PROPOSED ORDINANCE CHANGE

Meeting Purpose: To inform the public about new regulations for Urban Village and Mixed-Use zoning districts, the City’s review process, and to obtain community input. Comments, concerns, and questions raised at this meeting will become part of the public record and will help inform the project’s design as it moves forward in the review process. There are continued opportunities throughout the permit process to publicly comment on the project as illustrated in the permit process chart below.

Proposed project: PP20-013

The City is proposing six new zoning districts that conform to the General Plan and that would facilitate development in areas that are targeted for mixed-use development and high-density residential or commercial uses. The ordinance update and new zoning districts would streamline the development review process. These proposed zoning districts are as follows:

1. Urban Village Commercial
2. Urban Village
3. Mixed Use Commercial
4. Mixed-Use Neighborhood
5. Urban Residential
6. Transit Residential

In addition to creating new zoning districts, this ordinance will include minor text edits to improve consistency in addition to adding or clarifying definitions in the zoning code.
