2021-2025 Adopted Capital Improvement Program Overview

INTRODUCTION

The Developer Assisted Projects Capital Program includes the management and administration of the Underground Utility Fund, the Residential Construction Tax Contribution Fund, the Contingent Lien District Fund, and the Diridon Station Impact

UNDERGROUND UTILITIES

6

MILES OF UNDERGROUNDED UTILTIES IN THE PAST 10 YEARS (includes cable, electrical, phone, etc.)

Fee Fund, which will be budgeted as revenue is received. These funds receive money from and/or provide payments to utility companies and private land developers.

The 2021-2025 Adopted Capital Improvement Program (CIP) provides funding of \$19.7 million, of which \$15.4 million is allocated in 2020-2021. This program is part of the Community and Economic Development City Service Area (CSA) and supports the following outcome: *Safe, Healthy, Attractive, and Vital Community.*

PROGRAM PRIORITIES AND OBJECTIVES

This capital program is used to facilitate the undergrounding of existing overhead facilities, reimburse developers for the construction of certain street improvements throughout the City, and manage contingent lien districts throughout the City. Based on the CSA outcomes supported by this program, the following list of priorities has been developed:

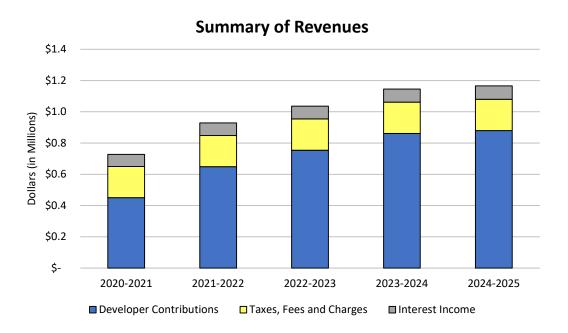

- Complete projects according to the In-Lieu Fee Underground Master Plan and Councilapproved Underground Utility Workplan;
- Continue to leverage PG&E/utility company investment averaging \$4.1 million per year using In-Lieu Fee funds for Administration of the Rule 20A program;
- Adjust projects in the Underground Utility Workplan to address utility company resource issues and high priority emergency work;
- Leverage developer reimbursements to fund projects, which promote the General Plan goals of the transportation network; and
- Use Contingent Lien reserves to fund future improvements in existing districts.

SOURCES OF FUNDING

The 2021-2025 Adopted CIP provides funding of \$19.7 million, of which \$15.4 million is allocated in 2020-2021. The five-year program funding level increased by \$1.8 million from \$17.9 million in the 2020-2024 Adopted CIP, mainly due to higher estimates in Underground Utility In-Lieu Fee. Revenue for this CIP is derived from three sources: the Underground Utility In-Lieu Fee (\$3.6 million), the Residential Construction Tax (\$1.0 million), and elements of various contingent districts (\$3.0 million).

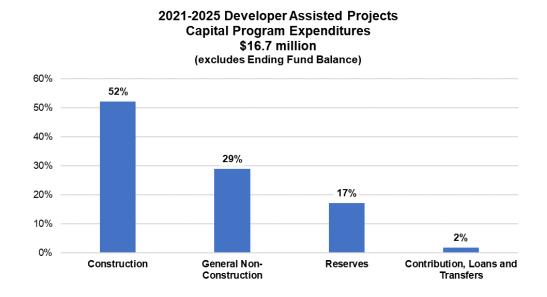

2021-2025 Adopted Capital Improvement Program Overview

SOURCES OF FUNDING

PROGRAM HIGHLIGHTS

The Developer Assisted Projects Capital Program expenditures are organized to show the use of funds in several categories. The following highlights the major projects in the program. For further information on the program's individual projects, please refer to the Detail Pages.

