REGULAR MEETING AGENDA

March 11, 2021

Virtual <u>Zoom Link</u> Web ID: **940 5398 8541 888-475-4499 (Toll Free)**

* COVID-19 NOTICE *

Consistent with the California Governor's Executive Order <u>No. N-29-20</u>, the Housing & Community Development Commission (HCDC) meeting will not be physically open to the public, and Commission members will be teleconferencing from remote locations.

HCDC is meeting via teleconference from remote locations in accordance with State and local orders and measures taken as a result of the COVID-19 pandemic. Members of the public may view and listen to the meeting by following the instructions below. Additional instructions are provided below to those members of the Public who would like to comment on items on the agenda.

How to attend the Housing & Community Development Commission Meeting:

- 1) **Electronic Device Instructions:** For participants who would like to join electronically from a PC, Mac, iPad, iPhone, or Android device, please click this URL: Zoom Link.
 - a. Use a current, up-to-date browser: Chrome 30+, Firefox 27+, Microsoft Edge 12+, Safari 7+. Certain functionality may be disabled in older browsers including Internet Explorer. Mute all other audio before speaking. Using multiple devices can cause an audio feedback.
 - b. Enter an email address and name. The name will be visible online and will be used to notify you that it is your turn to speak.
 - c. When the Chair calls for the item on which you wish to speak, click on "raise hand." Speakers will be notified shortly before they are called to speak.
 - d. When called, please limit your remarks to the time limit allotted.
- Telephone Device Instructions: For participants who would like to join on their telephones, please dial 888-475-4499 (Toll Free) and when prompted, enter meeting Webinar ID: 940 5398 8541. You may also press *9 to raise a hand to speak.

5:45 PM

 Public Comments prior to meeting: If you would like to submit your comments prior to the meeting, please e-mail Luisa.Galdamez@sanjoseca.gov or contact (408) 535-8357. Comments submitted prior to the meeting will be considered as if you were present in the meeting.

Commissioners are strongly encouraged to log on by 5:30pm to ensure there are no technical difficulties – thank you!

APPROX. AGENDA ITEM

TIME

Note that the times for items shown below are approximate and intended only to notify the Commission of the approximate amount of time staff expects each item might take. Please note that items may be heard before or after the times shown.

5:45	I.	Call to Order & Orders of the DayA. Chair reviews logistics for Zoom meetings
5:47	II.	Introductions
5:50	III.	Consent CalendarA. Approve the Minutes for the Meeting of February 11, 2021 ACTION: Approve the February 11, 2021 action minutes.
5:55	IV.	Reports and Information OnlyA. ChairB. DirectorC. Council Liaison
6:00	V.	Open Forum Members of the Public are invited to speak on any item that does <u>not</u> appear on today's Agenda and that is within the subject matter jurisdiction of the Commission. Meeting attendees are usually given two (2) minutes to speak during Open Forum; however, the time limit is in the discretion of the Chair of the meeting and may be limited when appropriate due to a large number of speaker requests.
6:05	VI.	Old Business
6:10	VII.	New Business
		A. Substantial Amendments to the FY 2019-20 and 2020-21 Annual Action Plans (R. Henninger, Housing Department) ACTION: Conduct a public hearing on the proposed Substantial Amendments to the Fiscal Year 2019-20 and 2020-21 Annual Action Plans to program Community Development Block Grant Round 3 (CDBG CV-3) funds from the federal Coronavirus Aid, Relief, and

Economic Security Act (CARES Act) and redirect other funding to

respond to the COVID-19 crisis, and recommend to the City Council that it approve the proposed Substantial Amendment to the Fiscal Year 2019-20 and 2020-21 Annual Action Plans.

B. Annual Progress Report on the Implementation of the San José General Plan Housing Element and the Housing Successor to the Redevelopment Agency Annual Report (K. Clements, Housing Department and J. Hart and R. Cueto, Department of Planning, Building and Code Enforcement) ACTION: Review the staff report and provide possible recommendations to the City Council on the Calendar Year 2020 Annual Progress Report on the Implementation of the San José 2014-23 Housing Element, the Fiscal Year 2019-20 Housing Successor to the Redevelopment Agency Annual Report, and the Amended and Restated Fiscal Year 2018-19 Housing Successor to the Redevelopment Agency Annual Report.

C. Update from the Ad Hoc Committee on Bylaws (Commissioner Wheeler)

ACTION: Accept an update from the Ad Hoc Committee on Bylaws (no action).

7:30 VIII. Open Forum

6:50

Members of the Public are invited to speak on any item that does <u>not</u> appear on today's Agenda and that is within the subject matter jurisdiction of the Commission. Meeting attendees are usually given two (2) minutes to speak during Open Forum; however, the time limit is in the discretion of the Chair of the meeting and may be limited when appropriate due to a large number of speaker requests.

7:35 IX. Meeting Schedule

The next Commission meeting is scheduled to be held on April 8, 2021, at 5:45 p.m. online. Items expected to be heard are:

- Draft FY 2021-22 Annual Action Plan
- Proposed FY 2021-22 Housing Trust Fund Budget
- Proposed FY 2021-22 Rent Stabilization Program Budget
- Draft Affordable Housing Siting Policy
- Ad Hoc Subcommittee on Bylaws Report

7:40 X. Adjournment

You may speak to the Commission about any discussion item that is on the agenda during comment period for that item. You may also speak during Open Forum on items that are <u>not</u> on the agenda and <u>are within the subject matter jurisdiction</u> of the Commission. Please be advised that, by law, the Commission is unable to discuss or take action on issues presented during Open Forum. Pursuant to Government Code Section 54954.2, no matter shall be acted upon by the Commission unless listed on the agenda, which has been posted not less than 72 hours prior to meeting.

Agendas, Staff Reports, and some associated documents for the Commission items may be viewed on the Internet at <u>http://www.sanjoseca.gov/hcdc</u>. Speakers using a translator will be given twice the time allotted to ensure non-English speakers receive the same opportunity to directly address the Commission.

Correspondence to the Housing & Community Development Commission is public record and will become part of the City's electronic records, which are accessible through the City's website. Before posting online, the following may be redacted: addresses, email addresses, social security numbers, phone numbers, and signatures. However, please note: e-mail addresses, names, addresses, and other contact information are not required, but if included in any communication to the Housing & Community Development Commission, will become part of the public record. If you do not want your contact information included in the public record, please do not include that information in your communication.

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the Office of the City Clerk, 200 East Santa Clara Street, 14th Floor, San José, California 95113, at the same time that the public records are distributed or made available to the legislative body. Any draft resolutions or other items posted on the Internet site or distributed in advance of the Commission meeting may not be the final documents approved by the Commission. Contact the Office of the City Clerk for the final document.

On occasion, the Commission may consider agenda items out of order.

The Housing & Community Development Commission meets every second Thursday of each month (except for July and sometimes December) at 5:45 p.m., with special meetings as necessary. If you have any questions, please direct them to the Commission staff.

Thank you for taking the time to attend today's meeting. We look forward to seeing you at future meetings.

To request translation or interpretation services, accommodation, or alternative format under the Americans with Disabilities Act for City-sponsored meetings, events, or printed materials, please call (408) 535-1260 as soon as possible, but at least three business days before the meeting.

Please direct correspondence, requests, and questions to:

City of San José Housing Department Attn: Luisa Galdamez 200 East Santa Clara Street, 12th Floor San José, California 95113 Tel: (408) 535-8357 Email: Luisa.Galdamez@sanjoseca.gov

Para residentes que hablan español: Si desea mas información, favor de llamar a Luisa Galdamez al 408-535-8357.

Tiếng Việt: Xin vui lòng liên lạc Viviane Nguyen tại 408-975-4462.

對於說華語的居民: 請電 408-975-4450 向 Ann Tu 詢問詳細事宜。

HOUSING & COMMUNITY DEVELOPMENT COMMISSION MEETING ACTION MINUTES

February 11, 2021

MEMBERS PRESENT:	Martha O'Connell Ryan Jasinsky Alex Shoor Barry Del Buono Ruben Navarro Andrea Wheeler Victoria Partida Huy Tran Julie Quinn Roberta Moore Nhi Duong	Chair (MR) Vice Chair (ML) Commissioner (D2) Commissioner (D3) Commissioner (D5) Commissioner (D6) Commissioner (D7) Commissioner (D8) Commissioner (D9) Commissioner (D10) Commissioner (Mayor)
MEMBERS ABSENT:	District 1 – VACANT District 4 – VACANT	Commissioner (D1) Commissioner (D4)
STAFF PRESENT:	Maribel Villarreal Kristen Clements Luisa Galdamez Ragan Henninger Kelly Hemphill	HCDC City Council Liaison HCDC Secretary, Housing Department HCDC Assistant Secretary, Housing Department Deputy Director, Housing Department Homeless Response Mgr., Housing Department

(I) Call to Order & Orders of the Day

A. Review logistics for Zoom meetings

Chair O'Connell called the meeting to order at 5:45 p.m.

(II) Introductions – Commissioners and staff introduced themselves.

(III) Consent Calendar

A. Approve the Minutes for the meeting of January 14, 2021. ACTION: Approve the January 14, 2021 action minutes.

Commissioner Wheeler made the motion to approve the minutes for January 14, 2021, with a second by Commissioner Del Buono. Commissioner Jasinsky abstained due to his absence at the January meeting. The motion passed 10-0-1.

Yes: O'Connell, Shoor, Del Buono, Navarro, Wheeler, Partida, Tran, Quinn, Moore, Duong (10) No: None (0) Abstain: Jasinsky (1)

(IV) Reports and Information Only

- A. Chair: Chair O'Connell reported that the City Council voted 11-0 to accept the targeted rent increase freeze for those Mobilehome Park Residents impacted by Covid as proposed by Jasinsky/O'Connell. She thanked Fred Tran, Councilperson Pam Foley, Ryan Jasinsky and Roberta Moore for their work and support on this good faith compromise measure.
- **B.** Director: Ms. Kristen Clements provided updates regarding new funds from the federal government and the State through SB 91, the extension to the Eviction Moratorium. The City is choosing the "hybrid option." This entails the City making available its allocation of tenant assistance for extremely low-income and vulnerable residents, and allowing the State to administer the City's funds for other eligible residents at slightly higher incomes, as well as assistance to San José residential property owners. City staff is working closely with the County and local nonprofit partners to design a consistent local program informed by data from previous tenant assistance programs as well as feedback from local nonprofit partners and residents.

Ms. Ragan Henninger reported that the Housing Department will go to the City Council on February 23, 2021, with Inclusionary Housing Ordinance updates responding to City Council direction. In addition, Housing and other City Departments have been very active with Covid response, including administering and designing new emergency rental assistance programs as well as collaborating closely with the County Health Department by conducting a community-based campaign for Covid vaccination.

- C. Council Liaison: No report.
- (V) Open Forum
- (VI) Old Business
- (VII) New Business

A. FY 2019-20 Annual Homelessness Report

(R. Henninger, Housing Department)

ACTION: Review the Annual Homelessness Report for Fiscal Year 2019-20 and recommend that the City Council approve the report.

Commissioner Quinn made the motion to approve the staff report without further recommendations, with a second by Commissioner Shoor. The motion passed 11-0. Yes: O'Connell, Jasinsky, Shoor, Del Buono, Navarro, Wheeler, Partida, Tran, Quinn, Moore, Duong (11) No: None (0)

(VIII) Open Forum

Housing & Community Development Commission DRAFT Minutes Regular Meeting – February 11, 2021 Item III-A

Members of the Public are invited to speak on any item that does not appear on today's Agenda and that is within the subject matter jurisdiction of the Commission. Meeting attendees are usually given two (2) minutes to speak on any discussion item and/or during open forum; the time limit is in the discretion of the Chair of the meeting and may be limited when appropriate. Speakers using a translator will be given twice the time allotted to ensure non-English speakers receive the same opportunity to directly address the Commission.

(IX) Meeting Schedule

The next regular Commission meeting is scheduled to be held on Thursday, March 11, 2021, at 5:45 p.m. online.

(X) Adjournment

Chair O'Connell adjourned the meeting at 7:40 p.m.

Memorandum

TO: HOUSING AND COMMUNITY DEVELOPMENT COMMISSION

FROM: Jacky Morales-Ferrand

SUBJECT: SEE BELOW

DATE: March 4, 2021

Approved

Date

SUBJECT: SUBSTANTIAL AMENDMENTS TO THE FY 2019-20 AND 2020-21 ANNUAL ACTION PLANS

RECOMMENDATION

Conduct a public hearing on the proposed Substantial Amendments to the Fiscal Year 2019-20 and 2020-21 Annual Action Plans to program Community Development Block Grant Round 3 (CDBG CV-3) funds from the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and redirect other funding to respond to the COVID-19 crisis, and recommend to the City Council that it approve the proposed Substantial Amendments to the Fiscal Year 2019-20 and 2020-21 Annual Action Plans.

OUTCOME

The public hearing provides an opportunity to the Housing and Community Development Commission ("HCDC") and the public to provide comment on the proposed amendments to the City's 2019-20 and 2020-21 Annual Action Plans at this publicly-noticed meeting.

The amendments to both Plans' will enable the City to use federal funding made available in the CDBG and Emergency Solutions Grant (ESG) programs by the CARES Act to be spent in FY 2020-21 to respond to local needs created by the Coronavirus Disease 2019 (COVID-19). The funds will be used for City food services for homeless, senior, and disabled residents; homeless services; emergency hotel/motel vouchers for families; childcare and emergency shelter operations.

EXECUTIVE SUMMARY

This is the fourth amendment to the City's FY 2019-20 Annual Action Plan and the second amendment to the FY 2020-21 Annual Action Plan. The Annual Action Plans govern the expenditure of entitlement funds and competitive grants that the City receives from the U.S. Department of Housing and Urban Development (HUD). The purpose of the amendments is to ensure that these funds are aligned with the five year goals of the Consolidated Plan and the strategies in place to fund the COVID-19 response.

The City proposes to use these identified funds to assist the Emergency Operations Center's COVID-19 response, serving some of the most vulnerable community members. More specifically, funding will help respond to the community's needs by: (1) providing emergency hoteling to families impacted by COVID, (2) providing emergency hotels to victims of domestic violence and their families, 3) food for homeless, senior and disabled populations, 4) case management for rental assistance programs, 5) operations of emergency interim housing and 6) providing childcare in low-income areas.

To quickly deliver these services, staff will amend current contracts. These include contracts with HomeFirst, Next Door Solutions to Domestic Violence, YWCA of Silicon Valley, Sacred Heart, LifeMoves, Bill Wilson Center and Portuguese Organization for Social Services and Opportunities (POSSO). These amendments are warranted due to the COVID-19 emergency and the critical needs of the community and are permitted by federal government regulations.

BACKGROUND

This is the fourth amendment to the City's FY 2019-20 Annual Action Plan and the second substantial amendment to the FY 2020-21 Annual Action Plan. The purpose of the amendments to both plans has been to spend available funds for COVID-19 response.

The City's Annual Action Plan details its funding strategy for the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnership (HOME), and Housing Opportunities for People with AIDS (HOPWA) programs each year. Annual Action Plans implement a jurisdiction's Five-Year Consolidated Plan and are developed through public input, analysis, and planning. The Action Plan provides spending caps for the different programs or services funded by federal funds.

All entitlement jurisdictions such as San José that receive HUD's federal funds by formula allocation are required to have an adopted Citizen Participation Plan. San José's Citizen Participation Plan¹ describes the efforts that the City will take to encourage its residents to participate in developing federal spending plans. It also provides requirements for the public

¹ City of San José, Citizen Participation Plan, amended Aug. 4, 2020, <u>https://www.sanjoseca.gov/your-government/departments-offices/housing/resource-library/hud-reports/consolidated-annual-action-plans/citizen-participation-plan</u>.

process to be used when a "Substantial Amendment" to programs funded in the Annual Action Plan is proposed. Per the City's Citizen Participation Plan (CPP), a substantial amendment constitutes a change to a previously adopted Five-Year Plan or Annual Plan that:

- Increases or decreases by the greater of \$100,000 or a 25% change in the amount allocated to a category of funding, or
- Makes a significant change to an activity's proposed beneficiaries or persons served, or
- Funds a new activity not previously described in the Action Plan.

When a proposed change in program funding reaches one of these thresholds, the City must comply with the public process required in the CPP for Substantial Amendments, which includes a 30-day public comment period and two public hearings. However, due to the need to deploy funds quickly to respond to the COVID-19 crisis, HUD has issued guidance that waives the CPP requirements for entitlement recipients, provided that (1) no fewer than five days are provided for public comment and that (2) reasonable notice and the opportunity to comment is provided. The CPP requires at least two public hearings to give the citizens of San Jose an opportunity to provide feedback on the proposed actions. Public hearings may be conducted virtually.

Accordingly, the City has advertised the availability of the proposed amendments and the opportunity to comment on these amendments on its website five days prior to the hearing, has sent a notice by email to its general distribution list and to its Housing and Community Development Commissioners, and has posted the opportunity to comment on its social media accounts. An email address was provided on the notice where comments can be submitted. In addition, comments will be accepted prior to the hearing via a link on the City Council's agenda webpage as well as by e-mail to the City Clerk (city.clerk@sanjoseca.gov) by 12:00 noon on the day of the hearing. During the hearing, comments can be submitted via eComment on the City's agenda webpage as well as by emailing councilmeeting@sanjoseca.gov and identifying the agenda item number in the subject line.

COVID-19 Response

On January 21, 2020, the Centers for Disease Control and Prevention (CDC) confirmed the first diagnosed case of a U.S. resident with COVID-19, a new, highly infectious virus. In response, the City established its Pandemic Management Team and activated a Pandemic Response Plan. On March 16, Santa Clara County issued a shelter-in-place order, providing that individuals could only leave their residence to perform essential activities. On the same day, the City's Emergency Operations Center (EOC) reached full operation. Since that time, the City has worked to support the continuity of essential City services (such as public safety) and provide emergency-related services for the most vulnerable in the community.

The Housing Department moved quickly to reallocate funding to support emergency shelter, food and necessities distribution, and emergency rental assistance. In April 2020, the City Council accepted the Housing Department's Annual Action Plan amendment, which reallocated \$6.2 million in existing FY 2019-20 Community Development Block Grants (CDBG) from

HUD.² In July, the City Council approved a second Annual Action Plan amendment to allocate an additional \$589,000 in CDBG and \$6.6 million in federal HOME Investment Partnership (HOME) grants.³ These reallocated grants went towards the following;

- temporary non-congregate shelter space for people at high-risk for COVID-19
- rent and utilities assistance for individuals and families financially impacted by COVID-19
- emergency hotel stays for families and victims of domestic violence
- food delivery to vulnerable residents, like seniors and people with disabilities
- diaper and calming kit distribution to low-income families and childcare home providers
- expanded congregate homeless shelter space to facilitate social distancing, and
- grants to support small businesses affected by COVID-19.

In mid-September, the City Council approved a third FY 2019-20 Amendment to move the \$32 million in ESG CARES Act Round 2 (CV2) funding from the FY 2020-21 to FY 2019-20 Annual Action Plan at HUD's request.⁴ The City Council originally approved the use of the ESG-CV2 funds in August 2020 along with the 2020-2025 five-year Consolidated Plan.⁵ In late September, the City was notified by HUD of its second award of CDBG CARES Act funds (CDBG-CV3) in the amount of \$7,578,510.⁶

ANALYSIS

To date, the City of San José has been awarded \$48,160,981 in CDBG and ESG CARES Act funding through a formula calculation. Combined with the City's FY 2019-20 and 2020-21 entitlement grants, San José will receive approximately \$99,825,950 in federal funding over the two-year period. Table 1A and 1B below summarize this federal funding:

Total	\$14,485,604	\$5,336,154	\$1,150,000			

*Note: The Prior-year Carryover amounts may differ from the City's annual budget due to timing differences regarding the treatment of program commitments and encumbrances.

Annual Action Plan Amendments

The City's current FY 2019-20 Annual Action Plan and FY 2020-21 Annual Action Plan are being amended for the following reasons:

- funding urgent needs of the community related to the COVID-19 crisis
- accommodating changes in spending rates that normally occur during the year
- meeting the annual federal deadline to disburse certain CDBG funds, and
- providing assistance and services identified in this memorandum.

Substantial Amendments are Required

The proposed changes to the City's FY 2019-20 Annual Action Plan qualify as Substantial Amendments because they meet criteria one and three identified below:

- 1. Increases or decreases by the greater of \$100,000 or a 25% change in the amount allocated to a category of funding, or
- 2. Makes a significant change to an activity's proposed beneficiaries or persons served, or
- 3. Funds a new activity not previously described in the Consolidated and/or Action Plan.

