understanding the importance & fun of college and going on a virtual tour of SJSU.

# LIGHTS ON AFTERSCHOOL

A PROJECT OF THE AFTERSCHOOL ALLIANCE

Thursday, October 22nd, 2020

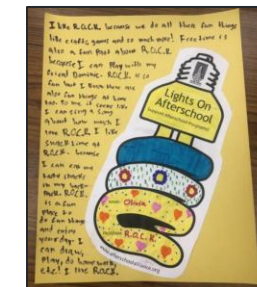

# LIGHTS ON AFTERSCHOOL

A PROJECT OF THE AFTERSCHOOL ALLIANCE

Thursday, October 22nd, 2020

## 2020 Examples

### • Berryessa Community Center

- R.O.C.K. 'n' Learn is planning some Gen2Gen programming, with students sending “virtual hug” coloring sheets to seniors during Senior Nutrition Program
- Virtual ASES is planning a virtual family engagement activity, providing all their families a goodie bag to pick up from the center. Families will create a healthy fall food craft together and competing in a STEAM activity

### • Southside Community Center

- For their third Lights On in a row, R.O.C.K. 'n' Learn will be decorating pumpkins to donate to Happy Hollow Park & Zoo.

# R.O.C.K. 'n' Learn 2020
