

CODE ENFORCEMENT DIVISION

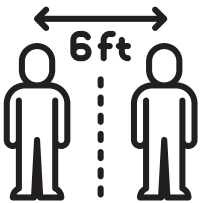

REQUIRED HEALTH MEASURES DURING AN INSPECTION

For your safety and ours, the health measures listed below are required to help stop the spread of Covid-19. Each of these requirements must be met or the Inspector will NOT conduct the inspection.

Face Masks Are Required.

All people present during an inspection MUST wear a face mask or covering.

Social Distancing Is Required.

During the inspection, everyone MUST stay at least 6 feet from the Inspector.

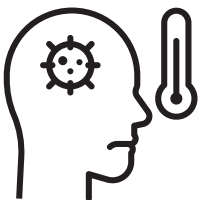

Fresh Air Is Required.

Open windows and doors before and during the inspection and make sure the space is well ventilated.

Up To 3 Persons Are Allowed.

No more than 3 persons, including the Inspector/s, are allowed in the unit during inspection.

Cancel If Anyone Is Sick.

The Inspector will immediately cancel the inspection and leave if anyone in the unit is quarantined, sick, or appears sick. You may call ahead and cancel the inspection: 408-535-7770.

Stop the spread of COVID-19. Wear a mask, avoid close contact, wash your hands often, and monitor your health daily.