The changes to the FY 2019-20 Action Plan are provided in **Attachment A** and are summarized below in Table 2:

	Table 2: Proposed Funding Changes - Additi		
Funding Source	Activities	Approved	Change
	Senior Services	\$200,000	\$35,000

		Net Change	(\$1,477,243)

Table 2: Proposed Funding Changes - Additions/Reductions

Only Activities with proposed changes are listed above

Proposed Newly Funded Activities

The ESG and CDBG CARES Act funds must be used to prevent, prepare for, and respond to the coronavirus (COVID-19). The Housing Department is proposing to amend several contracts to redirect funds and add additional funding to a variety of nonprofits providing COVID-19 response.

Support for DV Survivors - Participating in monthly Domestic Violence Agency Consortium (DVAC) meetings, staff has identified that survivors of domestic violence and their families are especially financially vulnerable at this time and in need of assistance. Survivors are usually single parent households and therefore have only one income, so loss of any income can be devasting. In addition, COVID-related stress and unemployment has led to an increase in domestic violence events. Departing survivors often have few or no assets, as they may need to leave with little advance planning. YWCA is currently operating a rental assistance program for victims of domestic violence. YWCA has seen an increased need for rental assistance, emergency motel vouchers, and supportive services during the COVID-19 emergency. This substantial amendment provides \$81,835 in additional funding to YWCA to continue their COVID-19 response. The amendment also provides \$65,575 to Next Door Solutions to Domestic Violence to continue emergency motel stays as part of their COVID-19 response.

Shelter Support - Responding to the COVID-19 emergency, the Housing Department has focused much of its efforts over the last year operating emergency shelters throughout San José. These shelters allow homeless individuals and families to shelter-in-place and to prevent the spread of COVID-19. They also replaced bed capacity after an initial reduction due to social distancing in existing shelters. Shelters were operated at Bascom Community Center and Parkside Hall from April to September. The shelters at Camden Community Center and the Convention Center's South Hall are still in operation. Since the start of the pandemic response, the temporary shelters have served over 2,700 individuals. This Substantial Amendment provides \$2,482,218 in additional funding to continue operating South Hall through August if needed. The operation is dependent on availability of the space at the convention center. The Camden Community Center will operate until the end of May, when the Department of Parks, Recreation and Neighborhood Services will need the space for other programming.

Emergency Motel Vouchers – Before the pandemic, LifeMoves operated the City's first emergency hotel voucher program for homeless families. During the pandemic, with homeless families struggling to find safe options to shelter-in-place and prevent the spread of COVID-19, the Housing Department expanded the program with additional CARES Act funding. The Housing Department is proposing to continue the program and has identified \$1,000,000 of additional CDBG funds to direct toward emergency hotel vouchers. LifeMoves has as an existing contract to operate the City's Motel Voucher Program and has capacity to take on the additional funding and to increase its services.

Rental Assistance - The Housing Department is proposing to extend HOME funded Tenant Based Rental Assistance Program agreements with Next Door Solutions, Bill Wilson, and Sacred Heart, through June 30, 2021 to continue providing direct assistance to low-income households experiencing housing related financial hardships as a result of the pandemic. The Housing

Department is proposing to augment these HOME agreements with a combined \$177,661 in CDBG funding to provide case management support to program participants.

Meal Programs - The City's Emergency Operations Center has been charged with the responsibility of leading County-wide food distribution in response to COVID-19. This Substantial Amendment provides an additional \$453,000 in CDBG-CV3 funds to support those efforts. Additionally, the Substantial Amendment provides \$35,000 to POSSO to continue their meal program serving seniors.

Plaza Hotel - Since April 2020, The Plaza Hotel has been sheltering older adults with underlying health conditions who would be extremely vulnerable if they were to contract COVID-19. The Plaza currently has 23 of the 46 rooms reserved for COVID-19 response. The Substantial Amendment provides \$400,000 in funding for operations to expand the number of rooms available to the COVID-19 response. Approval will allow up to 40 rooms to be used for emergency placement of vulnerable persons during the COVID-19 emergency. Additionally, the amendment provides \$1,064,777 in CDBG CDI funds to make necessary repairs and upgrades to the Plaza hotel, including significant plumbing repairs.

Vaccination Outreach – In coordination with the City's Emergency Operations Center, the City's Housing Department is proposing to fund efforts to extend education and outreach to underserved populations. These efforts would be focused on areas of highest risk, including lower income areas where residents have been hit hardest. The City will incorporate these outreach services into existing non-profit agreements which already serve the target populations. Just over \$432,500 will be directed to this use.

CDBG-CV3

The City received an award of \$7,578,510 in CDBG-CV3 funding in late September. These funds must be used to prevent, prepare for, and respond to the coronavirus (COVID-19). Based on the needs identified through the City's EOC, non-profit services providers, and other key community stakeholders, the Administration is proposing to fund the following activities with CDBG CV3 to expeditiously respond to the impacts of the pandemic on the hardest hit communities:

Childcare Services – In coordination with the City's EOC and Parks, Recreation and Neighborhood Services Department, \$2,000,000 will be allocated for childcare services that will serve low-income neighborhoods. The EOC will return to City Council with details on programs and services to be provided under this activity. This action creates the opportunity to fund this under the CDBG program.

Meals Program – As mentioned above, the Substantial Amendment allocates \$453,000 for meal delivery services coordinated by the City's emergency food distribution team providing delivery of meals to our most vulnerable residents. Seniors, disabled residents, homeless residents, low-income individuals, and low-income families will be served by food services through CDBG funds.

Emergency Interim Housing (EIH) – A significant portion of EIH operations funding will be funded through the ESG CV allocations. However, \$400,000 of ESG CV funds previously allocated will be redirected to assist the operation of the Plaza Hotel. While CDBG is generally the City's largest and most flexible source of funds, using ESG for the Plaza Hotel offers additional flexibility that CDBG does not. The \$400,000 redirected from the ESG CV2 EIH allocation will be replaced with CDBG-CV3 funds.

Emergency Motel Voucher Program – While homeless persons in general are vulnerable, families with minor children are especially vulnerable. Motel vouchers add capacity to the homeless shelter system when emergency shelters are full. The motel voucher program plays a critical role in the COVID-19 response to homelessness by providing safe, non-congregate shelter. All of the family emergency shelters in the County are located in San José, and typically at full capacity, leaving some families without immediate shelter options. Vulnerable families continue to experience financial hardships as a result of the pandemic. To continue to support families with their interim housing and shelter needs, the administration is proposing to fund an additional \$2,031,404 for this program.

Legal Services – With the State moratorium on evictions scheduled to end soon, the City is preparing for a large increase in evictions across the City. As has been well documented, evictions disproportionately impact low-income communities and communities of color. In preparation for the potential "eviction cliff" facing San José residents, the Administration is targeting \$1,178,404 to support legal services for households facing eviction due to COVID-19 related hardships. The Housing Department will amend existing agreements with its legal services consortium led by the Law Foundation of Silicon Valley.

Grant Administration – Recognizing the significant requirements associated with managing CDBG funds, HUD allows City's to use up to 25% of the grant allocation plus projected program income to fund planning and oversight of CDBG programs. This includes fund management, contract development and oversight, compliance monitoring, financial reconciliation and payments as well as the City Attorney's Office and Department of Planning, Building and Code Enforcement. The Housing department has set aside \$1,515,702 (20%) for this purpose.

Proposed Changes

The following changes are included in the Substantial Amendment draft in Attachment A:

Senior Services – An additional \$35,000 in CDBG funding is proposed to be added to the agreement with Portuguese Organization for Social Services Opportunities (POSSO) to support senior services including meals during the Shelter in Place order.

Job Creation – In April 2020, the City Council approved an award of \$2,500,000 in CDBG funds to The Opportunity Fund, a San José nonprofit lender specializing in small business lending, to provide business support funding to San José microenterprises. The program provided \$15,000 grants to help local businesses cope with the COVID economic downturn by providing

funds needed for working capital and business restarting costs that resulted in low-income jobs being retained and/or created.⁷ Qualifying businesses were located in San José, owned by lowincome owners living in Santa Clara County with five or fewer full-time employees. The Opportunity Fund found that the program was undersubscribed due to the substantial amount of paperwork required under CDBG rules to validate business owners' household incomes and underwrite the businesses' viability. Unfortunately, HUD's regulations that reduced some paperwork requirements came too late in the program launch to be able to be used. The Opportunity Fund was unable to extend deadlines or conduct a second round due to the need to follow rules regarding no supplanting of funds, and other commitments including the launch of a new Statewide loan fund. Therefore, the Substantial Amendment will decrease the Opportunity Fund's initial award by the amount unused, \$1,225,000. Additionally, \$8,000 of uncommitted funds allocated to this use will be redirected to other activities listed in the proposed Amendment.

Services for Homeless and Unhoused - Street Outreach – \$200,000 of CDBG funding will be added to the existing with agreement with HomeFirst of Santa Clara County to support street outreach to the unhoused population during the Pandemic. The additional CDBG funding would otherwise need to be funded with the limited and more flexible Housing Trust Fund (HTF).

Enhanced Code Enforcement – Due to vacancies in the Code Enforcement Division, there will be a \$758,339 unexpended balance of funds allocated to enhanced code enforcement services this fiscal year. These funds will be redirected to support the COVID responses listed in the Amendment. Housing staff will work with Code Enforcement to evaluate the funding needs for this targeted code enforcement services for the upcoming fiscal year.

Acquisition/Rehabilitation and Infrastructure - \$97,213 of allocated but uncommitted funding will be redirected to other COVID-related projects or services identified in the Substantial Amendment.

Homelessness – In the Second Substantial Amendment recommendations approved by City Council on June 30, 2020, \$4,210,732 was allocated to support the large array of homelessness projects and services. Since June, the City has received additional federal ESG funding and State funding to support these critical homeless projects and services. As a result, \$1,695,731 of this allocation will be redirected to fund rental assistance support services, vaccine outreach, and grant administration (see Table 2: CDBG-CV1 for specific amounts).

Rental Assistance COVID-19 – In June 2020, the City Council approved an award of \$2,400,000 in HOME 19-20 funds to Catholic Charities of Santa Clara County to provide emergency rental assistance services to low-income households and families impacted by COVID-19. Catholic Charities ended their contract term with \$944,500 of unexpended 19-20 HOME funds. The Substantial Amendment decreases the initial 19-20 HOME award by \$944,500. The Substantial

⁷ While the program was initially going to provide low-interest microenterprise loans, the City and The Opportunity Fund could not determine a structure able to be approved by The Opportunity Fund's other capital lenders; therefore, the program had to be shifted to make grants instead, which were more beneficial for tiny low-income businesses at that time during the pandemic.

Amendment reallocates Catholic Charities' unexpended 19-20 HOME funds to Bill Wilson Center, YWCA, and Next Door Solutions to Domestic Violence.

Rental Assistance COVID-19 - Also in June 2020, City Council approved an award of \$1,600,000 in HOME 20-21 funds to Catholic Charities of Santa Clara County to provide emergency rental assistance services to low-income households and families impacted by COVID-19. Catholic Charities ended their contract term with \$1,600,000 of unexpended 20-21 HOME funds. The Substantial Amendment decreases the initial 20-21 HOME award by \$1,600,000. The Substantial Amendment reallocates \$122,757 of Catholic Charities' unexpended 20-21 HOME funds to Bill Wilson Center.

Rental Assistance COVID-19 – In June 2020, the City Council approved an award of \$1,000,000 in 19-20 HOME funds to Bill Wilson Center to provide emergency rental assistance services to low-income households and families impacted by COVID-19. The Substantial Amendment increases the initial award by \$389,243 in 19-20 HOME funds. The Substantial Amendment also increases the initial award by \$122,757 in 20-21 HOME funds.

Rental Assistance COVID-19 – In June 2020, the City Council approved an award of \$121,161 in 19-20 HOME funds to YWCA to provide emergency rental assistance services to victims of domestic violence and their families. The Substantial Amendment increases the initial award by \$10,000 in 19-20 HOME funds. The Substantial Amendment also increases YWCA's HTF award by \$45,480 to provide client financial support to meet basic needs, increase self-sufficiency, and assist with costs associated with moving.

Rental Assistance COVID-19 – In June 2020, the City Council approved an award of \$346,485 in 19-20 HOME funding to Next Door Solutions to Domestic Violence to provide emergency rental assistance to victims of domestic violence and their families. The Substantial Amendment increases the initial award by \$545,257 in 19-20.

CONCLUSION

The public hearing provides an opportunity to the Housing and Community Development Commission and the public to provide comment on the proposed amendments to the City's 2019-20 and 2020-21 Annual Action Plans at this publicly-noticed meeting.

The Substantial Amendments to both Plans will enable the City to promptly use federal funding made available in the CDBG and ESG programs by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) to be spent in FY 2020-21 to respond to local needs created by the Coronavirus Disease 2019 (COVID-19). The funds will be used for City food services for homeless, senior, and disabled residents; homeless services; emergency hotel/motel vouchers for families; rental assistance support services; childcare; and, emergency shelter operations.

PUBLIC OUTREACH

This memorandum has been posted on the City's website for a public hearing on March 11, 2021. The Substantial Amendments are also posted on the Housing Department's website at <u>www.sjhousing.org</u>. The Housing Department also sent an e-blast to inform the public of this item five days prior to its hearing, which was directed to approximately 880 email recipients. Additionally, the notice contained translations in four additional languages of how recipients could get additional information. Longer and more formal public outreach typically required by HUD per the City's Citizen Participation Plan is waived currently per HUD waivers.

/s/ JACKY MORALES-FERRAND Director of Housing

---- END OF FY 2019-20 ANNUAL ACTION PLAN AMENDMENT ----

2. On page 148-159 of the approved 2020-2021 Annual Action Plan, amend the estimated CDBG Activities in section AP-38 Project Summary, as follows:

4	Project Name	Job Training
	Target Area	N/A

Goals Supported	Strengthening Neighborhoods and/or Respond to Homelessness and Its
	Impacts on the Community
Needs Addressed	Strengthening Neighborhoods and/or Respond to Homelessness and Its
	Impacts on the Community
Funding	CDBG: \$250,000; CDBG CDI: \$950,000 \$942,000
Description	The program will support job training for low-income individuals,
	focused on homeless individuals and/or youth/young adults (ages 16-
	24). Community outreach related to the Annual Action Plan highlighted
	a community need for job training, especially for unhoused individuals
	and youth/young adults. This program must meet the national objective
	of low/moderate job creation and retention (LMJ) as well as the
	required Public Benefit Standards Activities must create or retain
	permanent jobs to be made available or held by low/moderate income
	persons. This requirement is met when job training participants are
	placed in permanent jobs. In addition, in order to be eligible for
	CDBG funding the job training must be tied to assistance to for-profit
	businesses. Nonprofit entities, including Community Based
	Development Organizations, are eligible to apply.
Target Date	06/30/2021

---- ENDS FY 2020-21 ANNUAL ACTION PLAN AMENDMENT ----

HCDC AGENDA: 3/11/2021 ITEM: VII-A

Memorandum

TO: HOUSING & COMMUNITY DEVELOPMENT COMMISSION

FROM: Rosalynn Hughey Jacky Morales-Ferrand

SUBJECT: SEE BELOW

DATE: March 4, 2021

Approved

Date

SUBJECT: ACCEPTANCE OF THE ANNUAL PROGRESS REPORT ON THE IMPLEMENTATION OF THE SAN JOSE GENERAL PLAN HOUSING ELEMENT AND THE HOUSING SUCCESSOR TO THE REDEVELOPMENT AGENCY ANNUAL REPORT

RECOMMENDATION

It is recommended that the Housing and Community Development Commission review the staff report and provide possible recommendations to the City Council on:

- 1. The Calendar Year 2020 Annual Progress Report on the Implementation of the San José 2014-23 Housing Element;
- 2. The Fiscal Year 2019-20 Housing Successor to the Redevelopment Agency Annual Report; and,
- 3. The Amended and Restated Fiscal Year 2018-19 Housing Successor to the Redevelopment Agency Annual Report.

OUTCOME

Approval of this request by the City Council will enable staff to submit both the City's Annual Progress Report on the Housing Element to its General Plan and the Housing Successor Report to the State of California, as required by April 1, 2021. It will also enable submission of an Amended and Restated Fiscal Year 2018-19 Housing Successor to the Redevelopment Agency Annual Report. The City Council's acceptance of the Annual Progress Report is required prior to submitting the report to the California Department of Housing and Community Development (HCD) and the Governor's Office of Planning and Research (OPR). In addition, maintaining a Housing Element that complies with HCD's reporting requirements allows the City to remain eligible for important State and regional funding for housing, transportation, and parks.

EXECUTIVE SUMMARY

State law requires jurisdictions to prepare an annual progress report each calendar year to detail the implementation of their Housing Elements to their General Plans and to submit the report to HCD and OPR. Since the passage of Assembly Bill 879 (Grayson) in 2017, this requirement has applied to charter cities such as San José. Recently, the California legislature passed several other bills to strengthen the Housing Accountability Act and to amend State Housing Element Law to hold jurisdictions accountable for meeting their housing goals. Maintaining a Housing Element that complies with HCD's reporting requirements qualifies jurisdictions for State funding programs.

The Housing Element establishes a strategy to meet a jurisdiction's housing production goals defined by its Regional Housing Needs Allocation (RHNA). San José's RHNA goal for the current 8.8-year period from January 2014 through October 2022 is 35,080 housing units. This equates to an average annual production rate of 3,986 units. A large portion of San José's current RHNA goal (42%) consists of homes that are affordable for Extremely Low-Income (ELI), Very Low-Income (VLI), and Low-Income (LI) households as defined by HCD and State law.

In calendar year 2020, San José issued building permits for 1,375 new residential units. This number constitutes a 43% decrease from the number of building permits issued in 2019. The uncertainty caused by the COVID-19 pandemic has had a significant effect on building permit activity for the year. The 2020 building permits were issued for 712 market-rate units (44% of the annualized goal) and 663 affordable units (28% of the annualized goal). Investment in affordable housing from local and federal funding sources has helped sustain affordable housing permit activity, while market rate permit activity has been buffeted by economic uncertainty. Overall, the City continues to be well ahead in its market-rate housing permits, although it remains behind in its affordable housing permits. During the first seven years of the 8.8-year RHNA period (80% of the way through the period), the City has met all of its market-rate housing goal, but only 20% of its affordable housing goal.¹

In 2020, the majority of all residential building permits issued were for accessory dwelling units (331 permits), followed by those for single family detached units (109 permits). Thirty-two building permits, for a total of 931 units, were issued for new multifamily housing in Council Districts 2, 3, 5, 6 and 7. Building permits for multifamily were also issued in Districts 6, 7 and 9. As production under RHNA is counted once building permits are issued, the City's recent commitments to new affordable housing production should appear in future RHNA cycles as projects move to the building permitting phase.

Spurring housing production continues to be a focus of the State legislature. In 2020, the State of California enacted new housing laws to help encourage new housing production, including:

¹ Cumulative totals in HCD Tables will vary as the HCD tables reflect RHNA permits starting CY 2015; however, San José also is counting CY 2014 permits in the current RHNA cycle.

- AB 2345 (Gonzalez), which revises several provisions of density bonus law to provide additional benefits for qualifying projects, including lowering the threshold required to qualify for incentives/concessions; and,
- AB 1851 (Wicks), which prevents cities from requiring faith-based organizations to make up lost parking spaces when housing is developed on their parking lots.

The Housing Successor to the Redevelopment Agency Annual Report for Fiscal Year 2019-20 is required to be submitted with the Annual Housing Element Progress Report, in order to satisfy the requirements of Senate Bill 341, which took effect on January 1, 2014. The Housing Successor report is a *fiscal year* report and provides information on the City's use of affordable housing assets created through redevelopment. The City's major asset is loan repayments from loans originated with 20% redevelopment funds for affordable housing, now known as the Low and Moderate Income Housing Asset Fund (LMIHAF). The Housing Successor Report (Attachment E).

BACKGROUND

The Housing Element establishes a comprehensive policy framework to implement San José's residential strategies and outlines the City's plan to meet its affordable and market-rate housing production goals. The determination of regional housing need is made by HCD, the California Department of Finance, and regional Councils of Government (COGs) throughout the State. The State agencies calculate statewide housing needs based upon population projections and regional population forecasts used in preparing regional transportation plans. The Statewide need is then distributed to regional COGs throughout California, which work with cities and counties within their purview to assign each jurisdiction its share of the RHNA.

The City of San José is a member of the Association of Bay Area Governments (ABAG), the Bay Area's Council of Government. ABAG oversees housing goals over nine counties and 101 cities. ABAG is responsible for distributing the RHNA to Bay Area local governments through an allocation methodology that is consistent with development and growth patterns. San José's RHNA for the current 8.8-year projection period from January 2014 through October 2022 is 35,080 housing units. The City's current RHNA is slightly higher than the previous 2007-14 RHNA cycle allocation of 34,721 units. The current cycle's goal equates to an annual production rate of 3,986 units. Staff presented an overview of the new RHNA cycle during the Oct. 27th, 2020 City Council meeting. The 2020 staff report and presentation can be found <u>here</u>.