2021-2025 Adopted Capital Improvement Program Overview

PROGRAM HIGHLIGHTS

Underground Utility

Within the Underground Utility Fund, current City Council approved Underground Utility District (UUD) project priorities are listed below. The status of Rule 20A projects remain relatively unchanged from the 2019-2020 Adopted Capital Budget due to PG&E's schedule.

| Project Name | Location | Project Status | | |
|--|--|---|--|--|
| Aborn Rd. Rule 20A UUD | Aborn Rd., Pumpherston Wy. to White Rd. | 100% complete summer 2019. (PG&E managed construction) | | |
| Tully Rd. Rule 20A UUD | Tully Rd., between Kenoga Dr. and 720 feet west of Senter Rd.; Senter Rd. between Parrott St. and 170 feet south of Tully Rd. | Completed spring 2020. (PG&E managed construction) | | |
| Delmas Ave./Park Ave. Rule 20A UUD | San Fernando St., Delmas Ave. to Wilson Ave.; Cahill St., San Fernando St. to Santa Clara St.; Delmas Ave., San Fernando St. to Auzerais Ave.; and Auzerais Ave., Delmas Ave. to Bird Ave. | 90% complete, pole out expected winter 2020. Requires construction of the Delmas/Park Ave. Rule 20B project. (PG&E managed construction) | | |
| Delmas Ave./Park Ave. Rule 20B UUD | Delmas Ave., Santa Clara St. to San Fernando St.; San Fernando St., Delmas Ave. to Route 87; and Park Ave., Bird Ave. to Delmas Ave. | Expected to start construction summer 2020. (City managed construction) | | |
| White Rd. Rule 20A UUD | Alum Rock Ave. to Rose Ave. | 90% complete, pole out expected summer 2020. (PG&E managed construction) | | |
| Monterey Rd. Rule 20A UUD | Willow St. to Curtner Ave. | Expected to start construction summer 2021. (PG&E managed construction) | | |
| Lincoln Ave. Rule 20A UUD | Lincoln Ave., West San Carlos St. to 160 feet northwest of Coe Ave.; Auzerais Ave., 190 feet west of Lincoln Ave.; Northrup St., Lincoln Ave. to Highway 280; Parkmoor Ave., Lincoln Ave. to 280 feet west of Northrup St.; and Paula St., 210 feet west of Lincoln Ave. | General Conditions Agreement executed November 2019. Expected to start construction March 2022. (PG&E managed construction) | | |

MAJOR CHANGES FROM THE 2020-2024 ADOPTED CIP

The overall size of the Developer Assisted Projects CIP has increased by \$1.8 million from \$17.9 million in the 2020-2024 Adopted CIP to \$19.7 million in the 2021-2025 Adopted CIP. The following table outlines the most significant change to project budgets, including new/augmented allocations and reduced/eliminated allocations.

| Project | Incr/(Decr) |
|-----------------------------------|---------------|
| Underground Utility Program (20B) | \$3.3 million |