The RHNA itself is divided into four income categories that encompass all levels of housing need. HCD combines Extremely Low-Income (ELI) and Very Low-Income (VLI) units into the VLI category, but because ELI is an important focus in San José, this memorandum breaks them out. A large portion of San José's current RHNA goal (42%) is focused on ELI, VLI, and Low-Income (LI) households, as defined by HCD and as shown in Figure A below. All levels of

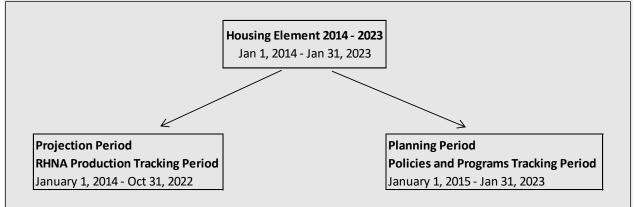

affordability are expressed as a percentage of Area Median Income (AMI) for Santa Clara County.

	Household Size								
Income Level % of AMI	1	2	3	4	5	6	7	8	
Extremely Low Income (30% AMI)	\$33,150	\$37,900	\$42,650	\$47,350	\$51,150	\$54,950	\$58,750	\$62,550	
Very Low Income (50% AMI)	\$55,300	\$63,200	\$71,100	\$78,950	\$85,300	\$91,600	\$97,900	\$104,250	
Lower Income (80% AMI)	\$78,550	\$89,750	\$100,950	\$112,150	\$121,150	\$130,100	\$139,100	\$148,050	
Median Income (100% AMI)	\$99,100	\$113,300	\$127,450	\$141,600	\$152,950	\$164,250	\$175,600	\$186,900	
Moderate Income (120% AMI)	\$118,950	\$135,900	\$152,900	\$169,900	\$183,500	\$197,100	\$210,700	\$224,250	

Figure A – HCD 2020 Income Limits for Santa Clara County

The City Council adopted its 2014-23 Housing Element on January 27, 2015 and submitted it to HCD for approval on January 30, 2015. HCD certified the Housing Element on April 30, 2015.² There are two reporting periods associated with the Housing Element, as shown in Figure B below. Building permit goals are measured against an 8.8- year projection period from January 1, 2014 to October 31, 2022. However, progress on policies and programs (Attachment D in the adopted Housing Element plan) have been tracked since 2015 against an 8.1-year planning period from January 1, 2015 to January 31, 2023.

State law requires jurisdictions to prepare an annual progress report each calendar year to detail the implementation of their Housing Element and to submit it to HCD and OPR. All jurisdictions, including charter cities, must submit annual reports.

Changes to the Annual Progress Report

In response to the passage of several housing bills, the State has increased reporting requirements for cities and counties. Since calendar year 2018, the Annual Progress Report has required

² The adopted Housing Element is posted at <u>https://www.sanjoseca.gov/your-government/departments/planning-building-code-enforcement/planning-division/citywide-planning/housing-element</u>

jurisdictions to list of the number of development applications received, planning entitlements issued, building permits issued, and certificates of occupancy issued. The Annual Progress Report must also report on projects that applied for SB 35 streamlining, if these projects were approved, and potential affordable housing developments with filed applications. This year jurisdictions must also report on surplus or excess lands, pursuant to AB 1255, which aims to identify potential sites for affordable housing.

As required by the State, the Annual Progress Report reports on the City's continued progress with implementing programs and policies to increase, preserve, and improve the supply of affordable housing; to invest in activities to end homelessness; to promote equitable development; and to create healthy and sustainable communities and neighborhoods.

With the acceptance of a completed Annual Progress Report by the City Council, staff will submit the report to HCD and the Governor's Office of Planning and Research by the April 1, 2021 deadline. It is important to note that maintaining Housing Element compliance qualifies jurisdictions for State and regional funding opportunities including but not limited to: The Sustainable Communities Grant, PDA Planning Grants, Affordable Housing and Sustainable Communities grants for both housing and certain public improvements, SB 2 Planning Grants and the Permanent Local Housing Allocation program, Housing Related Parks Program, Infill Infrastructure Grants, One Bay Area Grant, and the Building Equity and Growth in Neighborhoods program.

The Housing Successor to the Redevelopment Agency Annual Report for Fiscal Year 2019-20 (Housing Successor Report) is included with the Housing Element Annual Progress Report to satisfy the requirements of Government Code Section 34176 and 34176.1. This report describes how the City (as the housing successor to the former Redevelopment Agency of the City of San José) has used its former redevelopment agency funds on housing activities in conformance with the State Health and Safety Code.

ANALYSIS

Housing Market Overview

San José remains one of the most expensive cities in the nation to rent or to buy a home. Although rents have fallen from pre-pandemic levels, market rents continue to be significantly out of reach for many San José workers including teachers, construction workers, and retail salespersons.³ Average effective rents⁴ fell 7% from 2019 but increased 2.5% over the past five years.⁵ This low rate of increase reflects the dampening effect of Class A rent decreases, as they

³ City of San José Housing Market Update Q3 2020,

https://www.sanjoseca.gov/home/showpublisheddocument?id=67724

⁴ Effective rent is defined as asking rent less rent concessions, such as move-in specials, one month free, etc.

make up over 20% of the apartment stock. In Q4 2020, the average effective rent in San José across all apartment classes and sizes was \$2,299.⁶ Figure C compares rents and incomes needed to afford deed-restricted, rent-stabilized, and Class A⁷ market-rate housing in San José.

Income Level	1-Bedr	room	2-Bedroom		
	Max Income	Rent	Max Income	Rent	
Extremely Low-Income (30% AMI)	\$37,900	\$849	\$42,650	\$955	
Very Low-Income (50% AMI)	\$63,200	\$1,416	\$71,100	\$1,592	
Rent-Stabilized	N/A	\$1,746	N/A	\$2,109	
Low Income (80% AMI)	\$89,750	\$2,266	\$100,950	\$2,548	
Market-Rate Class A	N/A	\$2,447	N/A	\$3,053	
Moderate-Income - 100% AMI	\$113,300	\$2,832	\$127,450	\$3,185	
Moderate-Income - 110% AMI	\$124,630	\$3,115	\$140,195	\$3,503	

Figure C: Comparison of Incomes and Rents⁸

In 2020, the average residential vacancy rose substantially because of the pandemic. Vacancy was 8.7% for all apartments but varied greatly among classes. The vacancy rate in Q4 2020 reached 18.1% for Class A housing, but was far lower at 6.6% for Class B apartments, 6.2% for Class C apartments, and 6.4% for Class F apartments.⁹ For context, CoStar data indicates that the average vacancy rates for San José apartments since 2000 are: Class A, 9.0%; Class B, 4.9%; Class C, 4.4%; and Class F, 4.9%.

Research indicates that San José's high Class A vacancy rates are being driven by knowledgesector workers able to work from home who are making temporary moves to other markets during COVID-19 office closures.¹⁰ The San José area has one of the highest proportion of workers who can work from home in the nation. Researchers noted similar trends in other expensive metro areas with a high proportion of knowledge-sector workers such as San Francisco, Boston, Washington D.C., and Seattle.¹¹

The lower vacancy rates for Classes B, C, and F housing indicate the relative scarcity of lowerrent apartments in San José. The lower vacancy rates also indicate that these renters are likely to

⁶ Costar Q4 2020.

⁷ Housing Class/Star Rating is defined by CoStar and is based on building characteristics such as location, size, quality of construction and materials, and amenities. See Attachment A for details.

⁸ Income and rent levels based on 2020 CSJ adjusted HCD Income Limits; HCD occupancy guidelines assume one person per bedroom plus one person; Rent Stabilized data from City of San José Rent Stabilization Program; Market-rate Class A rents from CoStar, January 2020. Note that affordable income and rents are maximums, while rent-stabilized and market-rate rents are current averages.

⁹ Housing Class/Star Rating is defined by CoStar and is based on building characteristics such as location, size, quality of construction and materials, and amenities. See Attachment A for details.

¹⁰ Interview with Igor Popov, Chief Economist of Apartments.com, Dec. 16, 2020.

¹¹ Popov, Dec. 16, 2020.

hold jobs that can be done remotely. Fourth quarter 2020 marks the first time that Class B apartments surpassed a 5% vacancy rate since 2015, and the first time that Class C and F apartments surpassed a 5% vacancy rate since 2005.¹² Definitions for CoStar building classes are included in **Attachment A**.

New construction activity in the San José metro area has remained robust, as over 4,900 units are under construction.¹³ However, these projects will be delivered into an uncertain economic environment. The near-term effects of robust supply growth and the current reduction in demand will likely lead to longer lease-up times and difficulty sustaining the elevated rents new projects typically command. New developments are being forced to increase their rent concessions in an attempt to expedite lease-up times. This is particularly challenging for what CoStar categorizes as 4 & 5 Star properties, ^{Error! Bookmark not defined.} with vacancies currently registering at 18% in Class A properties. This extremely high Class A vacancy rate is expected to inhibit new Class A construction starts until demand strengthens.

Demand for affordable housing remains extremely strong in San José. Even according to older data collected long before COVID, 57% of San José's renter households were lower-income, with income levels appropriate for deed-restricted affordable housing.¹⁴ Further, given large increases in area median income since that time, this proportion was undoubtedly higher when COVID started in early 2020. As with other classes of properties, affordable property owners report rising rates of nonpayment of rent due to COVID. While temporary assistance is needed to strengthen these properties' performance, the underlying shortage of affordable apartments still makes San José a strong market for affordable housing investors and lenders. But rising construction costs and difficulty competing for competitive public funding sources leaves affordable housing production at levels too low to meet production goals and the community's need.

In contrast to the apartment market, San José's for-sale market is very strong. Home sales prices increased by 49% over the last five years¹⁵ and by 12% over 2019. In Q4 2020, the median single family detached home in San José sold for \$1,225,000. Homes also are selling much faster, with days on the market falling from 38 days in 2019 to 18 days in 2020.¹⁶ While for-sale homes in San José are accessible to higher-income households, only 22% are affordable to households earning the area median income, according to the National Housing Opportunity Index.¹⁷ A San José household would need an income of approximately \$203,000 (143% of area median income

for a family of four) to purchase the median-priced home, assuming it paid a reasonable housing $\cos t$.¹⁸

Historically low interest rates have fueled home purchases for households that can afford to make this investment. In Q4 2020, the 30-year fixed interest rate was 2.68%, the lowest in history. It is 28% lower than last year's rate of 3.72%.¹⁹ This drop in rates has made the homebuying market far more competitive, as can be seen by the 53% decrease over 2018 in the number of days it took for homes to sell. And, with lower rates, buyers can afford to offer higher prices.

Summary of Planning Entitlements in 2020

In 2020, 36 residential entitlement applications were submitted to Planning for the development of 7,801 units, of which 79% were market-rate and 21% were restricted affordable. Given that 10% of units proposed for entitlement in 2019 were affordable, the share of total units that are affordable has increased. Five SB 35 and three AB 2162 applications, totaling 1,306 units, were submitted for streamlined entitlements processing. SB 35 (2017) and AB 2162 (2018) allow for streamlined ministerial review of residential or mixed-use projects that meet specific affordability levels and other criteria, reducing Planning review times by an average of 2 months compared to other affordable housing projects. Planning staff anticipates that ministerial applications will continue to increase as developers seek time savings under these two laws. **Attachment B, Table A** provides project-specific details on entitlement applications.

Entitlements for 4,362 units were approved in 2020, of which 2,660 were market-rate and 1,702 were affordable. Of these, 2,249 units were located in urban villages. Two AB 2162 applications were approved in 2020, one on June 30, 2020, and a second on November 19, 2020. Attachment **B**, **Table A2** provides details on completed entitlements.

Summary of Building Permit Activity in 2020

In calendar year 2020, the City issued building permits for 1,375 new residential units. Although this represents a nearly 43% decrease from the 2019 permits issued, over 7,400 units currently have approved planning entitlements and have not started construction likely due to the softening of the market and the pandemic. Of the building permits issued, 712 units were market-rate, while 663 were affordable. **Figure D** illustrates this 2020 activity by income category.

Affordable units are those offering rents affordable to extremely low-, very low-, low- and moderate-income households (as detailed in Figure A above). Figure D shows the City's annual production of extremely low-, low-income and moderate-income housing remained well below the annual goal. However, the City was able to meet more than half of the year's very low-income goal of 525 units. Of the total affordable homes that received building permits, 534 are

¹⁸ Santa Clara County Association of Realtors, December 2020. Income to mortgage calculations assume payments at 30% of income, 20% down, 2.68% interest, 1.1% Property Tax.

¹⁹ Freddie Mac 30-year Fixed Rate Mortgage, Dec. 2020.

deed-restricted affordable and 129 may be counted as affordable to moderate-income households based upon current market conditions.²⁰ **Attachment C** provides a detailed description of the methodology staff used for the 2020 moderate-income analysis.

In 2020, three hundred and thirty-one building permits were issued for accessory dwelling units (ADUs). Even though building permits issued have softened from 2019 levels, building permit volume for ADUs remains over 18 times the number issued in 2014. ADU building permit issuances significantly increased following Zoning Ordinance updates approved by the City Council in 2016 and 2018 to comply with State law, as well as permit process enhancement efforts to encourage the construction of ADUs.

Although less ADU building permits were issued in 2020 than 2019, ADUs increased as a share of permitted units from 17% to 24%. Unlike larger housing developments, ADUs are cheaper to build, meaning they can be profitable at lower rents, and applicants are more likely to be primary dwelling homeowners looking to house relatives or make extra rental income. This, combined with eligible sites in every residential area and friendly policies, has enabled ADU production to be less cyclical and less affected by the COVID-19 downturn.

ADUs are currently counted in the "above moderate-income" category because staff does not have data on the rents homeowners intend to charge or whether ADUs would be used for family members. However, it is likely that some ADUs will be offered at rents affordable to moderate-income households. Staff is working with the <u>Santa Clara County Planning Collaborative</u> to obtain results from an ADU Affordability Survey conducted by UC Berkeley and HCD for jurisdictions throughout the State, including San José. If initial rents for ADUs surveyed are at or below the moderate-income range, staff will accordingly reflect a portion of ADUs as affordable units for the next Annual Progress Report.

Despite the City's strategy for most new housing growth to be focused in urban villages, just 352 units (26%) of the units with building permits issued in 2020 were located in urban villages. The lack of production in urban villages is driven by multiple factors, including a decline in market conditions, increasing construction costs, and, more fundamentally, a small number of sites to build on. As these factors are likely to continue through the end of this RHNA cycle, it is important that the City consider other strategies that respond to these constraints and produce needed housing.

²⁰ HCD guidelines indicate that where actual rent information is unavailable, permitted units can be counted in the moderate-income category based on market conditions. However, it should be noted that it is uncertain how long the moderate-income units will remain affordable to moderate-income households because of the lack of recorded affordability restrictions.

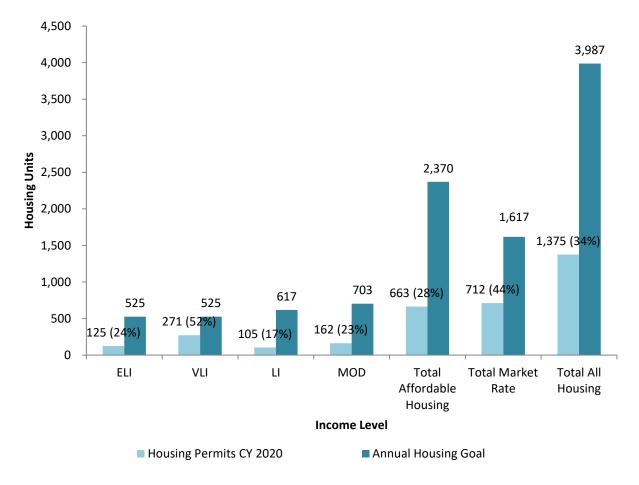

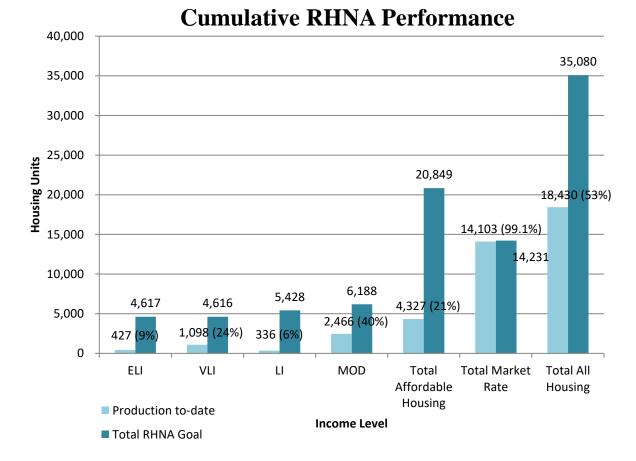

Figure D – Calendar Year 2020 RHNA Building Permit Performance

Summary of Cumulative Building Permits (2014-2020)²¹

Figure E compares the City's performance through 2020 with the overall goal through the current RHNA cycle. During the first seven years of the 8.8-year RHNA projection period – approximately 80% of the way through the current RHNA cycle – the City has met 99% of its market-rate housing goal but only 21% of its affordable housing goal.

The chart indicates that San José is ahead of schedule in delivering market-rate housing and is behind schedule in delivering all other income levels of affordable housing. This slower pace in building affordable units generally reflects the time and difficulty in assembling competitive affordable housing financing layers, as well as the scarcity of local, State and federal subsidies that are needed to build that many affordable homes.

²¹ Cumulative totals in HCD Tables will vary because the tables reflect RHNA permits starting CY 2015; San José is counting CY 2014 permits also in the current RHNA cycle

Building Permit Type and Location

In 2020, the City saw significant increases in ADUs' share of all units with building permits issued. Approximately 68% of the units with issued building permits were multifamily, 24% were ADUs, 8% were single-family detached, and less than 1% were single-family attached. In 2019, approximately 75% were multifamily, 2% were for single-family attached, 17% were ADUs, 6% were single-family detached. **Attachment D** is a map that shows where 2020 multifamily and ADU building permits were located.

Certificates of Occupancy

In 2020, 1,216 units received certificates of occupancy, 589 more than in 2019. Of the 1,216 units that received certificates of occupancy, 957 were market-rate and 259 were affordable. Approximately 75% of the units that received certificates of occupancy were in multifamily development projects, and approximately 19% were ADUs. The remaining units were single-family homes. The four largest multifamily projects that received certificates of occupancy in 2020 two affordable housing developments – Park Avenue Senior Apartments (100 units) and

Renascent Place (162 units) – and two market-rate housing developments, The James Apartments (190 units) and The Platform (318 units). Details on certificates of occupancy can be found in **Attachment C, Table A2**.

Progress on Programs and Policies

In addition to reporting on housing production, HCD requires annual updates on the City's programs and policies that support housing production. **Attachment B, Table D** provides a comprehensive progress update.

Units Rehabilitated, Preserved, and Acquired

Attachment B, Table F summarizes the units that were preserved or rehabilitated in 2020. Preservation and rehabilitation only count toward RHNA goals in very narrow circumstances, and San José developments typically do not qualify under the State's rules. However, it is important to note that the City took action to extend affordability restrictions and/or rehabilitate five affordable housing developments with 774 apartments to ensure their continued long-term viability. Of the 774 apartments, 144 were affordable for extremely low-income residents, 344 were for very low-income residents, and 286 were for low-income residents.

Units Lost to Expiring Affordability Restrictions

As of February 2021, expiring affordability restrictions at the Housing for Independent People, Inc. (HIP) Consolidated sites, Homebase, Mahalo, and Colonnade properties resulted in a total of 46 restricted units being lost. There are no further restrictions on these developments.

New Funding and Strategies

In response to the housing crisis, State lawmakers have passed several important pieces of legislation over the past few years that will assist cities in addressing affordable housing needs. While previous years included a significant number of State housing bills to help spur production, few major housing bills became law from the 2020 session. Two of note include:

- AB 2345 (Gonzalez), which revises several provisions of density bonus law to provide additional benefits for qualifying projects, including lowering the threshold required to qualify for incentives/concessions; and,
- AB 1851 (Wicks), which prevents cities from requiring faith-based organizations to make up lost parking spaces when housing is developed on their parking lots.

However, new State and local funds have increased resources available for affordable housing production able to be counted under RHNA. The 2019-20 State Budget awarded \$2.5 billion in State funding to support affordable housing needs.²² Much of the State's focus was on awarding Project Homekey funding to enable localities to purchase and rehabilitate housing, including

²² HCD Annual Report 2019-20, p.7, <u>https://www.hcd.ca.gov/policy-research/plans-reports/docs/hcd_2019-</u> 20 annual-report web ada final lower res.pdf

hotels, motels, vacant apartment buildings, and other buildings and convert them into interim or permanent, long-term housing for the homeless.²³ In early 2021, the City expects to get approximately \$4.3 million, its first funds from the State from the new permanent source for affordable housing under SB 2 (2017). This SB 2 Permanent Local Housing Allocation will award flexible, on-going State funding annually to San José that can be used for a variety of affordable housing and homelessness activities. Per the City Council's approval on June 16, 2020,²⁴ San José's use of SB 2 funds for the next five years will support interim housing communities' operating costs; however, future SB 2 funds could support new affordable housing development. Future local resources for affordable housing production also will increase through two new sources: voter-approved City Measure E, a new general fund real property transfer tax that could generate an estimated \$40 million per year for affordable housing and homelessness, depending on market conditions; and, a new Commercial Linkage Fee approved by the City Council in September 2020, estimated to generate up to \$14 million over the next three years for the development of new affordable housing. Finally, Santa Clara County continues to commit its 2016 Measure A funds to fund extremely low-, very low-, and low-income households with a focus on permanent supportive housing. As of February 2021, the County has committed \$533 million in Measure A funds to build and renovate 3,587 affordable units in 34 affordable housing developments in seven cities.²⁵

In June 2018, the City Council approved the Housing Crisis Workplan (Workplan), a strategy to facilitate the development of 25,000 housing units, including 10,000 affordable units, by 2023. City staff continue to implement 24 strategies to spur housing production in the Workplan and have completed another 12 strategies. A status update on the Housing Crisis Workplan was given at City Council on November 10, 2020.²⁶ The next staff update is planned for the May 2021 meeting of the Community and Economic Development Committee.

Staff has recently completed several noteworthy Workplan items. First, staff implementing the City's approved Commercial Linkage Fee, mentioned above, after several years of work. Second, on February 9, 2021, City Council approved modifications to General Plan Housing Policy H-2.9, the "1.5-Acre Rule," which allows for 100% affordable housing on underutilized commercial sites. Third, in August 2020, staff released the San José Housing Site Explorer to developers for initial testing. The Housing Site Explorer²⁷ is now available to the public through the City's GIS Maps Gallery to speed developers' predevelopment process.

In early 2019, the City announced selections from its 2018 \$100 million Notice of Funding Availability (NOFA). This NOFA will support 11 proposed developments that will add 1,144 new affordable apartments at varying affordability levels, including permanent supportive

 ²³ Staff will need to determine whether any of San José's Project Homekey units can be counted in RHNA.
 ²⁴ <u>https://sanjose.legistar.com/LegislationDetail.aspx?ID=4551087&GUID=D78A525E-E223-4D00-8FB1-AAAB3FF35595&Options=&Search=</u>

²⁵ Santa Clara County Office of Supportive Housing, as of Feb. 28, 2021,

²⁷ <u>https://san-jose-housing-ca.tolemi.com/</u>

housing for unhoused residents. Between early 2019 and February 2021, the City Council committed \$86 million in loans to eight affordable housing developments that will create 697 units of affordable housing. Staff plans to request that the City Council commit funding to the remaining three qualifying projects in the City's managed pipeline as they progress through their predevelopment work and meet the City's readiness requirements.

Including the use of all City sources to create affordable housing, including Measure E and Commercial Linkage Fee revenues, the City's current Affordable Housing Investment Plan projects a total of 7,434 new affordable units achieved through FY 2022-23.²⁸ However, this leaves the City short of meeting both its RHNA and its 10,000-affordable unit production goals. Assuming a need for \$125,000 in City subsidy per unit, the City would need an additional \$320 million to fund the balance of 2,566 units to meet the City Council's 10,000-affordable unit goal.

While the City can do its part to further affordable housing production, 100% affordable housing developments can proceed only if developers are successful at obtaining tax credits and/or bond financing allocations from the State. Unfortunately, while 4% tax credits and tax-exempt bond allocations were reliably obtainable in the past, these programs have become competitive and harder to get awards. South Bay projects have been less successful than those from other regions in obtaining awards recently largely due to scoring penalizing an urban format of construction and extremely low-income housing, given their higher costs of development relative to lower-cost regions. The City filed a comment letter with the State Treasurer's Office on proposed scoring changes in December 2020. Organizational changes also are expected in the coming year, as the Tax Credit Allocation Committee and the California Debt Limit Allocation Committee will be under one leader and will be creating a one-stop shop format that will be easier for developers to navigate. The State Department of Housing and Community Development will also administer several of its funding programs with a common application and synchronize with the Treasurer's Office timing.

In addition to the Housing Crisis Workplan items cited above, recent staff work and City Council actions also have the potential to increase further the production potential of City policies and programs. First, on February 23, 2021, the City Council approved changes to the Inclusionary Housing Ordinance that will give developers additional flexibility and hopefully result in additional homes being built over time. Second, staff will return to the City Council in spring 2021 with proposed actions to help spur apartments' acquisition and restriction to low- and moderate-income renters using financing provided by tax-exempt bonds issued by Joint Powers Authorities. Third, staff also expects to begin work in 2021 on two efforts to enhance the production of housing likely to be kept affordable over the long-term. These recommendations were authorized by the City Council's approval on September 22, 2020, of the Citywide Residential Anti-Displacement Strategy. Recommendation 8 would make it easier to develop

²⁸FY 2020/21 – FY 2020/23 Affordable Housing Investment Plan, https://www.sanjoseca.gov/home/showpublisheddocument?id=66577

affordable housing on sites for assembly uses such as houses of worship, and Recommendation 9 seeks to optimize pre-plan Urban Villages for affordable housing production.²⁹

Further, the City's General Plan 4-Year Review process could also result in changes that promote production. One major recommendation by the Task Force was to allow "Opportunity Housing" (buildings with up to four units on Residential Neighborhood-designated parcels) citywide. Staff is currently working with a consultant to examine feasibility of this type of 'missing middle' housing. If it is approved by the City Council, San José would join Minneapolis, Portland, Oregon, and Sacramento as major American cities that allow small-scale multifamily housing in virtually all residential areas and become the most populous American city with such a policy.³⁰ Opportunity Housing forms similar to single-family houses, at costs lower than most multifamily construction. As approximately 94% of the City's residential land supports single family housing, Opportunity Housing is a tool that has the potential to integrate homes and add diversity to the City's housing stock while retaining the character of existing neighborhoods.

As the City remains short of meeting both its RHNA and its 10,000-affordable unit production goals, despite diligent staff work and the dedication of considerable resources, San José will need to be aggressive in pursuing all production strategies appropriate and feasible for the community that will grow and diversify its housing stock – both with new types of housing, and with more housing affordable to lower- and moderate-income residents.

Housing Successor to Redevelopment Agency Annual Report

The Housing Successor to the Redevelopment Agency Annual Report for Fiscal Year 2019-20 (Housing Successor Report) is included as **Attachment E**. The Successor Report is required to be submitted with the Annual Housing Element Progress Report. The City is the Housing Successor for the former Redevelopment Agency. The Housing Successor Report provides information on receipts and expenditures in the Low and Moderate Income Housing Asset Fund (LMIHAF), which contains repayments of loans made with original redevelopment 20% funds.

The Low and Moderate Income Housing Asset Fund (LMIHAF) is the City's major asset. At the end of FY 2019-20, the City as Housing Successor had \$692,354,983 in total LMIHAF assets comprised of cash, loan receivables, and real property owned by the Housing Successor. Besides information on aggregate expenditures, the Housing Successor Report includes several expenditures "tests" that the Housing Successor must meet. The City met all of them, as follows.

²⁹ Citywide Residential Anti-Displacement Strategy, <u>https://www.sanjoseca.gov/your-government/departments-offices/housing/resource-library/housing-policy-plans-and-reports/citywide-anti-displacement-strategy</u>

³⁰ Berkeley's City Council also approved the elimination of single family zoning on February 23, 2021, although further actions need to occur to implement this direction. "Berkeley to eliminate single-family zoning, cites racist ties," *Mercury News*, Feb. 24, 2021, <u>https://www.mercurynews.com/2021/02/24/berkeley-to-end-single-family-residential-zoning-citing-racist-ties/</u>.

Excess Surplus Test

The "Excess Surplus Test" requires that the Housing Successor cannot have unencumbered funds that exceed the aggregate amount deposited into the fund during the preceding four fiscal years. If a Housing Successor fails to meet the excess surplus test, it may be required to transfer excess LMIHAF funds to the State. The Housing Successor Report indicates that the aggregate amount deposited into the fund during the four prior years was \$156.5 million, while the unencumbered amount at the end of FY 2019-20 was \$138.5 million. Therefore, the Housing Successor met this test because the balance does not exceed the aggregate amount deposited for the test period. The Housing Department will have committed \$90 million in funds to new developments by June 2021 and will be releasing a new Notice of Funding Availability in Spring 2021 seeking additional affordable housing developments for funding.

Senior Housing Test

Redevelopment law places a limit on the amount of funds that can be spent on affordable housing for senior citizens. If this percentage exceeds 50% of units funded over the last 10 years, the Housing Successor cannot expend future LMIHAF funds on new senior housing until it has reduced this percentage to 50% or below. The Report indicates that only 15% of the City's expenditures over this period went to fund senior affordable housing. Therefore, the Housing Successor met the "senior housing test" and can continue to fund senior affordable housing developments with LMIHAF funds.

An amended FY 2018-19 Housing Successor Report also shall be submitted to HCD (**Attachment F**), as the Seniors Test percentage was incorrectly calculated and reported last year. The percentage reported last year was 28%, which reflects a cumulative proportion of funded senior affordable units relative to all funded affordable units over time. The corrected percentage is 21% for the prescribed 10-year period.

Extremely Low-Income Test

Redevelopment law also requires at least 30% of LMIHAF funds be expended for the development of rental housing affordable to extremely low-income households earning at or below 30% of the area median income. The total housing development expenditures between July 1, 2015, through June 30, 2020, were \$53,009,757. Of the total amount, \$16,098,814 (30%) was spent to build affordable homes for households earning at or below 30% of area median income. San José's expenditure for extremely low-income households in the period 2014 to mid-2019 meets the State's expenditure requirement of 30%.

The City also has its own goal to fund housing for extremely low-income households. In April 2019, the City Council approved the Housing Department's Affordable Housing Investment Plan. The City Council's direction requires that the Department dedicate 45% of all future project funding to extremely low-income households.

While the City spent 30% of LMIHAF funds on extremely low-income households under this particular test, is important to note that the State's test has a different time period (July 1, 2015, through June 30, 2020) than does the City Council's new, forward-looking goal of 45% established in April 2019. This goal is contained in the City's current <u>Affordable Housing</u> <u>Investment Plan</u>.

CONCLUSION

The City continues to work towards meeting its regional housing needs and the City Council's production goal by implementing the programs and policies outlined in the Housing Element. In calendar year 2020, 33 residential entitlement applications were proposed for the development of 7,876 units, of which 79% were market-rate and 21% were affordable. The City issued building permits for 1,375 new residential units and issued certificates of occupancy for 1,216 units.

EVALUATION AND FOLLOW-UP

After the City Council accepts the Annual Progress Report and the Housing Successor Report, staff will submit the approved document to HCD and the Governor's Office of Planning and Research by the State-mandated April 1, 2021 deadline.

PUBLIC OUTREACH

This memorandum will be heard at the March 11, 2021, Housing and Community Development Commission meeting. It will also be posted on the City's Council Agenda website for the March 23, 2021 City Council meeting.

FISCAL/POLICY ALIGNMENT

The current certified Housing Element aligns with the City's federal Consolidated Plan 2020-25 and with the Housing Department's Affordable Housing Investment Plan, both of which prioritize the production of affordable housing. The construction of ELI housing aligns with the City Council's direction to spend 45% of the City's subsidies on ELI apartments, with the regional "All The Way Home" campaign to end veterans' homelessness in Santa Clara County, and the City Council-supported County-wide Community Plan to End Homelessness 2020-2025.

Additionally, as one of the central elements of the City's General Plan, the Housing Element is consistent with the General Plan's Major Strategies, goals, policies, and action items to increase, preserve, and improve San José's affordable housing stock.

/s/ ROSALYNN HUGHEY, DIRECTOR Department of Planning, Building and Code Enforcement

/s/ JACKY MORALES-FERRAND, DIRECTOR Department of Housing

For planning-related questions, please contact Jared Hart, Division Manager, at (408) 535-7896. For housing-related questions, please contact Kristen Clements, Division Manager, at (408) 535-8236.

Costar Multi-family Class Definitions

<u>Class A</u>: In general, a class A building is an extremely desirable investment-grade property with the highest quality construction and workmanship, materials and systems, significant architectural features, the highest quality/expensive finish and trim, abundant amenities, first rate maintenance and management; usually occupied by prestigious tenants with above average rental rates and in an excellent location with exceptional accessibility. It may have been built within the last 5-10 years, but if it is older, it has been renovated to maintain its status and provide it many amenities.

<u>Class B</u>: In general, a class B building offers more utilitarian space without special attractions. It will typically have ordinary architectural design and structural features, with average interior finish, systems, and floor plans, adequate systems and overall condition. It will typically not have the abundant amenities and location that a class A building will have.

Class C: In general, a class C building is a no-frills, older building that offers basic space. The property has below-average maintenance and management, a mixed or low tenant prestige, and inferior elevators and mechanical/electrical systems.

<u>**Class C</u>**: In general, a class C building is a no-frills, older building that offers basic space. The property has below-average maintenance and management, a mixed or low tenant prestige, and inferior elevators and mechanical/electrical systems.</u>

<u>Class F</u>: A functionally or economically obsolete building is one that does not offer a viable alternative for space and does not "compete" with others of similar type for occupancy by businesses seeking a location for operations. These buildings will usually have externally visible physical or structural features as well as internal ones that render it undesirable to be leased and therefore not competitive with any other properties in the market. The property may even be tagged as "Condemned" by the local authorities.

Costar Multi-family Star Rating Definitions

RATING	GROUP	DEFINITION						
	A 5-Star building re	presents the luxury end of mu	lti-family buildings defined by finishes, amenities, the overall ecifications for its style (garden, low-rise, mid-rise,					
		Exterior Materials/Façade	High-quality durable materials – natural stone, glass, well detailed and constructed metal panel, wood veneer, or terracotta cladding; accentuating lighting.					
	Architectural	Fenestration/Glazing/Views	Large windows, abundant natural day lighting, generally available exterior views, high efficient glazing specification.					
**	Design	Overall Aesthetics	Representing current trends and standards in design and/or of a timeless, perhaps a historic quality. Aesthetically exceptional arrangement of forms, massing and materials. Possibly designed by a notable or signature architect.					
****	Structure/Systems	High ceilings; modern energy speed elevators, likely new o	y-efficient, central HVAC, individually controlled systems, high- r newly renovated.					
	Amenities	Unit Amenities/Design	Requires numerous high quality finishes such as hardwood floors, granite countertops, stainless steel appliances, bay window(s), crown molding, a balcony/patio and in-unit washer/dryers. Also typically has an open floor plan and high/vaulted ceilings of 9'+					
		Site Amenities	Requires plentiful on-site shared facilities including a clubhouse/party room, fitness center, business center, pool, concierge, etc.					
	Site/Landscaping	Continually maintained lands or courtyard.

Name of Program Increase, Preserve, and	Objective	Timeframe in H.E	Status of Program Implementation
Improve the Supply of Affordable Housing:			
1. Continue Predevelopment Loan and Project Development Loan Programs.	A. Review City's existing Income Allocation Policy and update as necessary to provide a funding framework for income categories.	2015-16	Completed. In fall 2020, the City Council approved the Housing Department's Affordable Housing Investment Plan which defined uses for its funds. Priorities include both creation of new permanent supportive apartments for the homeless, non-homeless units in mixed-population projects, and traditional tax credit projects. The Department issued a \$100 million Notice of Funding Availability which defined target affordability levels. Given that the vast majority of the Department's funding is governed by specific State law on the restrictions associated with the reuse of program income from former 20% redevelopment funds, a new Income Allocation Policy is not anticipated. Rather, periodic Housing Investment Plans will define Council-approved priorities for expenditures.
1. Continue Predevelopment Loan and Project Development Loan Programs.	B. Continue to provide predevelopment loans to assist nonprofit housing developers with funds necessary to explore feasibility of proposed affordable multifamily housing.	Annual, ongoing	The Housing Department is encouraging affordable housing developers seeking predevelopment funds to work with the Housing Trust of Silicon Valley and Destination Home to receive funds for this purpose. In limited circumstances funding will be made available for predevelopment activities.
1. Continue Predevelopment Loan and Project Development Loan Programs.	C. Continue to provide land acquisition, construction, and permanent financing for the development of new affordable homes and the acquisition/rehabilitation of existing rental housing for affordable homes pending availability of funds.	Annual, ongoing	In 2020, staff obtained City Council approval to fund approximately \$27M for acquisition, construction, and permanent loans and grants to support the creation of 316 new affordable homes. In 2020, the City also issued \$2M in tax- exempt bonds to support rehabilitation and refinancing of existing rental complexes totaling 700 affordable apartments. In 2020, City Council approved an ordinance enacting a requirement that new non-residential development pay a commercial linkage fee for the provision of affordable housing. The proposed fees are expected to generate approximately \$14 million in the coming three years of this new fee program. Revenue will be utilized by the Housing Department to finance the development of new affordable housing for moderate-, low-, very low- and extremely low-income residents.
2. Maximize revenues from the City's loan portfolio.	Maximize City revenues and residual receipts when senior loans mature or are refinanced/restructured.	Ongoing	Residual receipts decreased by 23% between 2019 (\$20.7M) and 2020 (\$16M). The decline is somewhat related to COVID rent non-payments. While the total is a healthy \$36.8M, organizational capacity and analytical tools to monitor and enhance portfolio revenues have been strengthened and staff continues to project revenues to strengthen planning efforts.
3. Facilitate affordable housing deals that require no City subsidies.	Facilitate mixed income deals. Facilitate 9% and 4% tax credit/bond developments.	Ongoing	Housing filed comments with TCAC in late 2020 on proposed revisions to the State scoring framework that affects allocation of 4% credits and bonds. The City is working with developers to make sure current policies support mixed-income deals. In 2020, City staff continued to explore an option to use JPA-issued bonds for low- and moderate-income housing. Housing staff also is coordinating with developers that do not require City subsidy such as The Veranda, Crossings on Monterey, Virgina Street Studios, and Gateway Senior Apartments.
4. Implement the City's Housing Impact Fee Program.	A. Develop and implement the Housing Impact Fee Program by the effective date.	2016	Following the passing of State Legislation (AB 1505) in 2017, the San Jose City Council took specific actions to clarify the transition from the Affordable Housing Impact Fee (AHIF) to the Inclusionary Housing Ordinance (IHO) on May 8, 2018. As a result rental development projects with 20 or more units that subjected after June 30, 2018 will be considered under the IHO. The AHIF Program is still applicable to rental developments with 3-19 units. AHIF implementation is currently underway with: - 4 projects (3-19 rental units) also known as small rental projects, have submitted their Affordable Housing Compliance Plans and plan to pay AHIF prior to issuance of their building permits. One project has paid \$113,942.40 - 14 projects (20 or more units) also known as Transition projects, have submitted their Affordable Housing Compliance Plans and plan to pay AHIF prior to issuance of their building permits. These projects must obtain approved building plans by January 17, 2021 (this date is aligned with the Local Emergency Proclamation due to COVID-19) in order to remain under the AHIF, otherwise they will become subject to the IHO. Six projects has paid their AHIF totaling \$9,408,578.65 based on 735 market rate units, of those funds \$3,414,708 were received in 2020 - 9 projects (with 20 or more units) that are planning to be Downtown High-Rises and thus are eligible for a term limited exemption, have submitted their Affordable Housing Compliance Plans. They plan to record an Affordable Housing agreement to defer payment of their AHIF to Certificates of Occupancy. If these Downtown High-Rises receive 100% of their Certificates of Occupancy by June 30, 2025, they will be exempt from paying AHIF. - 7 projects (with 20 or more units) that are planning to be 100% affordable, have submitted their Affordable Housing Compliance Plans and plan to provide an Affordability Restriction that will fulfill their AHIF requirement prior to issuance of their building permits.
4. Implement the City's Housing Impact Fee Program.	B. Utilize the fees generated to finance the development of housing that is affordable to the workforce.	2016	To date, approximately \$11.1 million in Affordable Housing Impact Fees have been paid. The AHIF resolution provided a grandfathering provision (Pipeline Exemption) open to projects with approvals completed before June 30, 2016. A development will be exempted from the fee if the development receives its Certificate of Occupancy for buildings containing at least 50% of the declared units prior to January 31, 2020. - 13 developments met the pipeline exemption from 2018, revising the estimated value of the exempted fee revenue for these developments to total \$55 million.
5. Acquire land for residential development, especially near transit for the development of low- and moderate- income housing.	A. Utilize resources to acquire land	Annual, ongoing	The Housing Department purchased the Vista Montana site in June 2020 for the future development of affordable housing. Additionally, the Housing Department purchased three City-owned sites in fall 2020 for the purposes of future affordable housing development.