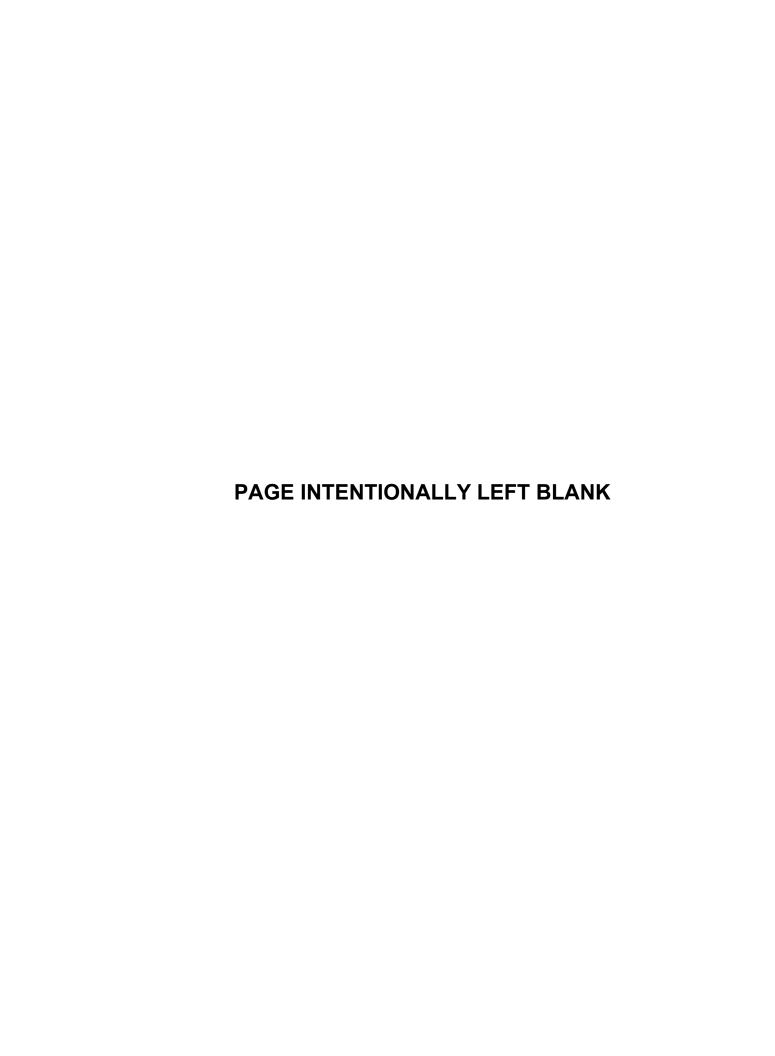

OPERATING BUDGET IMPACT

There are no operating and maintenance cost impacts associated with the projects programmed in the 2021-2025 Adopted CIP. Within the Underground Utility Program, utility companies maintain their own facilities.

2021-2025 Adopted Capital Improvement Program Overview

COUNCIL-APPROVED REVISIONS TO THE PROPOSED CAPITAL IMPROVEMENT PROGRAM

Changes to the Proposed Capital Improvement Program were brought forward in the Mayor's June Budget Message for Fiscal Year 2020-2021 and approved by the City Council on June 23, 2020. This included the rebudgeting of unexpended funding for the Underground Utility Program (20B) (\$1.3 million). For additional information regarding this approved action, please refer to the Manager's Budget Addendum #32 that was incorporated into the Mayor's June Budget Message for Fiscal Year 2020-2021.

Description

Rule 20B Underground Utility Districts are established with fees paid to the City when a developer opts out of placing facilities underground at the time of development. Projects are prioritized with a five-year plan based on several criteria, the largest of which is the total amount of fees collected within the Underground District. This allocation is used for the design, construction, and administration of these projects.

Justification

Underground Utility Ordinance No. 23187 mandates that fees collected pursuant to the ordinance be used to fund the conversion of overhead utility facilities to underground facilities. The purpose of the conversion is to implement the urban design policies of Envision San José 2040 General Plan.

Notes Project sch

Project schedule dates and selected budget information are not provided due to the ongoing nature of this project.

Description

This allocation provides funding for staff costs related to the administration of contingent lien districts, including Evergreen Creek District, Evergreen Specific Plan District, Silicon Valley Bridge District, and the Silver Creek Development Districts 1A/B. These costs may include tracking of individual liens on properties within the districts, addressing inquiries related to those liens, providing background information on districts, reviewing project submittals for compliance, calculating and notifying applicants of current lien amounts, and monitoring projects when funds become available.

Underground Utility Administration (20A)

CSA Outcome Community and Economic Development

Safe, Healthy, Attractive and Vital Community

Department Public Works **Council Districts** City-wide **Appropriation** A4786

Description PG&E and other utility companies allocate their own funds to replace existing overhead electrical facilities with

underground electrical facilities within the communities they serve. This allocation provides funding for the day-to-day administration of the undergrounding program, including design and plan review, coordination, inspection of undergrounding projects, underground service alert location, and legislation of the Underground Utility Districts.