5. Acquire land for residential development, especially near transit for the development of low- and moderate- income housing.	B. Partner with transit agencies such as VTA and BART to explore and facilitate transit-oriented development (See workplan item #15)	Annual, ongoing	VTA selected a developer team to build up to 569 housing units and commercial at theTamien Light Rail and Caltrain Station. One-hundred and thirty-five of the apartments will be affordable. VTA continues to engage with the community and the City on several other TOD projects on the Santa Teresa light rail line. Also, developer First Community Housing with its McEvoy Apartments development is building 365 affordable housing units near the City's central Dirdon Station.
5. Acquire land for residential development, especially near transit for the development of low- and moderate- income housing.	C. Explore the creation of a land bank to ensure the creation of affordable housing within Urban Villages.	2016-17	Examining a potential land acquisition loan fund is in the Housing Department's direction from the City Council as part of its Housing Crisis Response workplan. Staff had reported back to Council previously that, given the very high land costs in the market at this time, this does not appear to be an advisable strategy. Staff will continue to assess this strategy and will again report back to City Council in 2020 on this topic. Staff will also continue to explore Community Land Trusts feasibility as another way to acquire and hold sites for affordable housing.
5. Acquire land for residential development, especially near transit for the development of low- and moderate- income housing.	D. Explore partnerships such as Community Land Trusts to facilitate acquisition of land.	2016-17	In 2020, the Housing Department supported the start-up of the South Bay Community Land Trust through the provision of extensive technical assistance through weekly meetings, help with its charter, and connections with other organizations. The SBCLT and Housing Department staff together participated in a regional Preservation Network hosted by the Silicon Valley Community Foundation and CCHO in San Francisco.The City also partnered with the SBCLT on submission of an application to the Silicon Valley Community Foundation, which awarded the South Bay team with \$20,000 in predevelopment funding to do an initial preservation pilot program.
6. Advance Inclusionary Housing Programs	Continue to defend the Citywide inclusionary housing ordinance in court. Continue to implement the City's existing inclusionary housing policy on for-sale projects in former redevelopment areas.	Ongoing	In 2020, staff continued to implement the City's Inclusionary Housing Ordinance (IHO). Staff implemented requirements for newly-filed for-sale projects after the "Grace Period" ended for developments obtaining all needed Planning Permits prior to June 30, 2016. - 4 developments were deemed eligible for the IHO Grace Period. These 385 units would have generated \$9.8 million in in-lieu fees. - 3 projects are subject to the Inclusionary Housing Policy and are expected to generate \$24.1 million in in-lieu revenue. Thus far, \$5.4 million has been paid in in- lieu fees.
7. Increase supply of permanent supportive housing for homeless individuals.	Explore all opportunities to create homeless apartments with supportive services within the City.	Annual, ongoing	Since the start of 2016, the City has committed funding for 818 units of housing for homeless individuals; the City, County and Housing Authority meet regularly to coordinate investments and progress.
8. Preserve existing deed- restricted multifamily rental homes.	A. Develop a funding framework to guide the allocation of resources between the production of new affordable homes or the preservation of existing affordable homes.	2019-2020	Measure E, a real property transfer tax, was passed by the voters in March 2020. Its uses are flexible enough to accommodate higher incomes sometimes needed in the acquisition and preservation of residential properties. The City Council approved the Measure E Spending Plan in November 2020 which includes an allocation of \$5M in funds specifically for aquisition / rehabilitation.
8. Preserve existing deed- restricted multifamily rental homes.	B. Fund the extension of the affordability restrictions for existing multifamily affordable homes pending funding availability.	Ongoing	Staff has extended and strengthened affordability restrictions for 4 developments with 348 units without additional City funding.
8. Preserve existing deed- restricted multifamily rental homes.	C. Monitor at-risk units and upon notification outreach with landlord, tenants, and qualified entities to assist with funding preservation of existing homes.	Ongoing	The City currently monitors its portfolio to identify at-risk projects and evaluates alternatives for extending affordability restrictions through negotiations with the borrower. This is pursued on a case-by-case basis.
8. Preserve existing deed- restricted multifamily rental homes.	D. Explore and establish an outreach and tenant education program.	2015-16	For projects in the portfolio for which an extension of affordability restrictions cannot be negotiated, the City will work with borrowers to ensure that a satisfactory transition plan for existing residents is implemented. This is pursued on a case-by-case basis.
9. Continue parkland fee reduction for new affordable housing development.	Continue to charge affordable housing developers a lower rate under the Parkland Dedication Ordinance (PDO) and Park Impact Fee (PIO) for new affordable housing developments.	Ongoing	The Housing Department regularly works with affordable housing developers to ensure that they receive the PDO-PIO fee reduction on their developments. The City is expecting to extend the 50% reduction in park fees for 100% AMI affordable housing units in early 2021. This change will be consistent with proposed changes to the Inclusionary Housing Ordinance.
10. Shape national, state, regional and local programs, policies and regulations to facilitate affordable housing development.	A. Help shape the National Housing Trust Fund, GSE reform, tax reform and other Federal policies that create funding for affordable housing development.	Ongoing	In 2020, Housing Department staff worked closely with the Office of Intergovernmental Relations to express support for rental housing assistance, landlord assistance, and federal HUD waivers to help deal with the COVID crisis.
10. Shape national, state, regional and local programs, policies and regulations to facilitate affordable housing development.	B. Shape cap and trade implementation.	Ongoing	Completed. The Housing Department commented on the State's AHSC program in 2017-18, and has regularly partnered with affordable housing developers on applications. The City intends to submit two applications in the upcoming AHSC round to build affordable housing, bike and pedestrian infrastructure, and urban greening improvements.
10. Shape national, state, regional and local programs, policies and regulations to facilitate affordable housing development.	C. Shape permanent source to replace lost State bond funding that was depleted.	Ongoing	Completed. Staff provided input to industry advocates that informed the formula for SB 2 (The Building Homes and Jobs Act) that was successfully passed as part of the Housing Legislation package in 2017. The new law uses a CDBG-based funding formula for the funding that will be directed to local governments starting in 2019. This is consistent with the City's input.
10. Shape national, state, regional and local programs, policies and regulations to facilitate affordable housing development.	D. Support new tools that replace Redevelopment Agency Low/Moderate Income Housing Funds including Infrastructure Financing Districts.	Ongoing	In 2020, no major tax increment bills for affordable housing made it through the State's legislative process. Staff will continue to monitor upcoming legislation so as to support those that create tax increment for affordable housing.
11. Advance collaborative solutions to address housing needs.	Work collaboratively with other City departments, local jurisdictions and working groups such as the Santa Clara CDBG Grants Management Group, Regional Housing Working Group, ABAG/MTC's One Bay Area Plan, Regional Prosperity Plan, Santa Clara Association of Planning Officials, and other initiatives.	Ongoing	The Housing Department staff collaborated extremely closely with the County and community nonprofits in 2020 in devising a response to COVID community needs, including the creation of strategies to address homelessness, rental assistance, and eviction moratoriums. The Countywide CDBG Grants Management group became an important forum for sharing information across communities during this stressful time. As usual, the Department's Homelessness Response and Grants teams regularly coordinated homeless funding strategies with the County of Santa Clara staff and other members of the local CoC. The City's Housing Director met quarterly with Housing Directors from Oakland and San Francisco. Staff also continued to interface with many regionally-focused housing organizations including Destination Home, VTA Land Use and Transportation Initiatives Working Group, NPH Legislative Committee, Santa Clara CDBG Grants Management Group, SV@Home, Santa Clara County Office of Supportive Housing, Santa Clara County Housing Authority, the Cities Association of Santa Clara County, the League of California Cities, Working Partnerships, and the Law Foundation of Silicon Valley. Finally, Housing and Planning staff met regularly with technical assistance providers through the Santa Clara Association of Planning Officials to help plan for the upcoming Housing Element cycle.

[The Day Area Housing Electron Authority (DAUEA) and an in the Link of
12. Advance regional solutions to address housing needs.	A. Explore creation of regional body or formal collaboration to make more efficient use of limited resources, maximize the delivery of affordable housing, or respond to homelessness.	Ongoing	The Bay Area Housing Finance Authority (BAHFA) was created by legislation resulting from the regional public/private/nonprofit convening, CASA. The Housing Department's Director continued to serve on the BAHFA technical advisory committee in 2020 to advocate for its role in facilitating housing production and preservation funding, as well as tenant protection strategies such as regional implementation of tenant preferences.
12. Advance regional solutions to address housing needs.	B. Explore strategies to facilitate a more balanced regional distribution of affordable housing production.	Ongoing	The Bay Area Housing Finance Authority (BAHFA) was established to create and administer regional sources of funding, such as a regional commercial linkage fee - something that Mayor Sam Liccardo has advocated for over several years. The Housing Department's Director continued to serve on the BAHFA technical advisory committee in 2020.
13. Coordinate and implement housing policies and goals contained in the City's housing plans.	Develop a Housing Element, Consolidated Plan and 5-Year Investment Plan with goals and measurable actions that are consistent with each other.	2015	The State-mandated Housing Element was certified by HCD in April 2015, and federal Consolidated Plan was submitted in May 2015. The most recent Housing investment Plan was approved by City Council in November 2020, the report project performance will stretch toward the Mayo'rs goal of 10,000 units by 2023 utilizing new funding source from Measure E and commerical linkage fee for affordable housing developments.
14. Coordinate with Valley Transportation Authority (VTA) on transit- oriented development activities.	Explore ways to facilitate transit- oriented affordable housing development near BART, Light Rail, and Bus Rapid Transit (BRT) stations, including identification of opportunities to develop parcels owned by either agency with affordable housing.	Ongoing	VTA is moving forward with over 100 affordable apartments near its Tamien Light Rail Station and is conducting due diligence or is engaging with developers on 8 additional station areas. City staff worked actively with VTA and the identified developer for Tamien on potential collaboration and implementation of the City's forthcoming tenant preference policies. VTA has also released RFPs for development of Alder Station, Blossom Hill Station, Curtner Station, and Milpitas Transit Station. In addition, RCD is completing Quetzal Gardens, a City- funded 100% affordable housing development with ground floor commercial space that is adjacent to the 522 Bus Rapid Transit stop.
15. Develop and Implement Urban Village Plans	A. Explore various funding mechanisms and programs to help finance infrastructure and amenities for Urban Villages.	Annual, ongoing	The City Council accepted an Urban Village Implementation Framework in December 2017. Updates to Implementation Chapters for Little Portugal, Roosevelt Park, Five Wounds, and 24th & William Urban Village Plans were approved by Council in December 2018 to include financing and implementation tools to construct identified improvements. However SB330 and other legislation have rendered the effort of financing tools infeasible.
15. Develop and Implement Urban Village Plans	B. Complete and/or implement Urban Village plans for The Alameda, West San Carlos, South Bascom, and Diridon Station.	2015-16, ongoing	The Alameda Urban Village Plan was adopted by the City Council in December 2016. The West San Carlos and the South Bascom Urban Village plans were adopted on May 8, 2018. The City released the draft amended Diridon Station Area Plan in fall 2020 and is targeting City Council consideration in spring 2021.
15. Develop and Implement Urban Village Plans	C. Develop and implement additional Horizon 1 and other Horizon Urban Village Plans as appropriate.	2016-23	In 2018, the City Council adopted Urban Village Plans for South Bascom, West San Carlos, and East Santa Clara Urban Villages. The City Council also approved shifting North 1st St., Race St. Light Rail, Southwest Expressway, Alum Rock Ave., Stevens Creek Blvd., Santana Row/Valley Fair, Winchester Blvd., and South Bascom Ave. (North) Urban Villages from Horizons 2 and 3 into Horizon I. City staff are developing the North 1st Street Urban Village Plan and anticipate a City Council hearing date in August 2021.
15. Develop and Implement Urban Village Plans	D. Annually and as part of the Four Year Major Review of the General Plan evaluate the Urban Village Strategy and modify the Strategy as appropriate and needed, to facilitate its successful implementation, and to evaluate and address constraints.	Annual, 2015-16 & 2019-20 (4 Year Major Review)	In late 2016, the City completed its first Four-Year Major Review of the General Plan. Changes included a goal that 25% of new housing in Urban Villages be affordable, allowing affordable housing to move forward ahead of market rate housing in Urban Villages, and allowing selected 1.5 acre commercial sites outside of Urban Villages to convert to mixed use affordable housing. In 2018, the City updated the criteria for affordable housing projects on selected 1.5-acre commercial sites outside of Urban Villages to be less restrictive. The City began the second Four-Year Review of the General Plan in fall 2019 and is planning on bringing the Review Task Force's recommendations to the City Council for consideration in June 2021.
16. Maximize the City's competitiveness for external infrastructure funding to create complete, high quality living environments.	Continue to explore new funding sources for parks, transportation, and other types of infrastructure that favor cities with a demonstrated commitment to building affordable housing. Such programs include OBAG, Cap and Trade and other regional, state, and Federal programs.	Ongoing	Since 2011, the City has been awarded over \$106 M in State loans and grants to plan and build parks, transportation infrastructure, affordable housing and more. Ongoing eligibility for these grants would not be possible had the City not had a certified Housing Element and regularly submitted Annual Reports to HCD. In 2017, City staff partnered on San Jose's third Affordable Housing and Sustainable Communities (AHSC) funding application. In 2018-19, San Jose partnered on three AHSC funding applications. In 2020, staff planned for two 2021 AHSC application submissions. In January 2018, San Jose also applied to Cal OES for nearly \$5M to retrofit soft story multifamily buildings and still awaits notification of award.
17. Work with the private sector to help facilitate the development of affordable homes.	A. Adopt City-wide density bonus ordinance in compliance with updated State law offering specific incentives and concessions to encourage the construction of affordable homes while remaining sufficiently flexible to respond to market conditions across the City.	2015, ongoing	The City Council approved a citywide Density Bonus Ordinance in May 2018 to implement State housing density bonuses and incentives law and to provide affordable housing incentives consistent with the San José General Plan. In May 2020, the Ordinance was updated to reflect the changes to the density bonus, incentives or concessions, and parking requirements made by AB 1763.
17. Work with the private sector to help facilitate the development of affordable homes.	B. Continue to negotiate developer agreements in exchange for "extraordinary benefits" including affordable housing.	Ongoing	As part of the Diridon Station Area Plan update and associated Google project, the City is negotiating both a Development Agreement and a Community Benefits Agreement. Staff is also creating an Affordable Housing Implementation Plan for the Diridon Station Area Plan. Staff released a draft Affordable Housing Implementation Plan for public review in fall 2020 and held several outreach events on the draft.
18. Protect mobile home parks as a source of naturally affordable housing.	Explore the efficacy of the existing mobilehome conversion requirements and potential updates/responses in order to protect an appropriate supply of mobilehomes.	2015-16	Zoning Code amendments, and a new City Council Policy to enhance protection of existing mobilehome park residents were approved by Council in February 2016. In 2017, the City Council approved General Plan text amendments to enhance goals and policies to protect mobilehome parks. In 2018, the Council approved additional General Plan text amendments related to housing preservation and rehabilitation. In 2020, the Council approved changing the land use designations of two mobile homeparks and directed staff to being work on changing the designations of all remaining mobilehome parks and further amending the General Plan to ensure that residents receive just compensation in the event of a conversion.
19. Facilitate the increase of the supply of legal secondary units.	A. Consider amending the existing secondary unit ordinance to facilitate a larger supply of compact "naturally affordable" homes.	2015, ongoing	In 2016, the City Council approved a secondary unit ordinance to loosen Zoning Code regulations and incorporate 2016 changes made to state law. The Council approved further changes to the Zoning Code in 2018 to enable more properties to qualify for secondary units and to ease requirements. In December 2019, the Council voted to update the ordinance to bring the City in compliance with AB 68, AB 881, and SB 13.
19. Facilitate the increase of the supply of legal secondary units.	B. Develop and provide informational materials to inform homeowners of the development standards and the process for secondary unit approval and construction.	2015-16	Existing materials have been updated or replaced with new informational materials to reflect changes to inform homeowners of the development standards and the process for secondary unit approval and construction. A new webpage has been posted with the following URL: www.sanjoseca.gov/ADUs. The City has also created an ADU checklist, an "ADU Ally" position, and a list of preapproved ADUs to help applicants and increase production.

20. Continue to ensure that existing redevelopment-assisted housing remains in compliance with long-term restrictions on rents and tenant incomes.		Ongoing	The City currently monitors approximately 18,511 units of affordable housing for compliance with affordability restrictions. System capacity to measure non-compliance corrections has been developed and implemented to allow more effective and efficient compliance monitoring.
21. Continue to update the City's Zoning Code to facilitate housing at urban densities.	A. Evaluate and revise as appropriate Zoning Code to reduce parking ratios for Emergency Shelters, such as from 1 space for every 4 residents to 1 space for every 10 residents.	2015-16	Revisions to the Zoning Code were made in 2016 for parking ratios for Emergency Shelters to allow up to 100% reduction with approval of a Development Permit.
21. Continue to update the City's Zoning Code to facilitate housing at urban densities.	B. Evaluate and modify existing or develop new Zoning Code to set appropriate parking ratios for developments in transit-rich or in urban/infill locations.	2015-17	Revisions to the Zoning Code were made in 2016 for Secondary Dwelling/Accessory Dwelling unit requirements to allow up to 100% reduction in proximity to transit or car-sharing in urban/infill locations. Additional changes to the Zoning Code were approved by the City Council in 2018 and 2019 to ease and clarify parking requirements for Secondary/Accessory Dwelling Units. The City is reevaluating its parking policies to improve consistency with Climate Smart and the Envision San José 2040 General Plan. City Staff is currently focusing on updating off-street parking standards citywide, including:1. Eliminating minimum parking requirements for new development; and 2. Establishing transportation demand management (TDM) requirements for new development.
22. Assess development application and review process. Consider improvements as needed	Conduct an annual Customer Satisfaction Survey Study to measure satisfaction and to provide insight into how services can be improved.	Annual, ongoing	Based on customer feedback, staff has revised the Department's webpage, simplified applications, and expanded public information hours to make services more user-friendly.
23. Faciltate the development of Single Room Occupancy (SRO) buildings.	Modernize development standards for Single Room Occupancy (SRO) housing.	2015	Work on this item is in progress.
24. Minimize the impacts of condo-conversions on households.	A. Assess the rate of apartment to condominium conversions and impacts on the rental housing stock to determine if displacement is an issue.	2016-17	In September 2020, City Council approved staff's recommendation to review all City ordinances for relocation benefits and displacement risk as part of its Citywide Residential Anti-Displacement Strategy. This work is expected to commence by 2023. Changes to the Condo Conversion ordinance is somewhat lower priority than some other ordinances, as few condo conversions are occurring in our market at this time.
24. Minimize the impacts of condo-conversions on households. Invest in Activities to End H	B. If displacement is identified as an issue, explore and establish policies and programs as appropriate to mitigate the potential impact on renters in the event of a condo-conversion.	2017-18	In September 2020, City Council approved staff's recommendation to review all City ordinances for relocation benefits and displacement risk as part of its Citywide Residential Anti-Displacement Strategy. This work is expected to commence by 2023. Changes to this ordinance is somewhat lower priority than some other ordinances, as few condo conversions are occurring in our market at this time.
25. Design, fund, and evaluate outreach, rapid rehousing, and supportive service programs for homeless individuals and families.	Continue to fund various nonprofit agencies that provide services to people who are homeless or at risk of becoming homeless. Funding includes but is not limited to programs geared toward preventing and ending homelessness, programs that permanently house homeless households with case management, one- time purchase of capital needs and equipment.	2017, Ongoing, Assess Annually	In 2020, the City dedicated over \$56M to support housing based solutions, including prevention, rental subsidies, and supportive services, as well as crisis response interventions, including homeless outreach, emergency shelter, safe parking and mobile hygiene, to serve over 6,000 people experiencing homelessness in San Jose. Through the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the City received additional federal grant funding through stimulus grants disbursed by HUD. This allowed for the City to fund local organizations with an additional \$37M to provide non-congregate and congregate shelter, rental subsidies, and meals for people at high risk of COVID-19.
26. Implement master- lease program to provide transitional housing for homeless people in existing under-occupied hotels.	A. Revise Zoning Code to allow Hotel Supportive Housing as an incidental use to commercial hotels in non-residential zoning districts.	2014	Completed in 2014.
26. Implement master- lease program to provide transitional housing for homeless people in existing under-occupied hotels.	B. Seek funding to begin implementation.	Completed 2016	In 2020, the City had an opportunity to acquire a commercial motel property to be used to house homeless individuals vulnerable to COVID-19. The City's intent is to transition the property to permanent supportive housing after the health emergency is lifted.
27. Engage in regional homeless coordination, planning efforts, and other initiatives with external partner agencies.	A. In cooperation with the County Destination: Home, and other community partners prepare and implement the new Community Plan to End Homelessness in Santa Clara County that focuses both on chronic homelessness as well as family and youth homelessness.	Ongoing	In August 2020, the City Council endorsed the 2020-2025 Santa Clara County Community Plan to End Homelessness. The Plan contains three focus areas: 1) Address the root causes of homelessness through system and policy change; 2) Expand homelessness prevention and housing programs to meet the need; and 3) Improve the quality of life for unsheltered individuals and create healthy neighborhoods for all. The City continues to provide direct support and funding to the County Office of Supportive Housing. In 2020, the City provided over \$3M to the County for services to support over 300 chronically homeless individuals and Veterans to maintain permanent housing. The City also partnered with Destination: Home with over \$5M for homelessness prevention, with a focus on families.
27. Engage in regional homeless coordination, planning efforts, and other initiatives with external partner agencies.	B. Continue work with the County - as the COC applicant - to develop and implement new community-wide standards to ensure compliance for funding associated with the Federal HEARTH Act.	Ongoing	All service contracts from the City included community-wide standards and metrics as adopted by the COC and tracked in the Countywide HMIS system. Additionally, the Housing Director serves on the COC Board and staff participates in all COC work groups, including a strong partnership with the County on the planning and implementation of the biennial Homeless Census and Survey. Moreover, City staff served in direct partnership with the County EOC during the COVID-19 pandemic and associated shelter-in-place. The Housing Department's Deputy Director served in the Joint EOC.
28. Provide an encampment response to abate, prevent, or deter significant encampments that impact the health and safety of the community and homeless individuals.	Partner with the Water District and other interested parties to implement a plan to consistently clean up encampments, prevent re-encampments, and responsibly address with the housing needs and belongings of homeless residents.		During the COVID-19 public health crisis, the centers for Disease Control and Prevention (CDC) recommended that if individual housing options are not available, who who are living unsheltered or in encampments should remain where they are. In March 2020, the City suspended all encampment abatements. The City completed 41 cleanup activities between January and March 2020 removing approximately 148 tons of debris and hazardous waste.

29. Research and explore potential alternative homeless housing and services options.	A. Examine an array of alternative housing options, including: tiny homes and other best practice or new housing and service models.	Ongoing	In 2020, the City continued to operate a rehabilitated hotel in downtown San Jose for Rapid Rehousing Program participants who were searching for permanent housing. The Plaza Hotel also designated 20 of its units to be used solely for clients who were especially vulnerable during the pandemic. The Plaza has housed a total of 29 COVID placements. In 2020, the City operated the Bridge Housing Community (BHC), a 40-unit tiny home project for individuals with support services and shared common areas. By the end of 2020, the first BHC site had housed 106 clients, with 47 of them succesfully exiting to permanent housing, and the second BHC site will open in January 2021. As a result of the COVID crisis, the City Council directed the Housing Department to develop three emergency interim housing programs to serve those vulnerable to the virus. The three programs were to serve 300 individuals (including individuals in families). The first program opened in September 2020 and the second two in December 2020. The City continued to support places of assembly, primarily faith-based organizations, to open their doors to provide emergency shelter through the Temporary and Incidental Shelter Program; the program provided over 50 additional beds in 2020. Lastly, the City continued to fund the Overnight Warming Locations, which, in the 2019/2020 winter season, changed the model to allow two City-owned buildings to open their doors to homeless persons each night from November 2019 through April 2020. When the sites were open, they provided 60 additional emergency shelter beds in San Jose. With the COVID crisis, one Overnight Warming Location stayed open through August 2020 to allow people to shelter in place. In addition to the Overnight Warming Locations, the City responded to the health crisis by opening two large City owned facilities for COVID-vulnerable homeless individuals in April 2020. One site, Parkside Hall, with 75 beds, operated through August 2020 and the other, South Hall, with 285 beds, will operate through April 2
29. Research and explore potential alternative homeless housing and	B. Implement overnight safe parking program.	2018	In 2020, the City continued to fund a Safe Parking Program at two City-owned facilities. In 2020, 180 households were assisted in the Safe Parking Program. The City implemented a Safe Parking Ordinance to allow those residing in their
services options.			vehicles to park overnight in designated areas throughout San Jose.
29. Research and explore potential alternative homeless housing and services options.	C. Implement hotel/motel master leasing and conversion - see goal #26 also	2017	In 2020, the City continued to support the Plaza Hotel as an interim housing program for those searching for permanent housing with a rental subsidy coupon. In 2020, the City purchased a commercial hotel propert with funding from the State's Project HomeKey. The City released a request for proposals to seek an operator to manage the property and provide supportive services to the 76 COVID- 19 vulnerable residents at the facility. The City intends to transition the property to permanent housing once the health crisis is under control.
30. Inform and engage the community around the issue of homelessness and how it impacts the City and its residents.	Develop ongoing community outreach through social and print media to provide comprehensive and consistent messaging on current services, outcomes, challenges, and long-term goals.	Ongoing	Staff made (mostly virtual) presentations to community groups, boards, neighborhood associations, and a variety of other public and private entities on the issues of homelessness, programming and affordable housing.
Promote Equitable Develop	oment		
31. Facilitate equal access to housing.	A. Update the Assessment of Impediments to Fair Housing.	2015	The Analysis of Impediments update was completed in April 2017. In addition, a robust process to gauge community fair housing needs per federal and State law through an Assessment of Fair Housing was performed in late 2019 though spring 2020. This Assessment formed the basis for funding priorities of the City's 2020-2025 Consolidated Plan, submitted to HUD in spring 2020. The formal release of the Needs Assessment of Fair Housing, delayed due to COVID, is expected in mid-2021. Strategies emanating from needs identified will follow in FY 21-22.
31. Facilitate equal access to housing.	B. Continue to partner with nonprofit organizations to affirmatively further Fair Housing throughout the City.	Ongoing	The City provides CDBG funding to support the Fair Housing Consortium, a collaborative of five nonprofit agencies. In 19-20, the Consortium provided 40 fair housing investigations, 75 client briefings, 47 legal representations and 34 fair housing presentations. The key outcomes included 100 percent of presentation participants became more familiar with the laws governing fair housing following the presentation; and, 75 percent of complainants received improved access or availability of housing through legal services.
31. Facilitate equal access to housing.	C. Explore opportunities to increase public awareness of and access to fair housing information and resources.	2015-16	Ongoing. In 2020, staff and a consultant serving regional jurisdictions continued outreach on fair housing needs for its forthcoming Fair Housing plan using the Assessment of Fair Housing format as directed by California Assembly Bill 686 (Santiago). During the COVID crisis, Rent Stabilization Program staff regularly referred callers to community resources for eviction prevention. In addition, the Department continued to educate the public and enforce its Tenant Protection Ordinance, which prevents unjust evictions, and began administrative enforcement of its tenant ordinances per City Council's approval in December 2019.
to housing.	D. Review and revise as appropriate Zoning Code definition of Supportive Housing to clarify that Supportive Housing is a residential use subject only to those restrictions that apply to other residential dwellings of the same type in the same zone.	2015	Completed. The definition of Supportive Housing in the Zoning Code was revised in 2014. In 2020, in compliance with State law, supportive housing was added as permitted uses in the Residential, Commercial, Public/Quasi-Public, Downtown, and Pedestrian Oriented Zoning Districts, where mixed use or multifamily uses are allowed.
32. Update the City's dispersion policy to align with the Envision 2040 General Plan.	Update the City's existing dispersion policy: 1) to align the location of future affordable housing with residential growth areas identified in the Envision 2040 General Plan; 2) to maximize the access of transit, retail, services, and	2016	The Department engaged two consultants to create a new City Siting Policy for affordable housing. In 2020, the consultants analyzed the City's growth areas, areas of opportunity as defined by the State, access to transit and other amenities, residential displacement risk, income, racial/ethnicity data, and other information. They also conducted research on other cities' practices and academic literature. The draft Siting Policy is expected to come to City Council in mid-2021.
	amenities to affordable housing developments; and 3) to facilitate the development of diverse and complete communities.		
33. Protect the affordability of rental homes.	developments; and 3) to facilitate the development of diverse and complete	2015-16	Complete. On November 14, 2017, the City Council approved a modified Apartment Rent Ordinance providing additional protections to tenants in San Jose. In May 2017, an Ellis Act and Tenant Protection Ordinance were approved providing additional stability to tenants in San Jose. In November 2017, two additional phases of a staffing plan were also approved providing enhanced services to tenants and landlords.
affordability of rental	developments; and 3) to facilitate the development of diverse and complete communities. A. Assess the efficacy of the existing rent control ordinance as a tool for preserving the affordability of rental homes and the feasibility of		Apartment Rent Ordinance providing additional protections to tenants in San Jose. In May 2017, an Ellis Act and Tenant Protection Ordinance were approved providing additional stability to tenants in San Jose. In November 2017, two additional phases of a staffing plan were also approved providing enhanced

33. Protect the affordability of rental homes.	D. Explore and establish other preservation policies, programs, or tools as appropriate.	Annual, ongoing	Staff completed more than two years of work on a resident-focused Citywide Residential Anti-Displacement Strategy, which the City Council approved in September 2020. Preservation strategies are part of the Citywide A-D Strategy. In late 2020, staff started development of a Community Opportunity to Purchase
34. Consider proposed policies or ordinances to protect low and moderate income residents in market-rate and deed- restricted affordable housing from displacement	A. Explore policy requiring tenant relocation benefits so displaced low and moderate income tenants in market-rate housing can find comparable and affordable housing in San Jose.	2017-18 & Ongoing	Program, priority #3 of 10 in the Citywide A-D Strategy, which will support a preservation strategy for smaller buildings. In May 2017, the City Council approved an Ellis Act Ordinance. This Ordinance requires extended noticing, relocation benefits, and recontrol requirements to owners who remove apartments from the rental market. The City's Ellis Act Ordinance provides significant benefits to tenants facing displacement. The November 5, 2019, Council item directed staff to make modifications to re-control provisions. Due to the COVID-19 response, the work to update the Eliis Act Ordinance was delayed in 2020.
displacement. 34. Consider proposed policies or ordinances to protect low and moderate income residents in market-rate and deed- restricted affordable housing from displacement.	B. Explore other anti-displacement policies or programs, including financing, land use, and acquisition strategies.	Ongoing	Staff completed two years of work on a Citywide Residential Anti-Displacement Strategy, which the City Council approved in September 2020. In late 2020, staff started work on the top 3 recommendations: 1) COVID response and equitable recovery strategies, including anti-eviction strategies for vulnerable community members; 2) Neighborhood and Anti-Displacement Tenant Preferences; and 3) Community Opportunity to Purchase Program, a preservation strategy for smaller buildings that will need to be complimented by creation of a Preservation Loan Fund. In addition, the City's draft Diridon Station Affordable Housing Implementation Plan identifies a Preservation Pilot in an area surrounding the Station Area in the Downtown. Finally, in 2020, the Department participated in a South Bay and Peninsula Preservation Network gave extensive technical assistance to the newly-formed South Bay Community Land Trust, which has received \$20,000 in predevelopment funds to do its first preservation deal targeted for Downtown or East San Jose. Finally, the Housing Department's upcoming NOFA is expected to offer \$5M of Measure E money for an acquisition/rehabilitation (preservation) award in 2021.
35. Increase the health and	<u>a, Communities & Neighborhoods</u> A. Develop partnerships, policies, and programs to increase access to healthy foods and health care resources, especially for lower-income and at-risk communities.	2015-17	Ongoing. The City's CDBG funding was used in 2020 to help address urgent food insecurity due to COVID-19. A contract with a consortium headed by the nonprofit Loaves and Fishes provided meals to seniors, disabled, homeless individuals and families, and low-income San Jose residents hurt by the COVID-19 crisis. In 2.5 months, the Consortium provided 185,130 meals to 82,322 residents. The City also continued to use CDBG funding to increase access to healthy foods for lower-income elderly residents through The Health Trust and the Portuguese Organization for Social Services & Opportunities (POSSO). In 2019-20, POSSO served 95 unduplicated seniors with 5,000 meals and transportation assistance. The Health Trust served 106 unduplicated low-income seniors with 20,015 healthy, hot meals, and provided 12,647 social visits and wellness checks. Through private donations, the program was also able to provide pet food and supplies, so clients served were able to continue living with their animal companions - particularly important for their mental health due to the need to isolate during COVID-19.
	B. Explore and establish as appropriate strategies to increase economic opportunities, self-sufficiency, and asset-building for households and communities.	Ongoing	In 2020, the Housing Department competed and awarded two new contracts for employment training and placement with housing stability for up to 100 low- income, homeless individuals and transition age youth. The Housing Department also committed \$2.5M in CDBG to Opportunity Fund, a national CDFI headquartered in San Jose, for grants to microbusinesses suffering economically due to COVID-19 owned by low-income owners. The Housing Department partnered with other City Departments, nonprofits and community leaders to provide a variety of programs to link lower-income residents to job opportunities. In addition, the City again funded San Jose Streets Team to assist formerly homeless and recently-housed program participants with job experience. This program served few residents given businesses' focus on COVID-19 response rather than creating of new partnerships or hiring of new employees since so many businesses with entry-level jobs had to temporarily close.
	C. Explore a "soft story" rehabilitation program to facilitate seismic retrofits of at-risk buildings.	2015-16	On hold, pending notification of funding from the State CalOES for program development. Staff applied for a CalOES HMPG Project Grant in January 2018 to assist with developing the program and to create a partial reimbursement to help offset the cost of future retrofit projects. On June 28, 2018, staff received direction from the City Council to develop a mandatory multifamily soft story retrofit program. In 2020, staff responded to CalOES questions and submitted an amended application budget, but the application remains under review by FEMA/CalOES.
36. Enhance San Jose's place-based neighborhood strategies.	A. Develop a strategic framework for neighborhood strategies that establishes investment criteria, priorities, goals, and metrics.	2015-16	The Department established new funding priorities for neighborhoods in 2020 in its 2020-25 Consolidated Plan. The fourth priority is to Strengthen and Stabilize Communities' condition, and help to improve residents' ability to increase their employment prospects and grow their assets. The previous place-based strategy for investments was superceded as no metrics could be identified that indicated enough success with so few federal funds relative to need that new neighborhoods could be identified.
strategies.	B. Implement the Community Improvement Program to provide enhanced inspection services to multifamily rental properties to arrest the decline and deterioration of aging housing stock and reduce blighted conditions within lower-income neighborhoods within CDBG areas.	Ongoing	The Department continues to fund enhanced code enforcement inspections for multifamily buildings in targeted LMI neighborooods. In 2020, it committed more than \$1.2M for active Project Hope neighborhoods overseen by the Department of Parks, Recreation, and Neighborhood Services. Project Hope is a program in which residents work in partnership with the City to coordinate and mobilize resources that address ongoing neighborhood/ community issues. There are currently six Project Hope areas and three more prospective areas.
37. Educate rental property owners on ways to better manage tenants and prevent crime.	A. Multiple Housing Inspection Program: this program issues permits of occupancy for all apartments, hotels/motels, guesthouses, residential care facilities, and fraternity/sorority houses. Code Enforcement Inspectors investigate complaints about substandard housing and conduct inspections.	Ongoing	Code Enforcement issues a quarterly Code Connection Newsletter which offers building safety and code compliance tips to Multiple Housing property owners and managers. Printed newsletters are also included in the Residential Occupancy Permit annual renewal mailing. An electronic version of the newsletter is sent quarterly to subscribers. Code Enforcement holds work shops throughout the year for property owners and managers focusing on code updates and other program information. The Code Enforcement Multiple Housing webpage provides resources for property owners, managers, and tenants such as tenant relocation information, recent workshops and webinars, and tips for preparing for an inspection (website: https://www.sanjoseca.gov/your- government/departments/planning-building-code-enforcement/code- enforcement/multiple-housing-inspection-program). Lastly, Code Enforcement is part of the Mayor's Gang Task Force and Project Hope which are interdepartmental efforts to reduce crime and improve neighborhoods.

		General Comme	
44. Explore providing design guidance for convenient site accessibility for residents, workers, and visitors.	C. Explore ways to encourage site accessibility design in residential development.	Annual, ongoing	In 2020, staff reviewed underwriting for an application made under the City's \$100M Notice of Funding Availability in 2018 for affordable housing developments. The Kelsey project proposes to integrate affordable housing for intellectually / developmentally disabled individuals within a market-rate building Staff anticipates requesting a funding commitment from the City Council in sprin 2021 to enable this development to proceed.
44. Explore providing design guidance for convenient site accessibility for residents, workers, and visitors.	B. Explore partnership with organizations that provide outreach to disabled persons.	Ongoing	Staff has participated in multiple workshops on housing solutions for disabled populations. The Housing Department has reached out to its various developmen partners, and helped make connections to nonprofit partners that focus on providing housing to disabled populations.
design guidance for convenient site accessibility for residents, workers, and visitors.	accessible homes.	Ongoing	Staff has not yet begun work on this item.
	Originate 5 BEGIN second mortgages per year pending funding availability. A. Explore utilization of existing	Ongoing	In 2020, no new second mortgages were provided due to lack of staffing capacity and focus on the COVID emergency.
42. Continue to support financial literacy programs for potential homebuyers as funds remain available.		Ongoing	Effective July 2018, the City is no longer funding financial literacy due to inadequate budget.
41. Maintain the stock of existing owner-occupied homes.	B. Continue to provide minor grants and low cost loans for urgent repair needs as funds remain available.		In 2020, the Housing Department granted federal CDBG funds to Rebuilding Together Silicon Valley and Habitat for Humanity Silicon Valley for Minor Repair programs so that low-, very-low, and extremely-low income homeowners could stay in place in safe structures. These contracts provided 2,113 items of urgent, safety and accessibility/mobility repairs, and 438 items of major (e.g., roof replacements) rehabilitation activities to ensure safe and decent living environment to 217 lower-income homeowner households.
41. Maintain the stock of existing owner-occupied homes.	A. Continue to work with nonprofit partners to provide low cost loans for emergency home repairs.	Ongoing	Ongoing. The Housing Department funds nonprofit partners to perform repairs, as explained below.
40. Facilitate residential development that minimizes environmental impacts and operating costs.	B. Explore alternate bulk energy procurement mechanisms	Ongoing	In May 2017, the City Council voted to create a Community Energy Department to deliver locally controlled clean carbon-free electricity options to residents and businesses. San José Clean Energy staff staff continue to serve on the Climate Smart Technical Advisory Committee. As of 2020, discussion of this potential strategy is on hold due to high PG&E fees and the need to respond to COVID.
development that minimizes environmental impacts and operating costs.	sources for energy and water efficiency measures.		program that was approved by City Council in late 2018. This requires medium and large commercial and residential building owners to obtain and provide data about energy usage. The program enables the City to track the data, identify high energy consumers, and provide information on available programs to help fund energy improvements. A high percentage of the City's stock of restricted affordable and rent stabilized apartments will be subject to these requirements in the future. Housing Department staff continues to serve on the Climate Smart Technical Advisory Committee and regularly gets updates on any information about available resources for green retrofits, electric vehicle purchase specials for low-income residents, and EV charging stations for affordable housing properties.
39. Continue to partner with the Responsible Landlord Engagement Initiative (RLEI). 40. Facilitate residential	B. Staff from the Housing Department's Rent Stabilization Program will continue to attend RLEI meetings. A. Monitor availability of funding	Ongoing Ongoing	Catholic Charities discontinued RLEI in 2020. To assist with neighborhood issues, the Housing Department recruited a staff person in late 2020 for hire in early 2021 to actively work with tenants, property owners, and community leaders. That staff person is expected to start work in early 2021. The City's Environmental Services Department created an energy benchmarking
39. Continue to partner with the Responsible Landlord Engagement Initiative (RLEI).	A. Continue to support the collaboration of landlords, tenants, community leaders, elected officials, service providers and social justice advocates to identify solutions for longstanding issues with crime, safety, nuisance, gang activities, graffiti, abandoned cars, trash and more at residential properties.	Ongoing	In 2015, the nonprofit housing agency Neighborhood Housing Services Silicon Valley ceased operations. The Cit's Housing Department provided financial assistance to the organization to facilitate a smooth dissolution and transfer of assets, including City-funded loans, loan pools, and the RLEI program. In addition, to facilitate the RLEI program transfer, the Housing Department provided a \$150,000 operating grant to Catholic Charities to administer the RLEI program for one year. In mid-2020, Catholic Charities discontinued the RLEI program. To assist with neighborhood issues, the Housing Department added a new staff postion in 2020 to focus on providing support to landlords, tenants, an community leaders. That staff person is expected to start work in early 2021.
38. Continue robust code enforcement.	this program monitors all identified vacant or neglected buildings so that they remain safe and secure until such time as they are rehabilitated and reoccupied. This proactive program reduces the risk of loitering, illegal occupancy, and fire hazards.	Ongoing	The Neglected Vacant Building Program was expanded in June 2018 to include vacant storefronts and to create a Mandatory Registration Program for vacant building and storefronts in the Downtown. The Neglected Vacant Building and Storefronts Program registers buildings that meet the standards of SJMC 17.38 into either the Downtown Mandatory Registration Program or citywide Monitoring program, and conducts either monthly or quarterly monitoring inspections depending on registration. Staff performs summary abatements as needed to secure vacant buildings and storefronts, conducts monthly or quarterly monitoring inspections or more frequent inspections as needed, and investigates complaints.
nforcement.	Program: this program issues permits of occupancy for all apartments, hotels/motels, guesthouses, residential care facilities, and fraternity/sorority houses. Code Enforcement Inspectors investigate complaints about substandard housing and conduct inspections.		providing more frequent proactive inspections of buildings with higher risk profiles. Inspections are conducted on a 3-year, 5-year or 6-year inspection cycle Code Enforcement Inspectors also investigate complaints and ensure that violations are corrected. In 2020, Code Enforcement completed the first full Tier (5-year) cycle and will be working to complete the first full Tier 1 (6-year) cycle, and second full Tier 3 (3-year) cycle of proactive inspections for buildings with three or more units.

Attachment C

<u>Methodology for Counting Non Deed Restricted Moderate-Income Units – 2020 Housing</u> <u>Element Annual Report</u>

The purpose of this analysis is to determine if market rate apartments can reasonably be categorized as moderate income for RHNA reporting purposes. Our hypothesis is that some class A rental units that pulled building permits in 2020 will be affordable to moderate-income households in approximately 2022, when they are completed and occupied. The analysis consists of the following steps:

Method A: Trending

- 1. Determine what rent ranges will be affordable to 110% AMI households when buildings are completed:
 - a. Calculate rent ranges that would be affordable to moderate-income households using current (2020) City of San Jose published rent limits for 110% of Area Median Income as the affordability standard for rent plus a reasonable utility allowance, per the California Health and Safety Code.
 - b. Convert rent range from household size to rents by # bedrooms, using HCD Occupancy Guidelines of one per bedroom plus one. Assign rent maximum by unit type (studio, 1BR, 2 BR etc.)
 - c. Based on a 2019 survey of a small number of new apartment buildings in a variety of zip codes, we determined set of utilities typically paid by tenants. Using the Santa Clara County Housing Authority current (2021) utility allowance schedule for multifamily buildings, determine the cost of the typical set of utilities for each unit size by bedroom, and deduct it from the allowable maximum rent plus utility payments for each unit size determined in step 1b, per HCD guidance, to get the maximum rent payment for each unit size.
 - d. Adjust these rent ranges to approximate what they would be in 2 years when these units are built and occupied by applying the average % change that HCD Income limits have experienced over the last 2 annual cycles (2018 to 2019 and 2019 to 2020).

2. Identify 2020 Permitted Housing Projects > = 10 units:

- a. Obtain CY2020 Residential Building Permits Issued for projects with 10 or more units. Exclude potential ownership projects and affordable projects.
- b. Identify Zip Codes of the projects.
- 3. Identify Zip Codes where average effective rents (by unit size) are at/below the moderateincome rent range:
 - a. Use Costar to identify Q4 2020 Class A average effective rents (by bedroom size) for market-rate projects in SJ, for the zip codes identified in #2 above.
 - b. Adjust average effective market rate rents to approximate what they will be in 2 years when these units are occupied by applying the % change in average effective rent observed in each zip code over the last 2 years.

- c. Identify target zip codes where adjusted average effective rents, by bedroom count, are at or below the rent ranges calculated in step 1.
- 4. Collect unit mix data and identify the units affordable to moderate income households:
 - a. Identify the # of units by bedroom size, in each of the qualifying projects in the qualifying zip codes, per 3 above.
 - b. Count only those units, by bedroom size, that are equal to or less than the HCD rent ranges calculated and extrapolated in step 1.

Method B: Current Rents & Incomes

Method B is similar to Method A, but without the use of any rent or income trending. Developments that today would meet moderate-income rent definitions are counted.

1. Determine rent ranges affordable to 110% AMI households:

- a. Calculate ent ranges that would be affordable to moderate-income households using current (2020) City of San Jose published rent limits for 110% of Area Median Income as the affordability standard for rent plus a reasonable utility allowance, per the California Health and Safety Code.
- b. Convert rent range from household size to rents by # bedrooms, using HCD Occupancy Guidelines of one per bedroom plus one. Assign rent maximum by unit type (studio, 1BR, 2 BR etc.)
- c. Based on a 2019 survey of a small number of new apartment buildings in a variety of zip codes, we determined set of utilities typically paid by tenants. Using the Santa Clara County Housing Authority current (2021) utility allowance schedule for multifamily buildings, determine the cost of the typical set of utilities for each unit size by bedroom, and deduct it from the allowable maximum rent payments for each unit size determined in step 1b, per HCD guidance.

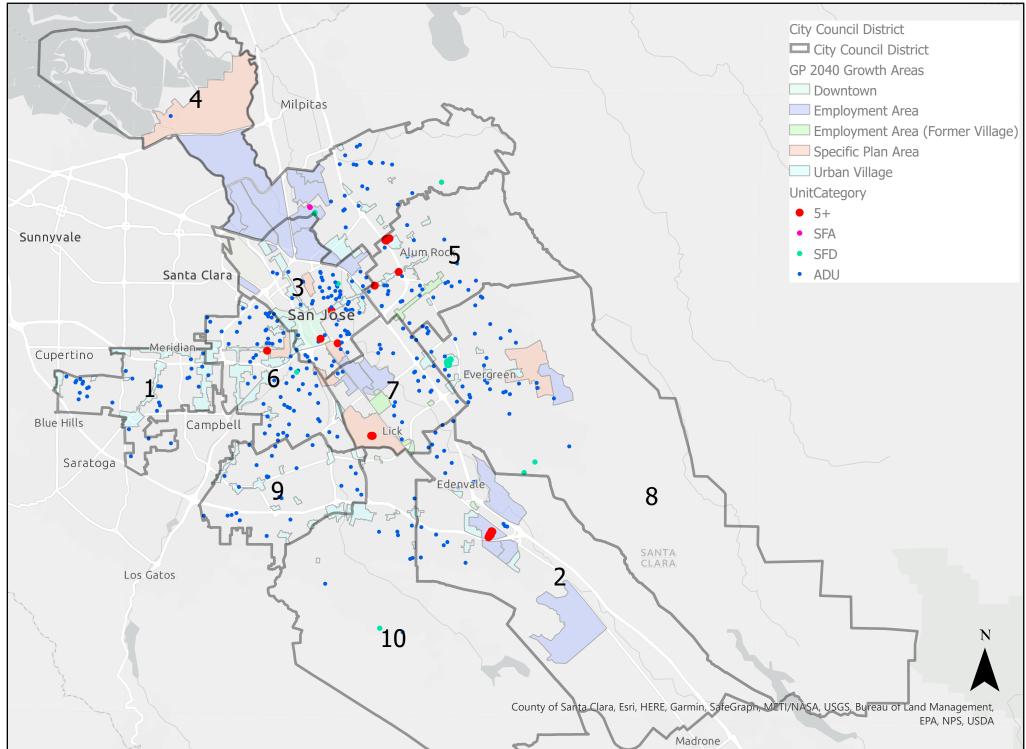

2. Identify 2020 Permitted Housing Projects > = 10 units:

- a. Obtain CY2020 Residential Building Permits Issued for projects with 10 or more units. Exclude potential ownership projects and affordable projects.
- b. Identify Zip Codes of the projects.
- 3. Identify Zip Codes where average effective rents (by unit size) are at/below the moderateincome rent range:
 - a. Use Costar to identify Q4 2020 Class A average effective rents (by bedroom size) for market-rate projects in SJ, for the zip codes identified in #2 above.
- 4. Collect unit mix data and identify the units affordable to moderate-income households:
 - a. Identify the # of units by bedroom size, in each of the qualifying projects, per 3 above.
 - b. Count only those units, by bedroom size, that are equal to or less than the HCD rent ranges calculated and extrapolated in step 1.

<u>Final Step: To be more conservative, select the lower number of units from Method A or</u> <u>Method B.</u>

ANNUAL REPORT

OF THE HOUSING SUCCESSOR TO THE SAN JOSÉ REDEVELOPMENT AGENCY REGARDING THE LOW AND MODERATE INCOME HOUSING ASSET FUND FOR FISCAL YEAR 2019-20 PURSUANT TO CALIFORNIA HEALTH AND SAFETY CODE SECTION 34176.1(f)

FOR THE CITY OF SAN JOSE

This Housing Successor Annual Report (Report) regarding the Low and Moderate Income Housing Asset Fund (LMIHAF) has been prepared pursuant to California Health and Safety Code Section 34176.1(f) and reflects data through June 30, 2020.

This Report sets forth certain details of the housing activities of the City of San José, Housing Successor to the former Redevelopment Agency of the City of San José, during Fiscal Year 2019-20. The purpose of this Report is to provide the governing body of the Housing Successor an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 34176.1 (Dissolution Law).

The following Report is based upon information prepared by Housing Successor staff and information contained within the independent financial audit of the Low and Moderate Income Housing Asset Fund CITY OF SAN JOSÉ COMPREHENSIVE ANNUAL FINANCIAL AUDIT for Fiscal Year 2019-20 as prepared by Macias Gini and O'Connell LLP, which Audit is separate from this annual summary Report; further, this Report conforms with and is organized into Sections I through XIII, inclusive, pursuant to Section 34176.1(f) of the Dissolution Law, as follows:

I. Loan Repayments: This section provides the amount the City received pursuant to subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4.

II. Amount Deposited into LMIHAF: This section provides the total amount of funds deposited into the LMIHAF during the Fiscal Year. Any amounts deposited for items listed on the Recognized Obligation Payment Schedule (ROPS) must be distinguished from the other amounts deposited.

III. Ending Balance of LMIHAF: This section provides a statement of the balance in the LMIHAF as of the close of the Fiscal Year. Any amounts deposited for items listed on the ROPS must be distinguished from the other amounts deposited.

IV. Description of Expenditures from LMIHAF: This section provides a description of the expenditures made from the LMIHAF during the Fiscal Year. The expenditures are to be categorized.

V. Statutory Value of Assets Owned by Housing Successor: This section provides the statutory value of real property owned by the Housing Successor, the value of loans and grants receivables, and the sum of these two amounts.

VI. Description of Transfers: This section describes transfers, if any, to another housing successor agency made in previous Fiscal Year(s), including whether the funds are unencumbered and the status of projects, if any, for which the transferred LMIHAF will be used. The sole purpose of the transfers must be for the development of transit priority projects, permanent supportive housing, housing for agricultural employees or special needs housing.

VII. Project Descriptions: This section describes any project for which the Housing Successor receives or holds property tax revenue pursuant to the ROPS and the status of that project.

VIII. Status of Compliance with Section 33334.16: This section provides a status update on compliance with Section 33334.16 for interests in real property acquired by the former Redevelopment Agency prior to February 1, 2012. For interests in real property acquired on or after February 1, 2012, <u>it</u> provide<u>s</u> a status update on the project.

IX. Description of Outstanding Obligations under Section 33413: This section describes the outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former Redevelopment Agency as of February 1, 2012 along with the Housing Successor's progress in meeting those prior obligations, if any, of the former Redevelopment Agency and how the Housing Successor's plans to meet unmet obligations, if any.

X. Income Test: This section provides the information required by Section 34176.1(a)(3)(B), or a description of expenditures by income restriction for five-year period, with the time period beginning July 1, 2015, and whether the statutory thresholds have been met.

XI. Senior Housing Test: This section provides the percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Housing Successor, its former Redevelopment Agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Housing Successor, its former Redevelopment Agency, and its host jurisdiction within the same time period. For this Report, the 10-year reviewed period is July 1, 2010 to June 30, 2020.

XII. Excess Surplus Test: This section provides the amount of excess surplus in the LMIHAF, if any, the length of time that the Housing Successor has had excess surplus, and the Housing Successor's plan for eliminating the excess surplus.

XIII. Homeownership Units:

An inventory of homeownership units assisted by the former Redevelopment Agency or the Housing Successor that are subject to covenants or restrictions or to an adopted program that protects the former Redevelopment Agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3. This inventory shall include all of the following information:

(A) The number of those units.

(B) The number of the units lost to the portfolio in the last fiscal year and the reason for those losses.

(C) Any funds returned to the Housing Successor as part of an adopted program that protects the former Redevelopment Agency's investment of moneys from the Low and Moderate Income Housing Fund.

(D) Whether the Housing Successor has contracted with any outside entity for the management of the units and, if so, the identity of the entity.

This Report is to be provided to the Housing Successor's governing body by April 1, 2021. In addition, this Report and the former Redevelopment Agency's pre-dissolution Implementation Plans are made available to the public on the City's website at https://www.sanjoseca.gov/your-government/departments-offices/housing/data/housing-successor-reports

I. LOAN REPAYMENTS

The City received a repayment of **\$21,693,535** of Supplemental Educational Revenue Augmentation Fund (SERAF) funds pursuant to subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4.

II. AMOUNT DEPOSITED IN TO LMIHAF

A total of **\$39,011,285** was deposited into the LMIHAF during the Fiscal Year which includes program income from loan repayments, SERAF repayments, and interest earnings. Of the total funds deposited into the LMIHAF, \$0 (zero) dollars were held for items listed on the ROPS.

III. ENDING BALANCE OF LMIHAF

At the close of the Fiscal Year, the ending balance in the LMIHAF was **\$152,672,822** of which \$0 (zero) dollars are held for items listed on the ROPS.

IV. DESCRIPTION OF EXPENDITURES FROM LMIHAF

The following is a description of expenditures from the LMIHAF by category:

Expenditures	Amount in FY
Monitoring & Administration Expenditures	\$11,604,817
Homeless Prevention and Rapid Rehousing Services Expenditures	\$0
Housing Development Expenditures	
- Expenditures on Extremely Low-Income Units (0-30% AMI)	\$8,539,272
- Expenditures on Very Low-Income Units (31-50% AMI)	\$11,154,513
- Expenditures on Low-Income Units (51-60% AMI)	\$7,737,421
 Expenditures on Unrestricted Units (Manager's unit) 	\$48,247
- Expenditures on Acquisition and Predevelopment	\$0
Total Housing Development Expenditures	\$27,479,453
Total LMIHAF Expenditures in Fiscal Year	\$39,084,270

California Health and Safety Code Section 34176.1 allows for 5% of the total \$692,354,983 gross value of Housing Successor assets, or \$34,617,749, to be used on monitoring and administrative expenditures. As the Housing Successor's expenditure for monitoring and administrative expenditures of \$11.6 million is well under the allowable cap, that requirement is **met**.

The Housing Successor continues to make LMIHAF funding commitments from its 2018 Notice of Funding Availability, which made available \$100 million for new affordable housing developments. Eleven developments were selected for award from the 2018 NOFA applicants, and will be brought forward to City Council for funding commitments once they meet all readiness requirements. These 11 commitments total over \$98 million in funding from the Housing Successor, with approximately \$60 million to be funded from LMIHAF. As of February 2021, the City Council has made funding commitments to eight of these developments totaling \$86 million in commitments. As this pipeline of NOFA commitments progresses, the developments close construction and draw funds, LMIHAF expenditures will increase.

V. STATUTORY VALUE OF ASSETS OWNED BY HOUSING SUCCESSOR IN LMIHAF

Under the Dissolution Law and for purposes of this Report, the "statutory value of real property" means the value of properties formerly held by the former Redevelopment Agency as listed on the housing asset transfer schedule approved by the Department of Finance as listed in such schedule under Section 34176(a)(2), the value of the properties transferred to the Housing Successor pursuant to Section 34181(f), and the purchase price of property(ies) purchased by the Housing Successor. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.

The following provides the statutory book value of assets owned by the Housing Successor.

	As of End of Fiscal Year
Statutory Value of Real Property Owned by	\$63,046,308
Housing Successor	
Value of Loans and Grants Receivable	\$476,635,853
Cash Balance	\$152,672,822
Total Value of Housing Successor Assets	\$692,354,983

VI. DESCRIPTION OF TRANSFERS

The Housing Successor did not make any LMIHAF transfers to other Housing Successor(s) under Section 34176.1(c)(2) during the Fiscal Year.

VII. PROJECT DESCRIPTIONS

The Housing Successor does not receive or hold property tax revenue pursuant to the ROPS.

VIII. STATUS OF COMPLIANCE WITH SECTION 33334.16

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however, this Report presents a status update on the projects related to such real property.

With respect to interests in real property acquired by the former Redevelopment Agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Finance Department approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former Redevelopment Agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset. For San José, the date of Finance's approval was March 14, 2013.

Address/Name of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity
Vista Montana	06/29/2020	6/29/2025	The City purchased the 4.2-acre site in June 2020. The City also entered into an Exclusive Negotiating Agreement with Charities Housing to serve as the affordable housing developer for the site.
226 Balbach Street	08/26/2016	08/26/2021	On January 30, 2019, the project received its planning permits and on September 19, 2020, was awarded funding from TCAC and received funding commitments from all parties. The project received its building permit on October 31, 2020, and is expected to start construction of 87 income-restricted apartments in spring 2021. Construction is estimated to complete in early 2023.
Evans VTA (aka Willow Glen Woods)	12/31/2002	3/13/2018	After anticipating and identifying developers for a mixed-use affordable apartment and for-sale development after the site was purchased, the original development plan fell through during the Great Recession and was no longer feasible. In 2016, after a new competitive process for development of permanent affordable housing including units for the homeless, the City selected nonprofit Allied Housing to develop the Evans Lane site for permanent affordable housing.Allied Housing planned to develop a site using modular constructed units for up to 61 households, including previously homeless households. The City Council approved a General Plan amendment in June 2016 permitting the proposed land use for affordable housing. In August 2016, the City Council approved findings, a ground lease to Allied Housing, and a conditional predevelopment grant commitment for the affordable housing project. In early 2017, the City and Allied executed A Right of Entry Agreement and the Predevelopment Grant Agreement needed to complete preparation for

Address/Name of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity
			its final land use entitlements, which the City awarded on January 8, 2019. However, as the project design progressed, the developer encountered several design and cost challenges with developing the proposed modular design. In mid-2019, the City and Allied Housing mutually agreed to discontinue the proposed development and proceed with a new affordable development plan.
			With the dual crisis of increased homelessness in the region and the COVID-19 pandemic in early 2020, the City took urgent action to develop new emergency shelter and temporary housing opportunities to allow the City's unhoused residents to safely shelter in place, protecting those residents and the larger community. In early April 2020, the San José City Council directed the City's administration to expeditiously construct three Emergency Interim Housing (EIH) communities modeled from earlier Bridge Housing Communities also known as "tiny homes." One of the three new EIH communities is located on the City's Evans Lane site. Approximately 2.5 acres of the 5.5-acre site is being developed to accommodate 49 modular sleeping units along with two common buildings to support resident services and daily needs. The Evans Lane EIH will be managed by a third-party operator and will temporarily house up to 48 low- income families exiting from homelessness. Construction is expected to complete in spring 2021.
			Concurrent to the development of the EIH, City staff has been moving forward with plans to develop permanent affordable apartments, including land use changes to increase density and development of a Request for Proposals to develop the site. The City will be evaluating all development proposals but will prioritize those that will provide a phased approach integrating the existing EIH. The EIH Communities are currently expected to remain in operation until

Address/Name of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity 2025 when the State Assembly Bill authorizing the
			construction and operation of these EIH developments expires.
E side Evans Lane (aka Willow Glen Woods)	06/30/2005	03/18/2018	See Evans Lane VTA description.
		COMPL	ETED
Villas on the Park	03/27/2017	3/27/2022	The City lent \$7.7 million and entered into a ground lease on March 1, 2018, to support construction of this development of 84 affordable apartments for formerly homeless residents. Construction was completed in November 2019 and the property is fully occupied.
Vermont House	06/30/2009	3/13/2018	In June 2016, City staff closed a Conditional Grant for rehabilitation and a Lease of this City-owned property to Abode Services, an owner and developer of supportive housing. Construction was completed in November 2018 providing permanent supportive housing for 16 homeless veterans pursuant to its award of VASH vouchers from the Housing Authority of the County of Santa Clara.
The Haven	06/30/2008	3/13/2018	On November 27, 2018, the San José City Council approved a 15-year lease agreement with the County of Santa Clara to transition the use of the Haven from sheltering fire and other disaster survivors to temporarily house income-eligible homeless adults with an emphasis on LGBTQ needs. The existing three-unit apartment building has continued to house 3 low-income households.
Brookwood Terrace	03/01/2009	3/13/2018	Construction on this 84-unit family development started in March 2010 and completed in January 2012. The City Financing Authority holds the site fee simple and has a ground lease to the development. The development is in its permanent financing phase and units are occupied by income-eligible residents.
Orvieto Family	03/01/2009	3/13/2018	Construction on this 92-unit family development started in September 2010 and completed in

Address/Name of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity
			August 2012. The City Financing Authority owns the site fee simple and has a ground lease to the development. The development is in its permanent financing phase and its units are occupied by income-eligible residents.
Japantown Seniors	05/03/2010	3/13/2018	Construction on this 75-unit seniors' development completed in late 2015, and it converted to its permanent financing phase in August 2016. All apartments are occupied by income-eligible residents. The City holds the site fee simple and has a ground lease to the development.
North Fourth Street	05/21/2010	3/13/2018	Construction on this 100-unit development started in July 2010 and completed in June 2012. The development includes 35 apartments for developmentally disabled residents. The City owns the site fee simple and has a ground lease to the development. It is in its permanent financing phase and units are occupied by income-eligible residents.
Playa Almaden (aka Sycamore Terrace)	02/16/1996	3/13/2018	The Housing Department obtained City Council approval to sell the property to the City's Parks Department; in May 2018, the City Council passed a resolution authorizing the sale and the property was sold per authority under Health and Safety Code Section 33334.16 for appraised value. Sale proceeds were deposited into the LMIHAF fund.

IX. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO SECTION 33413

Replacement Housing. No Section 33413(a) replacement housing obligations were transferred to the Housing Successor in the fiscal year.

Inclusionary/Production Housing. No Section 33413(b) inclusionary/production housing obligations were transferred to the Housing Successor in the fiscal year.

X. EXTREMELY LOW-INCOME TEST

Section 34176.1(a)(3)(B) requires that the Housing Successor expends at least 30% of the LMIHAF for the development of rental housing affordable to and occupied by households earning 30% or less of AMI. If the Housing Successor fails to comply with the Extremely Low-Income requirement in any five-year

report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of AMI until the Housing Successor demonstrates compliance with the Extremely Low-Income requirement.

The total housing development expenditures from July 1, 2015 through June 30, 2020 is \$53,009,757.92. Of the total amount, \$16,098,814.24, or **30%**, was spent on household units earning 30% or less of AMI. This *satisfies* the extremely low-income test per Section 34176.1(a)(3)(B).

XI. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of deed-restricted rental housing units restricted to seniors and assisted by the Housing Successor, the former Redevelopment Agency, and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former Redevelopment Agency, and/or City within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following provides the Housing Successor's Senior Housing Test for the 10-year period of July 1, 2010 to June 30, 2020.

Senior Housing Test	July 1, 2010 – June 30, 2020	
# of Assisted Senior Rental Units	522	
# of Total Assisted Rental Units	3,485	
Senior Housing Percentage in Past 10 Years	15%	
Maximum Allowable	50%	
Test outcome	Met	

As the percentage of assisted affordable rental units for seniors constituted only 15% of all assisted affordable rental units in the past 10 years, this is far under the 50% threshold test, so the test is *met*.

XII. EXCESS SURPLUS TEST

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the Housing Successor's preceding four Fiscal Years, whichever is greater.

The following provides the Excess Surplus test for the preceding four Fiscal Years (in millions):

	FY 15-16	FY 16-17	FY 17-18	FY 18-19	FY 19-20	Total deposited in preceding 4 years (FY 15/16 – 18/19)
Beginning Balance	\$54.6	\$91.7	\$92.8	\$121.1	\$148.8	
Add: Deposits	52.9	18.2	44.3	41.0	42.4	\$156.5
(Less) Expenditures	(15.8)	(17.1)	(16.0)	(13.3)	(38.6)	
(Less) Encumbrances					(14.1)	
Unencumbered Balance	\$91.7	\$92.8	\$121.1	\$148.8	\$138.5	

The LMIHAF **does not have** an Excess Surplus. The aggregate amount deposited into the account during the four Fiscal Years is \$156.5 million. The current fiscal year cash balance is \$152.6 million with \$14.1 million in encumbrances. The unencumbered amount of \$138.5 million does not exceed the aggregate amount deposited in the preceding four fiscal years of \$156.5 million; therefore, the test is **met**.

XIII. HOMEOWNERSHIP UNITS

The Housing Successor is to provide an inventory of homeownership units assisted by the former Redevelopment Agency or the Housing Successor that are subject to covenants or restrictions or to an adopted program that protects the former Redevelopment Agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3.

A. Number of Homeownership Units as of 6/30/20

Number of Homeownership Units 6/30/20	489

B. Homeownership Units Lost in Fiscal Year

Reason for Loss	Units Lost
Loans paid off	41
Loans written off due to foreclosure or short sale	0

C. **\$2,293,908** in single family loan funds were returned to the Housing Successor in this fiscal year as part of an adopted program that protects the former Redevelopment Agency's investment of moneys from the Low and Moderate Income Housing Fund.

D. The Housing Successor has contracted with an outside entity for the management of the single family homeownership loans. The name of the entity is AmeriNat Loan Servicing.

Attachment F

AMENDED AND RESTATED ANNUAL REPORT

OF THE HOUSING SUCCESSOR TO THE SAN JOSÉ REDEVELOPMENT AGENCY

REGARDING THE

LOW AND MODERATE INCOME HOUSING ASSET FUND

FOR FISCAL YEAR 2018-19

PURSUANT TO CALIFORNIA HEALTH AND SAFETY CODE SECTION 34176.1(f)

FOR THE CITY OF SAN JOSÉ

This Amended and Restated Housing Successor Annual Report (Report) regarding the Low and Moderate Income Housing Asset Fund (LMIHAF) has been prepared pursuant to California Health and Safety Code Section 34176.1(f) and is dated as of **March 30, 2021**.

This Amended and Restated Report corrects an error previously reported in the Senior Housing calculation in Section XI for Fiscal Year 2018-19 and corrects typographical errors. It supersedes the previously-submitted Fiscal Year 2018-19 Report in its entirety.

This Report sets forth certain details of the housing activities of the City of San José, Housing Successor to the former Redevelopment Agency of the City of San José, during Fiscal Year 2018-19. The purpose of this Report is to provide the governing body of the Housing Successor an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 34176.1 (Dissolution Law).

The following Report is based upon information prepared by Housing Successor staff and information contained within the independent financial audit of the Low and Moderate Income Housing Asset Fund CITY OF SAN JOSÉ COMPREHENSIVE ANNUAL FINANCIAL AUDIT for Fiscal Year 2018-19 as prepared by Macias Gini and O'Connell LLP, which Audit is separate from this annual summary Report; further, this Report conforms with and is organized into sections I. through XI., inclusive, pursuant to Section 34176.1(f) of the Dissolution Law:

I. **Loan Repayments:** The amount the city, county, or city and county received pursuant to subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4.

II. **Amount Deposited into LMIHAF:** This section provides the total amount of funds deposited into the LMIHAF during the Fiscal Year. Any amounts deposited for items listed on the Recognized Obligation Payment Schedule (ROPS) must be distinguished from the other amounts deposited.

III. **Ending Balance of LMIHAF:** This section provides a statement of the balance in the LMIHAF as of the close of the Fiscal Year. Any amounts deposited for items listed on the ROPS must be distinguished from the other amounts deposited.

IV. **Description of Expenditures from LMIHAF:** This section provides a description of the expenditures made from the LMIHAF during the Fiscal Year. The expenditures are to be categorized.

V. **Statutory Value of Assets Owned by Housing Successor:** This section provides the statutory value of real property owned by the Housing Successor, the value of loans and grants receivables, and the sum of these two amounts.

VI. **Description of Transfers:** This section describes transfers, if any, to another housing successor agency made in previous Fiscal Year(s), including whether the funds are unencumbered and the status of projects, if any, for which the transferred LMIHAF will be used. The sole purpose of the transfers must be for the development of transit priority projects, permanent supportive housing, housing for agricultural employees or special needs housing.

VII. **Project Descriptions:** This section describes any project for which the Housing Successor receives or holds property tax revenue pursuant to the ROPS and the status of that project.

VIII. **Status of Compliance with Section 33334.16:** This section provides a status update on compliance with Section 33334.16 for interests in real property acquired by the former redevelopment agency prior to February 1, 2012. For interests in real property acquired on or after February 1, 2012, provide a status update on the project.

IX. **Description of Outstanding Obligations under Section 33413:** This section describes the outstanding inclusionary and replacement housing obligations, if any, under Section 33413 that remained outstanding prior to dissolution of the former redevelopment agency as of February 1, 2012 along with the Housing Successor's progress in meeting those prior obligations, if any, of the former redevelopment agency and how the Housing Successor's plans to meet unmet obligations, if any.

X. **Income Test:** This section provides the information required by Section 34176.1(a)(3)(B), or a description of expenditures by income restriction for five-year period, with the time period beginning January 1, 2014 and whether the statutory thresholds have been met.

XI. **Senior Housing Test:** This section provides the percentage of units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Housing Successor, its former redevelopment Agency, and its host jurisdiction within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Housing Successor, its former Redevelopment Agency and its host jurisdiction within the same time period. For this Report, the ten-year reviewed period is **July 1, 2009 to June 30, 2019**.

XII. Excess Surplus Test: This section provides the amount of excess surplus in the LMIHAF, if any, and the length of time that the Housing Successor has had excess surplus, and the Housing Successor's plan for eliminating the excess surplus.

XIII. Homeownership Units:

An inventory of homeownership units assisted by the former redevelopment agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3. This inventory shall include all of the following information:

(A) The number of those units.

(B) The number of the units lost to the portfolio in the last fiscal year and the reason for those losses.

(C) Any funds returned to the housing successor as part of an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund.

(D) Whether the housing successor has contracted with any outside entity for the management of the units and, if so, the identity of the entity.

This Report is to be provided to the Housing Successor's governing body by April 1, 2020. In addition, this Report and the former redevelopment agency's pre-dissolution Implementation Plans are to be made available to the public on the City's website, <u>https://www.sanjoseca.gov/your-government/departments-offices/housing/data/housing-successor-reports</u>.

I. LOAN REPAYMENT

The City did not receive any amount pursuant to subparagraph (A) of paragraph (3) of subdivision (b) of Section 34191.4.

II. AMOUNT DEPOSITED INTO LMIHAF

A total of \$40,800,448 of program income from loan repayments was deposited into the LMIHAF during the Fiscal Year. Of the total funds deposited into the LMIHAF, zero dollars were held for items listed on the ROPS.

III. ENDING BALANCE OF LMIHAF

At the close of the Fiscal Year, the ending balance in the LMIHAF was \$148,820,097 of which zero dollars are held for items listed on the ROPS.

IV. DESCRIPTION OF EXPENDITURES FROM LMIHAF

The following is a description of expenditures from the LMIHAF by category:

	Fiscal Year
Monitoring & Administration Expenditures	\$10,271,237
Homeless Prevention and Rapid Rehousing Services Expenditures	\$195,088
Housing Development Expenditures	
 Expenditures on Extremely-Low Income Units (0-30% AMI) 	\$577,959
 Expenditures on Very-Low Income Units (31-50% AMI) 	665,555
- Expenditures on Low Income Units (51-60% AMI)	808,564
 Expenditures on Unrestricted Units (Manager's unit) 	44,476
- Expenditures on Acquisition and Predevelopment	<u>195,742</u>
Total Housing Development Expenditures	\$2,292,296
Total LMIHAF Expenditures in Fiscal Year	\$12,758,621

California Health and Safety Code Section 34176.1 allows for 5% of the total \$679,805,702 gross value of Housing Successor assets, or \$33,990,285 to be used on monitoring and administrative expenditures. The Housing Successor continues to monitor expenditures from the LMIHAF.

In Fall 2018, the Housing Department released a Notice of Funding Availability seeking proposals for commitments to affordable housing developments from the LMIHAF. Eleven developments were selected and will be brought forward to City Council for funding commitments totaling over \$98 million in funding from the Housing Department, with approximately \$60 million from the LMIHAF. As of the end of FY 2018-19, the City Council had made funding commitments to five of these developments totaling \$46 million in commitments.

V. STATUTORY VALUE OF ASSETS OWNED BY HOUSING SUCCESSOR IN LMIHAF

Under the Dissolution Law and for purposes of this Report, the "statutory value of real property" means the value of properties formerly held by the former redevelopment agency as listed on the housing asset transfer schedule approved by the Department of Finance as listed in such schedule under Section 34176(a)(2), the value of the properties transferred to the Housing Successor pursuant to Section 34181(f), and the purchase price of property(ies) purchased by the Housing Successor. Further, the value of loans and grants receivable is included in these reported assets held in the LMIHAF.

The following provides the statutory book value of assets owned by the Housing Successor.

	As of End of Fiscal Year
Statutory Value of Real Property Owned by	\$40,171,263
Housing Successor	
Value of Loans and Grants Receivable	\$490,814,342
Cash Balance	\$148,820,097
Total Value of Housing Successor Assets	\$679,805,702

VI. DESCRIPTION OF TRANSFERS

The Housing Successor did not make any LMIHAF transfers to other Housing Successor(s) under Section 34176.1(c)(2) during the Fiscal Year.

VII. PROJECT DESCRIPTIONS

The Housing Successor does not receive or hold property tax revenue pursuant to the ROPS.

VIII. STATUS OF COMPLIANCE WITH SECTION 33334.16

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however, this Report presents a status update on the projects related to such real property.

With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Finance Department approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset. For San José, the date of Finance's approval was March 14, 2013.

Address of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity
Evans VTA (aka Willow Glen Woods)	12/31/02	3/13/2018	The City issued a Request for Proposals in January 2016 and selected Allied Housing to develop the Evans Lane site. In June 2016, the City Council approved a General Plan Amendment to permit the entire Evans Lane site to be used consistent with the City's prior purchase of the site for the provision of affordable housing. In August 2016, the City Council approved findings and the leasing of the ground to the developer, Allied Housing, and approved a conditional grant commitment for the affordable housing project's predevelopment. The City and Allied Housing executed A Right of Entry agreement and a Conditional Predevelopment Grant on February 21, 2017. On January 8, 2019, the City approved planned development zoning and planned development permit entitlements for 61 affordable units to be developed on the site.
E side Evans Lane (aka Willow Glen Woods)	06/30/05	3/13/2018	See Evans Lane VTA description.

	COMPLETED:				
Address of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity		
Vermont House	06/30/09	3/13/2018	In June 2016, City staff closed a Conditional Grant for rehabilitation and a Lease of this City-owned property to Abode Services, an owner and developer of supportive housing. Construction was completed in November 2018 providing permanent supportive housing for 16 homeless veterans pursuant to its award of VASH vouchers from the Housing Authority of the County of Santa Clara.		
The Haven	06/30/08	3/13/2018	This property includes an affordable apartment building and a building which is currently being managed by a nonprofit agency (LifeMoves, a.k.a. InnVision) as a shelter for fire victims. Income-eligible residents occupy the adjacent apartment.		
Brookwood Terrace	03/01/09	3/13/2018	Construction on this 84-unit family development started in March 2010 and completed in January 2012. The City Financing Authority holds the site fee simple and has a groundlease to the development. The development is in its permanent financing phase and units are occupied by income-eligible residents.		
Orvieto Family	03/01/09	3/13/2018	Construction on this 92-unit family development started in September 2010 and completed in August 2012. The City Financing Authority owns the site fee simple and has a groundlease to the development. The development is in its permanent financing phase and its units are occupied by income-eligible residents.		

	COMPLETED:				
Address of Property	Date of Acquisition	Deadline to Initiate Development Activity	Status of Housing Successor Activity		
Japantown Seniors	05/03/10	3/13/2018	Construction on this 75-unit seniors' development completed in late 2015, and it converted to its permanent financing phase in August 2016. All apartments are occupied by income-eligible residents. The City holds the site fee simple and has a groundlease to the development.		
North Fourth Street	05/21/10	3/13/2018	Construction on this 100-unit development started in July 2010 and completed in June 2012. The development includes 35 apartments for developmentally disabled residents. The City owns the site fee simple and has a groundlease to the development. It is in its permanent financing phase and units are occupied by income- eligible residents.		
Playa Almaden (aka Sycamore Terrace)	02/16/96	3/13/2018	The Housing Department obtained City Council approval to sell the property to the City's Parks Department; in May 2018, the City Council passed a resolution authorizing the sale and the property was sold per authority under Health and Safety Code Section 33334.16 for appraised value. Sale proceeds were deposited into the LMIHAF fund.		

IX. DESCRIPTION OF OUTSTANDING OBLIGATIONS PURSUANT TO SECTION 33413

Replacement Housing. No Section 33413(a) replacement housing obligations were transferred to the Housing Successor in the past fiscal year.

Inclusionary/Production Housing. No Section 33413(b) inclusionary/production housing obligations were transferred to the Housing Successor in the past fiscal year.

X. EXTREMELY LOW-INCOME TEST

Section 34176.1(a)(3)(B) requires that the Housing Successor must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Housing Successor fails to comply with the Extremely Low-Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of the AMI until the Housing Successor demonstrates compliance with the Extremely Low-Income requirement.

The total housing development expenditures between January 1, 2014 through June 30, 2019 is \$26,504,703. Of the total amount, \$11,343,587 or 43% was spent on household units earning 30% or less of the AMI. This satisfies the extremely low-income test per Section 34176.1(a)(3)(B).

XI. SENIOR HOUSING TEST

The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former Redevelopment Agency, and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former redevelopment agency, and/or City within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.

The following provides the Housing Successor's Senior Housing Test for the 10-year period of July 1, 2009 to June 30, 2019.

Senior Housing Test Elements	July 1, 2009 – June 30, 2019
# of Assisted Senior Rental Units	721
# of Total Assisted Rental Units	3,485
Senior Housing Percentage	21%
Maximum Allowable	50%
Test outcome	Met

As the percentage of assisted deed-restricted affordable rental units that were dedicated for seniors constituted only 21% of the total assisted deed-restricted affordable rental units in the past 10 years, this is far under the 50% threshold test, so the test is *met*.

XII. EXCESS SURPLUS TEST

Excess Surplus is defined in Section 34176.1(d) as an unencumbered amount in the account that exceeds the greater of one million dollars (\$1,000,000) or the aggregate amount deposited into the account during the Housing Successor's preceding four Fiscal Years, whichever is greater.

Excess Surplus Calculation (millions)	FY 14-15	FY 15-16	FY 16-17	FY 17-18	FY 18-19	Total deposited in preceding 4 years (FY 14/15 – 17/18)
Beginning Balance	\$31.1	\$54.6	\$91.7	\$92.8	\$121.1	
Add: Deposits	34.3	52.9	18.2	44.3	41.0	\$149.8
(Less) Expenditures	(10.8)	(15.8)	(17.1)	(16.0)	(13.3)	
(Less) Encumbrances					(5.1)	
Unencumbered Balance	\$54.6	\$91.7	\$92.8	\$121.1	\$143.7	

The following provides the Excess Surplus test for the preceding four Fiscal Years (in millions):

The LMIHAF does not have an Excess Surplus. The aggregate amount deposited into the account during the four Fiscal Years is \$149.8 million. The current fiscal year cash balance is \$148.8 million with \$5.1 million in encumbrances. The unencumbered amount of \$143.7 million does not exceed the aggregate amount deposited in the preceding four fiscal years.

XIII. HOMEOWNERSHIP UNITS

The Housing Successor is to provide an inventory of homeownership units assisted by the former redevelopment agency or the housing successor that are subject to covenants or restrictions or to an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund pursuant to subdivision (f) of Section 33334.3.

A. Number of Homeownership Units as of 6/30/19

Number of Homeownership Units	522

B. Homeownership Units Lost in Fiscal Year

Reason for Loss	Units Lost
Loans paid off	41

Loans written off due to foreclosure or short sale	0

C. \$2,710,574 in single family loan funds were returned to the Housing Successor in this fiscal year as part of an adopted program that protects the former redevelopment agency's investment of moneys from the Low and Moderate Income Housing Fund.

D. The Housing Successor has contracted with an outside entity for the management of the single family homeownership loans. The name of the entity is AmeriNat Loan Servicing.
